PRESIDENT'S MESSAGE

I want to thank the members of the West Coast Association for their confidence in electing me and my follow officers into office for the coming year. I know that we will do our best to make square dancing the best ever in the West Coast area. With YOUR help as dancers we can MAKE it the best year ever.

Tom and Lee Caviness

\*\*\*\*\*

NOTE: All clubs are asked to cancel their club dates for October 19th and 20th so that our callers can attend the Callers Clinic at the Tupperware Auditorium in Orlando. The West Coast Association has scheduled a dance on Saturday, October 20th beginning at 8 P.M. at the North Boulevard Recreation Center for dancers in this area to dance to an out-of-town caller from Massachusetts - Bob McCarren. All proceeds from this dance is to go towards defraying expenses of the callers attending the Clinic. Plan to attend this dance and do your part for our fine callers to up-date their calling and exchange ideas with other Federation Callers.

FROM THE EDITOR'S DESK

We are starting a new year in the Association and wish the elected officers much success in the coming year.

All callers, club reporters and any other contributors PLEASE check your listings in this magazine to see that they are correct. We have had complaints that some callers are no longer calling certain dates or at certain clubs; that some clubs are no longer in existence, etc. Let's bring the magazine up-to-date and newsworthy. Send all comments and ideas to the address on the inside cover until further notice. Also please note the deadline for material and the word limit for reporters.

We are having a problem of getting the magazines to the many clubs in the West Coast area. Many of the good folks who come down on the fourth Thursday of each month to put the magazine together, take quantities of magazines back to distribute to the clubs in their area, but clubs south of Bradenton and East of Lakeland are the problems. High postal rates make mailing them out of the question, unless the individual clubs are willing to pay the postage. Anyone have any ideas how we can get the magazines where they should go in record time? Drop me a line.

FLASH!! We have a volunteer for Editor (James Hunter from Valrico). His letter came as we finished this issue - more later on it.

KITCHEN TALK - - -

Chopped Apple Cake

- 1 1/2 cups chopped apples (peeled)
- 1 tsp. baking soda
- 1 cup flour
- 1/2 tsp. salt
- 1 cup sugar
- 1 egg
- 3 tbsp. melted butter or margarine
- 1 tsp. vanilla
- 1 cup chopped nuts

Blend ingredients and bake in square cake pan at 350° for about 30 minutes.

Shop Tip

When is a bargain NOT a bargain? When it is something your family doesn't like, or your refrigerator, freezer or cupboard can't handle. Buy only in amounts you can use. Leftovers that are not enough for a second meal can be expensive. For example, 63¢ goes into the garbage when you toss out a cup of leftover beef that cost 99¢ a pound.

ODDS 'N ENDS from Herb Gerry  
Florida Round Dance Council.

The Round Dance Council of Florida will hold their Fall Festival again at the DiLido Hotel in Miami Beach on October 26, 27 & 28th.

An added feature this year will be a professional instructor to bring something new and helpful in our search for more pleasure in dancing. There will also be a dance session on Sunday morning to round out the weekend.

When making your reservations at the DiLido mention the Fall Festival for the special rates.

ROUND DANCE NEWS FOR OCTOBER, 1973

DUNEDIN BEACH CAMPGROUNDS - Bob & Ginny Walthers are starting a new round dance class and will hold a Party Night on Monday, Oct. 1st. All interested dancers are invited. The campgrounds are on Rt. 19A North, a little bit north of the Caladesi Shopping Center. Classes will be on Monday nights with ten weeks of basics. Come and try it - you'll like it.

Easy rounds will continue on Thursday nights from 7:30 to 10 P.M. for anyone who has had basics and want to continue to learn new ones and do some workshop.

Ginny Walthers

ROUND DANCING IN LARGO AND PINELLAS PARK - Round dancers can select a pleasant and enjoyable dance schedule to fit their desires from the following fall and winter program set up by Frank & Iris Gilbert. In teaching new dances, the Gilberts always include styling together with an easy and smooth flow of the basics. They also program and teach the current classics and the Round Dance Council of Florida's rounds of the month. (Editor's note: See Round Dance Directory for time and place listings.) Both locations have good air conditioning, smooth dancing floors and a lot of friendly atmosphere.

Iris Gilbert

WELAND ROUNDETTES-Vacation time is over and we are all eager to dance again. Our hall was overflowing even without our winter members. We started off with a review of those taught prior to the National Convention and then taught the following new ones: "Polka Dots"; "Waltz of Summer"; "Bright Eyes"; "Whistling" and a beautiful classic "Charmaine", and I believe this is going to be one of our favorites. On the 30th, we held our party night and since it was the night before Knothead, it was a good beginning to a wonderful weekend of dancing.

Marty & Byrdie have started a new beginners class at the Planteen Center in Plant City. If you are interested, join us there or call either the Martins or this reporter.

Verse by Beryl Frank

HOW COME?

I knew it is not difficult  
The call our caller's cueing  
But how come it is not the same  
As what this dancer's doing?

WHICH WAY DID SHE GO?

Searching, seeking madly  
I ran around the square  
No matter where I seemed to go  
My corner was not there.

23rd NATIONAL SQUARE AND ROUND DANCE CONVENTION

News Release #2 -

Over 4200 dancers have already registered for the 23rd National as of August 20th.

Guess who's coming to dance? Tours from Japan, Alaska, Germany, England and Canada so far, and a lot of others, we hope!

Registrations are being put on a computer so we'll be able to tell you how many and from where very shortly, plus how many callers and teens, etc.

Three 100% registered clubs, all from San Antonio have checked in to-date. We hope to set a record in this area, so let us hear from YOU as soon as possible. Remember - It's first-registered, first-assigned on housing. There are 4,000 rooms within walking distance and a total of 8000 within 15 minutes of the Convention Center, plus many more a little farther away.

We will literally be doing a "Do Sa Do By The Alamo" when a street dance is held on every evening in from of the Alamo. So there'll be dancing in the streets in San Antonio and wherever else anyone has a notion!

A great big Texas welcome is waiting for you. There is much more in '74 at San Antonio. Make your plans to attend early. June 27, 28, 29, 1974.

SQUARE DANCE NEWS FOR OCTOBER, 1973

BAY AREA TWIRLERS of Tampa were at the Knothead Konvention in full swing. It was one swell weekend.

Thanks, Charlie, for the delicious fish and hushpuppies at our business meeting held at Phillippe Park in August. The weather wasn't so good but the food and friendship were outstanding. Plans are underway for our Annual Hobo Dance on October 27th. Jack Harris will be calling for us so it's bound to be fun filled evening. Hope to see everyone out in hobo style.

A speedy recovery to both Howard Shinn and Billie Penuel - hurry back to square dancing. A happy anniversary to the Cabeza's, Hensley's, Hurst's and Shinn's. And a happy birthday Paul!

We Twirlers did a square dance demonstration at Floriland Mall on Sept. 4th. It was most enjoyable to the spectators and dancers as well, plus superb calling by Jack. His beginning square dance class started on Sept. 11th. Now a big WELCOME to our newest members, Johnny and Betty Everett, and Charlie and Claire Feinman, Ted and Nancy Kline!

LATE FLASH! The Bay Area Twirlers will have their 10th Anniversary celebration on Nov. 10th. Plan to join us! Also, we are planning a New Year's Eve Party along with the Spinning Wheels with Jack Harris and Art Springer squaring us up and the Martin's on the rounds. Sounds like one smashing affair so make plans now to bring in the New Year with us.

Chuck Kessler will call the squares for our Oct. 13th dance with the Lovelaces on rounds.

Don and Betty Hamilton

BUTTONS & BOWS of Englewood will resume its club level dances on Saturday, Oct. 6th with Fred Christopher calling the squares and rounds. He will call on the first Saturday of each month; Sam Allison the second Saturday, George Jabbusch, third Saturday, and Art Springer, fourth Saturday. Wayne Russell will call the rounds except on Saturdays when Chris calls. Rounds start at 7:30 P.M. with the grand march at 8. At 9:30 there is a coffee break with snacks. We continue dancing until 10:45.

Our officers are: Pres. Jerry Pelletier; Vice-Pres. Bill Ed Thomas; Secretary Marie Botts and Treasurer Joe Prairie. Board members are: Lester Stone, Arnold Jer, Jim Kemp, Burt Swindlehurst and Ben Block.

Our dances are held in the Lemon Bay Elementary School on SR 775 just south of Englewood, which is air-conditioned. Dances will continue thru April, 1974. We are a very friendly club and visitors are most welcome. Try us, you'll like us!

Marie Botts

BUTTONS & BOWS of Lakeland-We have danced from the east coast to the west coast and had the most fun this past month with the following clubs: Strawberry Strollers, Sunshine Swingers, Spinning Wheels, SanLan Ranch Campgrounds, Temple Terrace and the special dance with Tom Bush and the Lovelaces. Then to Lake Wales and their dedication of the new square, where we danced to the calling

## SQUARE DANCE NEWS FOR OCTOBER, 1973

BUTTONS & BOWS of Lakeland (continued)-of Roger Chapman. On the 11th we had Gordon Lentz from Penn. and it was one of our super dances, our guests are still talking about it! Then on to the Spinning Wheels and George Hinkle. On Saturday, the 18th we traveled to Melbourne with Diana & Bill Kogley and their group going for the Knothead badges. We danced that evening to the calling of Bob Frye & Sunday attended a benefit dance which was held at Barefoot Bay with Bob Frye and 8 other callers doing the squares and Byrdie and Marty Martin the rounds. For our second dance of the month we had Fred Christopher and he did his usual fine calling for us. We are looking forward to seeing you in October when our callers will be Skeeter Chauvin on the 13th and Bill Shell on the 27th.

LATE FLASH-The Buttons & Bows are moving. We will be dancing at San Lan Ranch Campgrounds on Rt. 98, three miles east of Lakeland beginning with our October 27th dance and every regular scheduled dance after that. Everyone knows of our crowded conditions and we hope we will be more comfortable in our new dance hall.

Vance and Miriam Dateman  
DIXIE LOOPERS of Holiday-Twenty-four of us travelled up to Jekyll Island, Ga. on Aug. 17th to attend Bob Bennett's Square Dance Jamboree and enjoyed not only the dancing but also the beautiful island and beach. May more of you join us next year for this pleasant weekend. This is the month of hobgoblins and we are planning an old fashioned Halloween Party with costumes, tricks and treats and prizes, so reserve Oct. 31st for fun and capers with us. We start our round dance class on Oct. 3rd. There will be an hour of instruction for beginners from 7-8 P.M. with rounds for the more advanced dancers interspersing the tips. A sad note this August was the heart attack which has hospitalized our president, Harold Adams. It will be sometime before he will be able to be with us. We sorely miss his leadership and enthusiasm for squaring! Our best wishes for a quick return to good health, Harold! A reminder that we are a workshop type of dance and our caller, Ken Cucore keeps us cued on all the current figures. We are always happy to welcome guests. This month should see the return of our vacationing members. A hearty welcome back, we have missed you! Yours for happy dancing.

Gen Thornton

LAKE SEMINOLE NORTH-We had a wonderful vacation but we're glad to be back. We held our monthly anniversary and birthday celebration on Sept. 5th. Those who had birthdays were Joe Bello, Chuck Guernhauser, Edna Leiner, Bill Anderson, Ray Darlin and Cy Reed. Anniversaries for Sept. were Chris and Bill Cochran, Bill & Grace Jackson, and Lloyd & Ida Leath. We were happy to see all our friends at the Knothead. Hope you had as much fun as we did. See you around the squares.

SQUARE DANCE NEWS FOR OCTOBER, 1973

LEFT ALLAMANDERS of St. Petersburg-Dancing at Seminole Jr. High was at its best! As usual Jack Harris called a terrific dance. Tom Bush, a former Left Allamander vacationing from California, called a truly memorable dance. We are always glad to see Tom & Billie, and hope they will come to visit us again real soon. Marty Martin treated us to a great evening of rounds. Chuck Kessler's calling and Bob Walther on rounds afforded us with some great dancing on the third Friday. In October we will be adding Frank DuBois on rounds with Jack Harris on the first Friday of each month. Ed & Annie Ellis are back with us and the Left Allamanders are really happy to have them home. We have early rounds at 7:30 and dance until 10:45 P.M. October 5th Jack Harris will call squares with Frank DuBois on rounds; October 12th George Hinkle will be caller with Marty Martin on rounds. We have cancelled our October 19th dance for the Callers Clinic in Orlando.

THE IMPERIAL SQUARE DANCE CLUB of Largo are dancing to a new batch of records each Tuesday evening. It seems that "Auctioneer" George Hales, our caller, is showing up with newly purchased ones at each dance. We enjoy them, of course, and our guests are enraptured by the number of new singing calls they hear with us for the first time.

By the time this goes to press we will have all of our vacationers back with the exception of Bee & Eli Nannis whos trip to Boston is planned for late September. However, they'll be back early in October. We hope that our guests that helped fill out our summer squares will continue to visit with us for we are looking forward to an exciting fall and winter season.

Our new BEGINNERS CLASS started on Fri., Sept. 28th and will be held open for registering until October 12th. So send any would be square dancers along if Friday evening is a time that fits into their schedule. "Auctioneer" George will instruct. Knowing George, the new class will have as much fun learning as we did. For more details on this it might be a good idea to have applicants give George a call (581-1279).

In the meantime we are all soliciting among the membership, the guests and dancers we meet at other dances to help find a candidate to take over for the Petersons. This magazine must go on!

Louise Weller

MOBILE MAVERICKS are gathering for a weekend of fun at Highland Hammocks State Park on Friday and Saturday, Oct. 5th & 6th. There will be a covered dish supper at 5 P.M. on Saturday. Tom Bean will be the caller. Come dance and camp with us for fun and relaxation.

Gladys Broe

SQUARE DANCE NEWS FOR OCTOBER, 1973

OAKCREST SQUARES of Largo will have a new reporter by the time the next issue of this magazine is out. Her name is Lorainne Kern from Oakcrest Mobile Home Park. Our caller, Hank Schmakel, always says "Beer and Pretzel Time" and surprised us with "Root-beer & Pretzels". Rita Meyer baked four cakes for their (Ken & Rita) Anniversary on Sept. 1st - spice, lemon, white and chocolate. Something for everyone.

Our caller, Hank and Taw, are going north to Toledo, Ohio for two weeks vacation in October and we will have guest callers for the two Tuesdays they will be gone. Hope to have a beginners class at Oakcrest the latter part of October. More on this later as to date and time.

Summer attendance has been very good and now we are ready to welcome home our dancers who have been on vacation. As Mae West sez "Come up and see us sometime".

Fran Schmakel

BELLEAIR NEWS-By the time you read this regular caller Cliff Hendricks and wife Lorainne will be home from their vacation and ready for the "Suncoast Cardinals" on Monday, "Friendship Squares" on Wednesday and workshop on Saturdays. "Welcome Home" Cliff and Lorainne.

Hank & Fran Schmakel, Don & Dorothy Rand and  
John & Kitty Scher

SPINNING WHEELS of Tampa-Hope all of you had fun at the Knothead Konvention. It's a great way to have a good time. Art Springer is starting a new square dance class at Grant Park this month. Get your friends to come and try it. They'll like it and you all can have a wonderful time together. We always welcome new members and new dancers.

Our dance the first and third Friday at Grant Park with Art Springer calling the squares and Marty & Byrdie Martin on rounds are always well attended. In September we had a Watermelon Fest (really quenched our thirst). Join us, won't you?

John and Arleen Tomlin were welcomed as members at the dinner meeting. We are so happy to have them join us.

Barbara O'Brien

STOMPIN' STUMP JUMPERS-Not much news except we all enjoyed the Knothead Konvention and were glad to see you all. Don't forget our Teen Jamboree coming up on Nov. 3rd at North Boulevard Center with Wayne Brooke, Don Miller & Jack Harris sharing the calling from 8 to 11 P.M., with our own Mini Trail-in dance from 2 to 4 P.M. Hope to see all our "young at heart" friends there.

STRAWBERRY STROLLERS of Plant City-We have had an excellent summer of dancing with our visitors. With so many of our members away on vacation, sometimes it looked like a visitors dance. Several of our members travelled to Brandon and Friday, August 24th, to retrieve their banner. What an evening of fun, dancing to Jack Harris and Marty Martin, with eleven squares in attendance!

We're glad to welcome back our President and all the others who have been on vacation. Watch for fliers regarding some special dances at our club in October, November and December. There will be tickets sold by our members prior to these special dances at various dances in this area.

Shirley Moore

TIDEVUE ESTATES in Ellenton-The Square Dance season opens with a "B A N G" at Tidevue Estates on Sunday, October 14th, starting with a picnic lunch at 1 P.M. Everyone should bring "finger food" or something easy to eat and serve. Coffee and iced tea will be served by the committee. The management is giving this dance FREE to all dancers in this vicinity to acquaint them with our beautiful air-conditioned hall, with good acoustic, hard wood floor and large enough to accomodate thirty squares without crowding. We have two of the best known callers in this area, George Jabbusch and Robert Norton alternating all afternoon. We also plan on having rounds between each tip. Dancing will start soon after lunch until 5 P.M. YOU'ALL COME! Watch the West Coast Dancer for our regular workshop and Friday night dances.

YELL-O-ROCKERS of Zephyrhills want all their friends and other visiting dancers to know that the air-conditioning has been enlarged with some new units for their comfort in dancing. Our October dance is to be our annual Halloween Dance with costumes, prizes and fancy food. Bob Bennett from Valdosta will call the squares with the Martins on the rounds. Tom & Lee Caviness will be refreshment hosts. They are the newly elected West Coast Association presidents and we wish them success in this office. Also, a big THANK YOU to the retiring officers for a job well done this past year; enlarging the membership, increasing the treasury and a successful State Convention!

We are looking forward to having you all come dance with us again after a 10 vacation. We have some good callers lined up for our coming dances - plan to attend.

Edith Peterson

WOODCHIPS of Pinellas Park graduated three squares on Sunday, Sept. 9th at the Ox Bow Hall. George Wood, caller and instructor, was in charge of the hilarious ceremony. He has another class going starting September 16th at 7 P.M., so they are a busy club. They have cancelled their October 20th dance for the Callers Clinic and their scheduled caller, Bob McCarron from Massachusetts will call for the West Coast Association dance on that day. Make sure you attend this dance to help our West Coast callers attending the clinic defray their expenses.

## PROPER COSTUMING IN SQUARE DANCING

It is a widely accepted fact among square and round dancers today that "dressing for the dance" is THE THING to do. However, dressing for the dance may not mean the same thing to all dancers unless they have been properly informed by their caller and teacher from the very beginning, what the basic and generally accepted square dance costume consists of.

Spectators attending any large festival or club activity never fail to be impressed by the beautifully dressed dancers who form an exciting and colorful picture. And because this traditional costume is seen so much now, even a non-dancer recognizes a square dancer when he is dressed appropriately. It has become a trademark.

Yet on the dance floor today, spectators will also see a few costumes which mar the beauty of the picture and leave an inaccurate and poor impression of the activity. Pantsuits, suitable for formal wear; mini skirts and boots, that teenagers special which look chic on them in the right place; granny dresses, which granny wore because they were the only choice she had of fabrics and styles in her day; and even occasional hot pants are creeping in. All of these styles can be fun to have and to wear at the appropriate time. They are the fashion market's answer to new ideas and sales appeal. However, our square dance costume has never had to be dictated by Paris designers of fame. It has been a standard style for years and years. There have been few changes made since the 40's only in lengths of dress, for danceability and types of fabric which mean less care and greater choice. Otherwise it has been traditional.

Perhaps these fads are appearing because the leadership is not conscious enough of the importance of promoting proper costuming. In order for a caller to cover all the dance material he wants to give his class members in a given number of class periods, he may be neglecting the extra little things which do take time but which are so very important to any new dancer in order for him to become a dedicated, considerate, understanding square dancer who stays in the movement for years. Costuming is one of these little things which must be covered. Don't let them say "No one ever told me!"

Thanks to SIO-Square Dancing Magazine

ODDS and ENDS \* Irene McKown

Now that Labor Day is over and we've got the "Knotheads" back home "safe and sound", wasn't it fun? Get's better 'n better each year. It's always great for the "first timers" and the "old goers" always look forward to meeting their friends from year to year. If you are not a "Knothead", you are missing a lotta "good fellowship" and fun. Be sure and make it next year.

It's time now to settle down and all get back into our club dancing; rounding up new members and also starting new classes for beginners - squares and rounds. More and more people are finding out how much FUN square and round dancing is. It's good for you and you meet the nicest people.

Good ole faithful Skeeter and Helen come rain or shine, or "car breaking down". Which is what happened when he was well on his way here and had to call back home to Tampa and have a car sent out to him. He made it just in time to call for the Kriss Kross Squares, but in his haste to get here he left the WEST COAST Magazines in his car. Jack & Maureen promised to bring them so we still had time to read them. Better to have our caller, eh?

Y'all come and dance with all our clubs down this way. It's Monday night at Cape Coral with Christopher; Tuesday night Cape Coral & Hacking calling. Thursday Seven Lakes, Kriss Kross Squares with Skeeter, Jabbusch, Chapman and Danny Robinson. Friday, Lehigh Auditorium and Livingston, Saturday at South Rec. with Sauls, and at Naples Avalon School with guest callers. Rounds with Lee and Earle Kastner at the clubs and Sunday nights at Bonita Springs.

Come on you visitors and all. You can dance every night somewhere in the Southwest Coast area. For information call days ph: 334-0344.

See you at Disney World on the 22nd of Sept.

**PS:** Kriss Kross Squares will have a beginners class starting Oct. 18th at six o'clock at Seven Lakes with Harold Sauls as caller and teacher. Come and bring another couple! Let's do more and more dancing.
