FROM THE EDITOR'S DESK

Square and Round Dancers -

This is the first of, we hope, many editions of our new magazine.

It is not intended to be perfect. No doubt you will find errors and omissions. Because I, myself, expect to make many mistakes I will not blame anyone else working on the magazine if they make errors, especially due to the fact that it is an entirely new venture for most of us. No one working on this project receives any remuneration for his services, therefore there are no selfish interests to be served.

This magazine belongs to you, the dancers and through your criticisms we hope to better it from month to month.

Before my retirement I was the Editor, for about a year and a half and the printer for several years of the Toledo Area's magazine called PROMENADE. This magazine usually consists of about 36 to 40 pages of information and advertising. It is now under the editorship of Marilynn Jones, who does a very capable job of it. This periodical, unlike ours, is printed, not mimeographed and the cover is usually in two or three colors. Besides the many hours Marilynn devotes to it she has the assistance of many others on her staff. The result is a beautiful magazine, one which we can hardly hope to equal.

Frankly, I am patterning the style of our magazine after theirs to some extent - I know of no better pattern to follow. Eventually, too, we will have available to us news from all parts of the country through an exchange of magazines, which we expect to accomplish. Any information of interest gleaned from these sources will be passed on to you.

In our magazine, following the calendar, is the Club Directory; this tells you where the clubs are located and when they dance, etc. These two items are under the care of Art DeSormo. The Round of the Month is furnished by the Lovelaces. Then we hope to have "Coming Special Events" Information for this category must be in at least 3 months in advance. Its purpose is to announce special events for area clubs, not special

ODDS and ENDS

There are quite a few "Rounds" in Square Dancing. We were familiar with ROUND-OFF. At Daytona we did ROUND-OUT and ROUND-IN. Monday, Chris showed us ROUND-AND-CROSS!!!

Let me know if this sets any record. Since the KNOT-HEAD KONVENTION we have danced to the following callers: RUST, CHAPMAN, LASRY, JABBUSCH, KEEFE, SAUNDERS, BEDELL, CHRISTOPHER and SPRINGER. ED and KAY MACK taught us our ROUNDS Tuesday and Fridays---Charley and Madeline LOVELACE had a large group up doing Rounds on Monday nights in Tampa.

It's good to see many couples back from their trips North. We got as far North as Daytona---enjoyed our ocean view from our rented porch, eating at new Morrison's cafeteria and our five miles drive on the sand of that lovely beach. Lucky that we left during a heavy rain the next morning to wash that salt right out of the car.

We have been here over a year now, long enough to learn about the abundance of excellent callers and skilled, patient and thorough Round Dance Leaders. We already knew that there was a lot of good Square Dancing here. Knowing that it was easier for me to say, "Yes, let's go", when my husband wanted to move here. I didn't know then that thunder and lightning could be more frequent and intense here than in Iowa and Illinois. We have several not so lonesome PINES around our home and one day when it was extra dry here and raining hard within a distance of a few miles, lightning struck a Pine tree across the road and things were exciting and hectic for a while. Almost missed a dance! The Spanish moss looked better than the tree after the fire. Is Spanish moss OK for use in insulation... for my bomb shelter when I get around to building one? I may have to get a book from the library if someone doesn't inform me soon.

The C. B. Germans of Largo, the Norman Seidels of Clearwater and the Harold Connellys of St. Petersburg are back from their long trips to Canada and the Northwest. Please, everyone, write to the new Editor and tell ODDS AND ENDS about your travels, etc.

Wilma Morton

FROM THE EDITOR'S DESK (continued)

dances on regular club nights. This is to help the clubs schedule their bookings in advance and avoid a conflict of scheduling two special dances of clubs in the same town on dates close together. This is a listing for dances only, no meetings.

Wilma Morton will be our "Reporter at Large" and will give you news concerning square and round dancing and individuals as well.

Ruth Kincaid, that good cook, will furnish a page of favorite recipes.

Club News, but no advertising of dances or callers, will be published.

Morris Sogolow, President of the West Coast Square and Round Dancers' Association has assumed the distribution of the magazines and calendar blanks.

The Tampa Recreation Department has generously agreed to mimeograph our paper at no cost except for the supplies used.

We hope to improve the magazine from time to time by adding new features. This will depend partly on what the readers want and on our budget. I understand that there may be special dances occasionally to raise funds for the magazine. Your patronage of these dances will therefore help to assure the continuance of this venture.

I want to take this opportunity to thank all of those who are participating. Not one of whom I asked for help turned me down. I think that's great and I'm really thrilled to get that kind of cooperation.

Sincerely,

Chuck Gernheuser
