THE PRESIDENT'S MESSAGE

We want to take this opportunity to congratulate our good friend Les Gotcher on his being inducted into the Square Dance Hall of Fame. We first met Les and Winnie in 1953, and danced with him every chance we got until he retired from calling. We spent several Square Dance week ends and two full weeks at Kirkwood Lodge with them, and I also attended one of his caller's colleges. We believe he did as much or more than anyone else to make Square Dancing the great recreation it is today. Good Luck, Les.

We have so many good dances and festivals coming up soon, especially the Florida State Convention this month. The state committee has done every thing possible to make this one the greatest. See you all there. We also have the National Convention in June, the Knothead in September, and the West Coast FALL FUN FEST in October. Our committee is hard at work to make this a great week end. We will have something for everyone. We hope that a lot of our ladies will make the official FALL FUN FEST DRESS & VEST and help publicize this week end. Remember all profits go to publish THE WEST COAST DANCER. Please register early.

Squarely yours,
George & Dena Burcham.

DON'T GET CAUGHT IN A SPEED TRAP

By Jack Lasry CALLERLAB Chairman of the Board

As we travel to and from our square dances, many of us are keenly aware of the conditions of the road and also aware of the potential speed traps. Now this article is not designed to preach to you about how you drive except to say that we wish you to be careful since we hate to lose dancers. However, I ask you to consider the similarities of the conditions of the Road for automobiles and the square dance activity.

When we look at square dancing, we see that many of us got our learner's permit when we first attended beginner's classes. We received our driver's permit when we "graduated" from class. We traveled down the square dance highway by visiting other clubs, and we had many opportunities to get the small parking violations etc. when we would goof a call or two. We made new friends and several of them had been "driving" longer than we had and they were showing us the thrills of some of the more scenic drives and perhaps even high speed driving. We accepted the bait and we began our own brand of experimentation.

We began driving faster and faster by learning more and more calls from more and more lists. We could handle anything that our local "official" could toss at us. We had "mastered" the Mainstream Lists, the Quarterly Selections, and the Plus Lists. True, we had occasional warning signs, perhaps even a flat tire or a blowout, but we were undaunted. We still wanted to go faster and achieve more thrills. Along came a "Super Highway" called Advanced and beyond that the very limited access road called "Challenge".

Many of you (dancers and callers) are really caught up in this speed trap. We sometimes think that because the road is there, we must drive on it. Might it not be better if we, as individuals, learned to handle the various road conditions along the way? Can we not enjoy the scenic routes in our own neighborhoods? Can we not enjoy the beauty of the secondary road and perhaps even the first four lane highway? Do we all have to travel on the divided highway? Must we all pass everyone on the Road?

We talk about the scenic highways and byways and yet in square dancing the scenic portions have to be the people and the friendships established. Just as the forests, the flowers and the shrubs are the scenic roadside attractions and the waterfalls add serenity, so do the friendships and people in square dancing accomplish the same things for us in our pursuit of this leisure time activity. We should take the time to enhance these friendships. We should take the time to smell the roses. We should make the effort to be especially friendly to the strangers that attend our club dances. We should enjoy the scenic route for what it has to offer.

Let us all take stock of ourselves and review where we are and where we would like to go. Let us not get caught up in the "Speed Trap" of Square Dancing.

28TH

NATIONAL SQUARE DANCE CONVENTION®

MECCA MILWAUKEE, WISCONSIN JUNE 28,29,30,197

Jack Lasry's "Don't Get Caught in the Speed Trap" kinda reminds me of trying to keep up with the Joneses. So many of us, dancers and callers, without realizing it, intimate that unless you learn all the calls on the +2 list (or at least belong to a club labeled as such) you're out of it, you're not even a square dancer!

Some callers encourage this thinking by telling their dancers, "We can't afford to fall behind" or "We have to be ready for a certain festival or dance", etc. What happens is this--the dancer is continually reaching just a little over his or her head--some catch up and eventually relax and enjoy the level, some drop out, and others continue to attend the club for social reasons (for by this time friendships have formed); but nobody admits they have passed their "fun level". And, everybody knows when they're having fun. Why then is it that nobody wants to admit their "fun-level" limitation? Are Challenge dancers better dancers just because they regularly dance more intricate calls than the Mainstream dancer?

Personally, I think not. It merely indicates those dancers have sought their "fun-level" of dancing. Anyway, whatever happened to standing on your own two feet and being a strong individual, recognizing what you like and taking a stand for your own personal "fun". Seems to me, in this enlightened day of liberation where the hue and cry is "Let me be me, or I've got to be free to do my own thing", that square dancers would take full advantage of CALLERLAB'S recommended stepping stone plateaus by establishing places where every dancer can find "fun" without a great deal of searching

Seems to me there would be a great consolidation of efforts by every existing club to meet these goals even if it means a complete upheaval of clubs, their club names, callers and treasuries.

Opinion

Dear Editor: In the interest of a better understanding of what square dancing is all about, many nice people are avoiding places where all the rules of sociability are broken. That is where the dancers are breaking every rule that is written to promote the friendly nature of Square Dancing. It is disgusting to attend dances where sets are made up tight and even if one place seems to be open, someone in the set has the gall to say, "This place is taken." These people should not attend open dances but should form a club and be strictly by themselves.

If we want square dancing to be sociable and friendly as it is intended to be, then we must leave at least one spot open for guests or those that do not make up dances to be able to get in--otherwise we drive these good people away. People who are scared to dance with guests and make friends need to read the news.

OUR BLOOD BANK RECEIVES PLAQUE

Under the guidance of Joe and Ruth Estes our Blood Bank is prospering as never before. At the annual award luncheon of the Community Blood Bank held at the Grapevine Resturant our association was given a beautiful plaque which Joe Estes accepted for us. This award was given in recognition of the 52 units of blood donated by our members last year. Joe and Ruth are visiting clubs in the area to acquaint everyone with the Blood Bank and will have the plaque on view.

BLOOD BANK REACHES MILESTONE

Our blood bank donations exceeded 100 units during the month of March. We sincerely thank all the donors who are responsible for this notable achievement.

The Caller Speaks

by DON and ELAINE MALCOM

JUST A REMINDER

It's more than learning to dance. It is called square dance etiquette! Should we let them (our students) stumble along, learning the hard way (maybe never), or tell them straight out what square dancing expects of them? Just like being in the military, square dancing has its uniform (This includes cowboy boots).. Wear yours proudly. By dressing the part you will have more fun.

Business suits, slacks, mini skirts are out of place on a square dance floor. (It is difficult to tell your students to dress the part if you are not in square dance attire.) Anytime I see a dancer/caller at a dance not in square dance attire I feel saddened. They obviously have not acquired the sense of belonging that I enjoy thru square dancing. Like a small child I want to shout it to the world. By wearing my badge and outfit, dancers and non-dancers alike know where I belong.

Wear your club badge proudly. I'm saddened when I see gypsy dancers. They only receive half of what square dancing can give. The feeling "I belong" has doubled my square dancing fun. If nobody did the small things we would have no club to visit. To all the little people who make the Club Dance fun, do all the work - get none of the credit; many thanks - you are giants and square dancing desperately needs you. Regarding Yellow Rock; it has a good place in square dancing. If used with common sense, a gentle hug and a kind smile adds fun to the dance. A grimace of pain, someone saying "that hurt", lifting someone off their feet is out of order. Gentleness, smoothness, respect for the other person are a must. Need I say more?

WAYS TO KILL A SQUARE DANCE CLUB

1. Don't Attend! They will have enough without you.
2. Don't pay your dues! The Club Treasury is loaded. They don't need your money.
3. Ignore all guests. You didn't invite them so why be so nice to them.
4. Dance only with your clique. After all you are the only ones who know how to dance.
5. Complain. "Gee Whiz!!! Can't he do anything right."

C. Willie sez, "The world is composed of takers and givers. The takers eat better, but the givers sleep better."

BRANDON SQUARES really enjoyed the West Coast Dance. The calling and dancing were great! We have been having good calling, good crowds, good food, good dancing and good fellowship at our club dances. George Hinkel will be calling May 11 and Bob Barnes May 25. See you there!
Don & Marlene Zahn

BUTTONS AND BOWS of Englewood celebrated the club's birthday on the 21st of April. Bob Barnes called the squares with Bob Mitchell on the rounds. The large crowd in attendance enjoyed the dance and the special birthday cake.

Vera Freeman

BUTTONS AND BOWS of Plant City welcome our new members, Stanley and Alice Ross. Our visitors and members are enjoying our new hall. The benefit dance for Wally and Pauline Huebner was a great success. Our thanks to Sanlan Ranch for the hall, Chuck Dillenbeck, Freeman Pettus and Jim Runnels for the great calling, and to all those who helped and made the arrangements. See you at Strawberry Square each 2nd & 4th Saturday. Happy dancing.

Martha & Larry Bradford

CAPE CORAL SQUARES held a dinner dance in March to celebrate their 10th anniversary and to bid farewell to the Sno-birds who are starting their trek to northern climes. The proximity of St. Patrick's Day helped to turn the occasion into a gala party in green and white for which Joe & Flora Trapp had created a park-like scene peopled with tiny figures homeward bound leaving the beaches and bathing beauties - all very realistic, even to a familiar roadside rest. Finally, a beautifully decorated anniversary cake climaxed the occasion.

Edith T. Juhel

CHARLOTTE PROMENADERS treated members to a catered buffet dinner March 15 in recognition of their fine support this past season. New officers are: President, Ora & Laoma Miller; Vice-President Bill & Jerry Hill; Asst. Vice-President Joe & Connie Bauer; Secretary Flo Hoffman; Treasurer Herman & Helen King; Asst. Treasurer Leonard & Glenna Gold. A renewal dance followed with members paying their dues being entitled to dance free that evening.

Helen R. King

CRYSTAL TWIRLERS want to thank all our good friends that came to our first anniversary dance. Everyone had a good time, and we are looking forward to a greater second year. Square dancers are such wonderful people. We would love to have you come visit us.

Mamie & Marvin Almand

DADE CITY SQUARE HOPPERS would like to correct a mistake on the names of new officers. President is Paul & Joyce Olsen and Vice President Hubert & Vivian Freeman. March was the month for weafin' of the green and shamrock cakes. Bobby & Libby Tessor were in charge of refreshments and they were enjoyed by everyone. Come join us on the 1st and 3rd Saturdays.

Bev & Jack Whitney

MIE LOOPERS of New Port Richey had their sixth annual anniversary party April 10 and a good time was had by all that attended. Good Rounds, good Squares and good food. Start your thinking caps because May is the month for our annual Crazy Hat dance. Hope to be seeing you at one of our dances.

Virginia Burke

FEATHEROCKERS of Valrico had a great Valentine party. Pat Nocera was our "Sweetheart" and was presented with a beautiful corsage by Ed Zimmer. Also, a good time was had by all at our St. Patrick's Day dance. Many thanks to Red Zimmer and Sybil Williams for working so hard to make both parties such a big success. Come on and dance with us. We'll be looking for you.

Edith McKeen

FLAMINGO SQUARES of St. Petersburg had a fun-filled, food-filled picnic in March. After playing softball, eating and socializing, new officers were elected as follows: President Tom & "Sam" O'Bryant; Vice President Dick & Pat Hansen; Secretary Doris Tallon; Treasurer John & Evelyn Weir. They're all doing a great job! During March the club gave miniature flamingo dangles to our guests. We'll miss the snowbirds, but look forward to seeing all of our year round guests.

Maureen & Rich Anderson

GANDY DANCERS of Tampa have enjoyed banner stealing, as well as the pleasure of welcoming the dancers who came to retrieve the banners. Chuck Kessler's pre-dance workshops have many enthusiastic dancers - some are new graduates and many are experienced dancers brushing up on movements. We invite all area dancers to enjoy our 5th anniversary party May 14. Thank you, Emory and Joyce Johnson, along with your corp of officers, for giving us a fine year of pleasures in friendship and dancing.

Bill & Nancy Sparrow

HILLBILLIES of Zephyrhills dance every Wednesday with Wayr Lundberg calling the rounds at 7:30 and Bob Barnes the squares at 8:00, Mainstream plus two. Bob Barnes has a class in squares at 1:00 p.m. and workshop at 3:00 every Saturday at Dancers Paradise Hall.

Alyce & Pete Huntington

KATYDIDS of Tampa will miss our square dancing friends who are returning north, but look for them to dance with us again when they come back to enjoy our Florida sunshine. Our participation in the Convalescent Home program was a rewarding experience. Coy's class of Church Mice had a great graduation night party, and those who attended enjoyed an evening of good dancing, good food and good fellowship.

Eleanor Cline

KRISS KROSS SQUARES of Ft. Myers had so much fun on their mystery dance. It was a wonderful evening of dancing with the Red Hats Club in Sarasota and our surprise was the caller, Art Springer. On the way up they all met at the River House in Charlotte Harbor for a delicious dinner. All voted for another. This makes for good fellowship among clubs. Come join our clogging class Thursday nights at 6:00. If I can do it, you can too!

Irene McKown

LAMPLIGHTER WHEELERS of Tampa is a new club dancing on Sunday from 6:30 to 9:00 p.m. We are an Extended Basic club formed to explore the basics from all positions. There is also a workshop tip to learn new movements. Come dance with us.

Ralph Smith

LEFT ALLAMANDERS of St. Petersburg are convention bound! It will be a pleasure to dance with dancers from throughout the whole state. Congratulations, Shootin' Stars, on your anniversary. Bouquets to Joe and Ruth Estes on their efforts getting out literature on the Blood Bank. The total is over 100 pints, so let's all help to keep it that high! Our club bandits will be prowling more than ever, so watch out! Might come to "your house" most anytime.

Pat Fiyalko

LOVE BUGS chalked up March as the month of diversity. We began by helping the Strawberry Squares fill their lovely new hall at their grand opening, showered newly-weds, Pat and Bill Willis, with rice after an impressive square dance wedding, and had a fun dance with Ralph Smith who filled-in for our Chuck Kessler. We welcomed our new member, Karl Curewitz, one of the minority group of single square dance males. But we didn't see you last month, so do come visit our fun club.

Dorothy Delgado

MOOSEHEAD SQUARES of Lakeland enjoyed getting together at the Mulberry Civic Center with dancers from Valrico and Palm Harbor. Everyone had a good time dancing to the fine calling of Buz Nocera, Dick Jensen and our own Ray Soucy. Congratulations to our proud new grandparents, Clem and Helen Hutchinson. You must have been a child bride. Helen. An open invitation is extended to everyone to dance with us every Monday night from 8 to 10:30.

Lynn Adams

PALM CITY SQUARES of Ft. Myers have combined their Sunday night class with the 7:30 group and will be dancing all summer. Maurice Williams, caller, and his taw, Joan, entertained their dancers with an "appreciation dance." Ken Logan and his lovely wife, Evelyn, were our honored guests. They have been teaching dancers for over 50 years and still going strong. Congratulations to Howard Edgar and his new bride, June. Our happy caller brought his special group to do a dance for us. He spreads much sunshine to the handicapped and retarded.

Irene McKown

RIDGE ROLLAWAYS of Sebring report top attendance, plus many onlooking potential dancers for next class. Vagabond Rollaways camped out at Zolfo Springs Pioneer Park, combining dancing & after-dance campfires with daytime museum tour & hayride to a fantastic barbeque at Haney's Wauchula ranch. The club & class combined a St. Pat's Day dance at Wauchula with the Peace River Valley Dancers, a new club. Saturday night mainstreams are great. You're all welcome anytime.

Jo Bryer

SANLAN SQUARES will miss our Snowbirds and hope to see them back with us in the Fall. Our caller, Bob Barnes, was surprised when a huge birthday cake was presented to him with cards and funny gifts during intermission. This was to show him we dancers in Sanlan appreciate him and Dee, and wish for him many more happy birthdays. Our sympathy to Pauline Huebner and family. We will all miss Wally and hope to have Pauline in our midst. Come dance with us any Tuesday night.

Mary Jo McHenry

SEA SHELL SQUARES, a new club named for its caller, Bill Shell, presented me with one of their attractive badges as an honorary member. They dance at Lyons Hall in Lehigh on Wednesdays, and at the Community Hall in Bonita Springs every Friday. Come join us. We have lots of fun. Our party night is always the 4th Wednesday to celebrate birthdays and anniversaries, with a candle for each honored guest on cakes made by Joyce, Bill's taw. Get together, pool your cars and come on out. Dancing is great!

Irene McKown

SHOOTIN' STARS welcome our new slate of officers and give many thanks to our past officers for the great job they have done. Curt and Curty Curtis deserve a hand for the wonderful job they have done keeping our club photo album. How about that great breakfast, lunch and games too at Ft. DeSoto Park? Tampa Taggers, we're waiting for you to come and get your banner and have a fun evening with us. We were pleased so many dancers joined us in celebrating our anniversary. Visitors are always welcome.

Claire Farese

SPINNING WHEELS will be celebrating our 9th anniversary May 4 with Elmer Sheffield & Marty Martin. We hope you all will come help us have a huge success. Door prizes, finger foods, etc. are on the agenda. Congratulations to new grandparents Jimmie & Frances Scaglione and Jim & Hazel Hunter! Our Sunday picnic & meeting brought out almost every member. Isn't it great to have such freedom, fun and fellowship. We welcome new members anytime. Y'all come!

Joyce Todd

SQUARE 'EM UP SAMS of Ft. Myers held their March meeting at Alligator Park at Punta Gorda, with 20 rigs attending. Plans were made for our 3rd annual campout at the Fijian Campgrounds on Lake Okeechobee in April. Saturday evening was spent dancing to our regular callers in addition to a guest round dance cuer, Wayne Russell, from Bradenton. At our after-party the evening was concluded singing popular & religious songs, accompanied by our accomplished guitarist, Leroy Corcoran.

Dottie Fry

SUNSHINE STATE CHAPTER 018 NSDCA held its March camporee at Camp-A-Wyle Lake Resort near Brooksville with 42 units attending. We thank Buz Nocera for calling a fine dance Friday night while Jim Baker attended his daughter's wedding, but Jim was back for the Saturday dance. We welcomed the Kimbroughs & Foleys as visitors from Chapter 082. Harriet & John Lovelace, newly appointed Chairmen of the Annual Camporee for the State of Florida, reported on their recent meetings. Our chapter will celebrate its 12th anniversary in May at Son-Mar Park in Hudson, with Elton & Nella Cole hosting, & honor charter members Coles & Edith Peterson.

Adele Kolar

SWINGERS of Ft. Myers, an old club that's been around for a long time, keep dancing every Saturday night at the Recreation Center on Cleveland, known as The Teen Club. When it was called The Teen Club many of our winter dancers thought it was only for teenagers, but we are all ages and have a swinging good time. Our caller is great with position and smooth dancing. Come join us. (I'm always there).

Irene McKown

TEACUPPERS of Odessa lost our travel banner to the Spinning Wheels of Tampa. Round dance class is doing well. The beginners graduated and helped celebrate our anniversary dance April 24. Some of us joined the Swingin' Yell-o-Rockers & Love Bugs to put on an exhibition dance at the Fair in Tampa, then returned for a repeat performance. Walt Hurst was the caller, with young Cliff Earle doing his bit also. Come on out and dance with us. We are a fun group.

Granny

VALLEY SWINGERS of Wauchula have new officers as follows: Loraine Whaley, President; Willis & Patti Holloway, Vice President and Joyce Lynn & Betty Shumard, Secretary-Treasurer. They are moving rapidly and planning ahead for a year of varied dancing. We thank our first officers for the support & leadership they gave in starting our club last Fall. They were Pres. Bonita & John Eklund; Vice Pres. Bud & Geneva Lambert; Secy. Loraine Whaley. We also thank all the other people who shared their experience to help us start this club, and the first was our sister club Arcadia Squares, and Grace & Jack Livingston who have come so far and so faithfully - truly dedicated to square dancing.

Virginia Metheny

VILLA CURLI-Q'S of Tampa had our largest dance ever on St. Patrick's Day, and a good time was had by all. Several lucky winners were handed really nice door prizes. Our visitors from the north are beginning to leave us until next winter. We've enjoyed them and look forward to seeing them all next year. Why don't you join us for an evening of dancing fun?

Manuel & Muriel Diaz

WELCOME SQUARES of Holiday Lake Estates are sorry to have to say "So Long" to our northern friends who are traveling to their homes. We look forward to their return in the Fall. We have a variety of good callers on squares and the Hulins on the rounds. Come to our dances on Friday nights and enjoy our welcome to all.

Expanded Fall Fun Fest

Your Fall Fun Fest Committee has determined that the dancers in Florida want something extra in their festivals. So far this year we are expanding the FALL FUN FEST to include an advanced room under the direction of Roger Chapman and an additional hall for rounds which will be manned by Marty Martin and Don Rand. This will not only give greater diversity in both square and rounds but also bring a Florida caller into our program.

The distaff side of the committee is busy on the official dress, which you will start to see soon at dances everywhere. Anyone who wishes can feel free to make and wear the orange and brown outfits to publicize the festival. Flyers will be out shortly giving more details concerning the program as well as accommodations and prices. We are doing everything possible to give you a bigger and better FALL FUN FEST.
