## **2011 - 2012 WCSRDA** **PRESIDENT'S MESSAGE**

My year as West Coast president is coming to an end as I move on to other square dance related projects. I would like to extend my sincere thanks to the Baxters, Akesons, and Scotts for working with me during my recent two year term. They are all fairly new dancers (compared to just about everyone else who attends the Folding Meetings!), but they have become invaluable additions to the West Coast Association. The new officers will be introduced at the President's Ball at Strawberry Square in Plant City on Sunday, September 9th. I will continue to support the West Coast Association in any way that I can, but especially by attending the Folding/Business Meetings and the membership dances.

The DANCERgram will continue for as long as I am able to produce it. This newsletter is something I write and is not connected to the West Coast Association in any way other than to support their activities.

As you know I have been the parliamentarian for the Florida Federation for the past year. In October, I will be moving up to the treasurer's position. Becoming a part of the Federation Board is a five year commitment; progressing up each chair to ultimately be president.

And as you also know my daughter, Jenny, and I are co-chairs for the 2014 Florida State Convention. This is the first time that Jenny and I have chaired this convention so it is a learning experience for both of us. But don't worry, I am documenting everything so it will be real easy for the 2015 chairman to take over! We both have served on several convention committees, but now we get to delegate. If only I can learn how to do that!

The 2014 convention will be the 60th anniversary of Florida State Square and Round Dance Conventions. This is very exciting for us as we were fortunate enough to also be at the 50th Florida Convention, and as a member of Buttons & Bows of Lakeland, the oldest continuously operating square and round dance club in the state of Florida, we were also able to attend the 50th and 60th anniversaries of that club.

It seems like square dancing has become a full-time volunteer job! And now I have to squeeze a part-time paying job into this hectic schedule!

I hope to see you in a square somewhere sometime soon!

Penny Green

Immediate Past-President

## 2012 - 2013 WCSRDA PRESIDENT'S MESSAGE

Incoming officers:  
'All that's old is new again'

It's that time of the year again that we elected officers for the 2012-2013 season. Your officers this year for the West Coast Sq. & Rd. Dancers' Association has not changed much. After 2 years of serving as a top notch president Penny Green is stepping off the board. We all want to thank Penny for the good service she has donated and she still does for our wonderful activity. We will be looking forward to going to the 2014 St. Convention that she and her daughter Jenny Green are Chairmen, we know they will be doing a great job on that also.

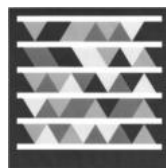

The Board of officers are repeating: Vice President - Lance & Rita Baxter, Treasurer - John & Lynne Scott, Secretary - Larry & Joyce Akeson  
The new/old faces on the board are us. President - Don & Ann Slocum.

We look forward to serving as your president for the fourth time and with the wonderful compliment of the other officers. There are several reasons why we enjoyed our time as president before, besides working with the other officers it was great getting around the Assoc. and visiting as many clubs we could and seeing some places in FL that we may not have been before and dancing around to different Callers and with different dancers. Now they are all like old friends when we see them again. - Really fun!

We have heard that there was some disgruntled talk in the past of having the whole board from Polk County, this wasn't planned that way but came about because no one else would accept or volunteer for the position. We really want some other people from around our Assoc. on this board, to get new and fresh ideas. Please give serious consideration to taking a position in the 2013-2014 season. Also there seemed to be a problem with some folks about where the W.C. Folding/Business meetings are held—there isn't any reason that can't be changed when a suitable place is found. Please come to one or more of our 5 annual meetings and be a contributing member of your Association. Our meetings and our dances can be found listed in your *W.C. Dancer* magazine.

We will be looking forward to all the W.C. Dances (that we try to hold) around the Assoc. and hope to see you there. Don't forget our **Fall Fun Fest, Nov. 9 & 10** in Bartow, it's going to be another great dance week-end with **Jack Lewis & Red Bates on Squares and Charlie & Leona Lovelace on Rounds.**

That's about all for now so—Lets Square UP  
Don & Ann Slocum, President

## ***Florida Association of Single Square and Round Dancers (FASSRD)***

Mark your calendars now for our 33rd Annual PARTY-RAMA DANCE being held this coming October 26th and 27th in Sebring, Florida. Mark it now I say because we are planning one terrific dance which is featuring some super great callers and cuers. This year we are once again having two callers for square dancing fun and have chosen another great cueing duo for round dancing.

Leading things off on Friday will be Joanne and Ken Helton with an hour of round dancing which will include waltzes, rumbas, jives and any other rhythms you might want. They will also be holding a 2 ½ hour teach/class on Saturday morning where you can hone your round dancing skills and maybe learn a new dance or two.

Callers for the week-end are a couple of cuties – Tim Marriner, one of our favorite National Callers, and Jack Lewis, one of our favorite Florida callers. Most of you have already danced to both of these callers at one time or another. BUT having the two of them on the same venue, well – you can just imagine the fun. See our flyer [at [www.dancergram.com](http://www.dancergram.com)], fill it out and mail it in then make your Lodge reservations then rest up a bit as you will not want to miss a single step at our *Party-Rama Dance*.

The Kenilworth Lodge is on the map of Historical Sites in Florida. This Lodge was built by George Sebring, who also founded the city of Sebring, and first opened its doors in 1916. In the main entrance/lobby there is a grand staircase which is the focal point for many a wedding picture. We stay and we dance in the Lodge, no leaving the Lodge, just walk down the hallway to the ballrooms. Each dance hall has a raised wooden floor, so easy to dance on. The Lodge features a free continental breakfast every morning and there are several good eateries close by for lunch and dinners. Reservations can be made by calling 800-423-5939, mention you are a “square dancer” for our special rate.

I should mention that the Kenilworth has a heated swimming pool so bring your bathing suits or if swimming is not your thing they have a billiards room, a ping pong table and a shuffleboard court. But I’m sure with Tim and Jack doing fun workshops you’d much rather dance Saturday afternoon away.

Sew-Em-Up Fashions, from South Carolina, will be here with some really pretty and one-of-a-kind fashions with lots of square dancing accessories and lots of men’s clothing too. Nancy is a joy to talk to and really loves her work. Be sure to venture into the Vendor Room and pickup a new outfit or two.

The demonstration was well received by the veterans and we really enjoyed providing the entertainment for them - God Bless Our Veterans - God Bless America.

Check our listed schedule for phone numbers to call for additional information.    Dick

**TEMPLE TWIRLERS - TAMPA**

Well, considering it's still the "good old summer time, when the living is easy", our club has stayed very busy with dances, demos, and raids. In spite of the heat, rain, and vacations, we have had a full floor for most of our dances this summer. Our last dance on July 23, was a real hit, with the calling of Sam Dunn and Art Springer, and the cueing of Charlie Lovelace. We had seven squares for the evening, and a crowded floor of round dancers. There were four first time visitors, and several clubs visiting. There was plenty of food for our hungry dancers and a good time was had by all.

Because of the Election on August 13, 2012, there will be no theme dance in August since the hall is closed for voting. The other dances during the month of August will be held as usual.

Our next theme dance will be a Hawaiian Night on September 10, 2012. So all you "romantics" are invited to join us for a tropical night of dancing under imaginary stars and full moon on the beautiful islands in the Pacific. With the great decorations of our talented Betty Boone it won't really take too much imagination to feel we're right there. You can also count on lots of real food (not imaginary) to go along with the calling of George Varney and the cueing of Charlie Lovelace.

Our October theme dance will be Cowboys and Indians.....a far cry from our Hawaiian Night. It should be a lot of fun, and plenty of tasty vittles for the hungry "rangers" and "braves". Dan Wilkerson will be calling and Charlie Lovelace cueing.

The last Monday of each month is reserved for the Birthdays and Anniversaries of our members who had a birthday or anniversary during the month. It's just an excuse to have a lot of ice cream and cake, but no one ever complains. Yellow Rocks, Barbara

I began square dancing at the age of five with my mother's handicapable square dance clubs, the Hunterdon Stars and Mercer Arc Angels. Although they learn differently from some of us, they taught me a lot of what I know. Since the groups were formed before I was born, they have been a part of my family since the beginning; raising me as if I was one of their own. Almost every year I join them at the National Square Dance Convention as well as the Handicapable Square Dance Convention where I assist my mother with running the convention. I have been to ten National as well as four Handicapable Conventions. I have been officially a chaperone for our groups for about four years now. Working with these groups has made me a more caring person as well as taught me a lot of responsibility. It has also given me the chance to learn how to teach and assist in square dancing.

As I have grown up around square dancing I have been given chances to learn much more than just the world of dance. It has taught me the science of sound as well as the basics of physics and has also strengthened my knowledge of mathematics. I have become a school of learning as well as taught me to be social and be smart. There are many hidden values in square dancing that not many others can understand. I creates a joyful environment where I feel I can open up and be myself. I never feel as though I need to hide from people judging me. I can just dance and show how much I love it and not care what I look like. This wonderful world has opened up many doors for me and proved to be a love I can never be rid of. I have also had the privilege to travel thanks to my square dance experience. I have gone to many places that most teens my age possibly would never be able to visit. This gift has brought me so many friends from around the country that I am so blessed to have. I have a huge family that spreads throughout the country.

As I look back and see all the things square dancing has taught me as well as made me, it makes me happy to know I have knowledge and an adopted family that nobody else can ever have. It has been a comfort zone as well as a learning zone where I can always be understood. The things I have learned through square dancing are things I will treasure forever and will always remember.
