OCTOBER

GET READY FOR THE BIG BALL
OCTOBER 20-27

THE WEST COAST DANCER

Published monthly by the West Coast Square and Round Dance Association and printed in cooperation with the City of Tampa Recreation Dept.

MAGAZINE DEADLINE is the 10th (tenth) of each month. This has not been rigidly adhered to before this time - but our new editor works out 4 days a week, has 3 children and a husband to take care of. She must have cooperation in getting your news to her before the deadline. If the 10th falls on a Sat., we have been holding off until the mail came the following Monday. This is two days that she loses in getting the magazine typed. In turn, the magazine is late getting out - as it is this month. From this point on, the magazine will be put to bed on the 10th. If your news comes in after that date, it simply will not get printed that month.. We know that you can understand her situation and will cooperate by sending your news on the 5th (fifth) of each month..

PRESIDENT'S MESSAGE

This is our last message as President of the West Coast Square & Round Dance Association, So we want to give a tremendous thanks to our officers, callers and cuers, FFF Committee, editors and helpers, magazine folders, county vice presidents, club representatives, dancers and everyone that has helped to make our years as officers not only enjoyable, but successful. With the combined effort of all of us our Association grows in number, and God willing, in October our first week end dance will be a success. Our magazine is more in demand then ever.

So in closing, let us say--IT'S BEEN A BALL!!- thank you and now let's dance.

Jöhn & Minnie Zellner

1977 MEMBERSHIP RENEWALS

The first of October is the official date for the start of 1977 renewal in the West Coast Association. Although we have well over 950 members in good standing for 1976 ther are 415 persons who were members in 1975 who did not renew in 1976. We would like to have those people back on our current roll. Our file also shows that 433 dancers who were members before 1975 have not renewed. We feel that this situation is due to a large degree to a lapse of memory or to a lack of diligence on our part and not to a lack of interest in Square Dancing. To those of you who have neglected to renew, you can become current by simply renewing for 1977. Please do not put off this important contribution to the Square Dance Movement.

FRON THE DESK OF THE EDITORS

This year at Knothead Konvention, a few of the dancers chose to ignore the 1ST rule of Square and Round Dance etiquette: WEAR PROPER SQUARE DANCE APPAREL AT ALL FUNCTIONS, INCLUDING WORKSHOP. At the workshop Saturday afternoon, the tv cameras were taking pictures, and but for the intervention of a dancer, they would have shown the square in which there were ladies in short shorts-this representing Western Square Dancing!! Some ladies even had on halter tops, which have their place, but a square dance floor isn't it!! At the after-Parties, wear what you will, but while on a square dance floor, wear proper square dance clothes, please. Present a good picture to the public.

GOOD NEWS!! Carolyn & Harold Mercer have taken over the magazine for the West Coast Magazine, so please address all future mail to them: 8828 Byron Drive, Tampa, Fla. 33615. Please help them by mailing you news on time, making your message clear and limiting your news to 75 words or less. We enjoy reading the news & hate to not recognize all the people who do special things in your club work, but we have to keep this magazine down and this is the place where the ax usually falls. Right now, we are trying to give you a little of everything and keep it within the allowed space, so please understand and cooperate with the new editors. A special thanks to Irene McKowan for her words of encouragement, etc. I shall be around to help the Mercers when they need me, but it's nice to have younger people involved-they have so much more enthusiasm & good ideas. See you at the FFF.

FALL FUN FEST

Come join us for a week-end of FUN!! You still have time to register for the FALL FUN FEST!!! IF you hurry! But if you aren't pre-registered make plans to join us anyway as we will be selling tickets at the door. There is room for everyone!!

This is the first week-end dance sponsored by the West Coast Association so lets make it a great one. Ken Bower from Calif. will be the caller , who is one of the top callers in the country. We also have some of the best callers in the area for the after party dance. They are: Jack Harris, Jim Baker & Chuck Kessler. We Also have the great Marty Martin and Charles Lovelace calling the rounds. The Lakeland Civic Center is beautiful and there won't be any obercrowding since it is so big. All profits from this dance will go to the West Coast Dancer and hopefully will take care of magazine expenses for a year. The committee has worked so hard to give us a great week-end let's all go and show them how much we appreciate it. We can have fun and support our great magazine!!!!

Send for reservationsto; Fall Fun Fest 5372 58th Ave. St.
St. Pete Fla. 33709

\$10.00 for Members \$12.00 for non-members

The 24th Florida State Square and Round Dancers Convention will be held May 27,28 & 29, 1977 atthe Lakeland Civic Center. The callers will be Lee Kopman of New York & Chris Vear, who hails from Germany, but now is residing in the US. To cap this, they have selected Charlie & Marge Carter from Ohio to lead the rounds. Many flyers are out on this festival and if you hurry, you can get the Hotel of your choice(the rates are in the flyers). Make life easier for the registration chairman by registering early.

The NorthEast Square and Round Dancing Association each year holds a week-end festival, bringing in two of the nations top callers, along with the nations' best round dance leaders. This is always an outstanding affair held at the Jackson Aud. Those who've attended each year will verify the caliber of this affair. This year they will have Vaughn Parrish from Aurora, Colorada and Jon Jones from Texas calling and the well-known Easterdays on rounds. Sunday afternoon Vaughn & Jean Parrish will give a free styling clinic for those who wish to stay. This weekend will be the 12th and 13th of November,1976.

UNIQUE BANNER STEALING RULES

as printed in the Sets'n Order
Hear Ye! If you came to steal our banner:

O travelin band of thieves, ye must number four or more-

One sat is quite sufficient to lift it off our floor.

Ye better stake your claim as early as ye can-

Some other band of thieves may also have a plan.

Now pleadin' and connivin' will not promote your cause,

Ye better sign the guest book, stake your claim & pray not change our laws.

If ye cannot steal our banner in a "legal" sort of way,

Better change your thievin' habits and come back another day.

If perchance your banner has been lifted by "Oxford educated" thieves,

We know your visit is twofold-you want to steal your banner back, while you also have a "ball",

But surely you don't plan to cheat a mite and make a double haul?

Ye can't expect to steal our banner while yours is on the wall!
We truly like your company (thievin' as you are)

So get your dancin' floor in order for surely you will find

A friendly band of renegades a standin' in your line.

"CLIQUE'S"

printed in Marex Calendar

Rumor has it that our club is run by a CLIQUE. Careful investigation shows that this is true. Furthermore, you will find that the Clique is composed of faithful members who are present at almost every dance, who do all the work, who give willingly of their time, energies, and efforts and who sincerely believe that the more one puts into his affiliation with the organization, the more he will get out of it.

There is no question that the enthusiasm, responsibility and efforts of those members are of inestimable value to the membership and the organization. And it is suggested, therefore, that you can join this clique. It is very easy. Begin by attending dances regularly; take a lively interest in its activities, accept responsibilities in its floor work and on its committees. Show a continual interest in all affairs pertaining to your club's activities. Before you realize it you will become a member of the clique, and you would be surprised to know how anxious they are to have you.

DON'T CRITICIZE THE CLIQUE-JOIN IT!!!!

The chairmen & co-chairmen of the FFF (Fall Fun Fest) want to take this left over space and opportunity to express our gratitude to all the great people who supported our festival and especially to the volunteer workers who offered their services wherever needed! There is still time when you read this to offer your 1/2 hour to one of the committee members (Art Fuxan or Minnie Zellner) or to any of our callers or officers. Please do so, if you feel you can take out the 1/2 hr. Remember, this is our dance - the dance of all the West Coast Dancers!! Thanks again and we look forward to a most successful dance this year. With your help and support, this will be - and we will have an equally outstanding festival next year.

Al & Isabelle Ratliff

We have note that the Bayside Twirlers of Ft. Myers will resume their dances in October. We do not have a date, so please contact Dorothy Butzlaff (Larry, caller). They will be dancing at the Bayside Estates.
