11. A period of at least 3 club dances should pass before the same club steals that club's banner again.

PRESIDENT'S MESSAGE

On Sunday afternoon, September 9 at North Blvd. Rec. Center there will be a West Coast Association Dance and Business Meeting to elect new officers for the coming year. Each club in the West Coast Association is entitled to send ONE voting delegate, so please won't you each select a voting delegate for your club? ALL members, however, may attend the meeting and we would like to see YOU there. We will dance from 2 to 4 P.M. and meeting will be from 4 to 5. This will be a FREE DANCE for all 1973 paid up members and Chuck Kessler will be calling the squares.

On Saturday, Sept. 29, 1973 we will have a West Coast Association Dance at the Lakeland Civic Center, Lakeland with Don Whitaker from Tulsa, Okla., calling the squares and Marty Martin on the rounds. This will, also, be a FREE DANCE for all PAID-UP 1973 West Coast Association members. ALL others will pay \$3.00 per couple. Our new officers will take over on that night so we'd like a BIG crowd to wish them well.

Since this will be our last "President's Message" we want to express our deep appreciation to all our fellow officers, our County Vice-presidents, to the callers who donated their time and efforts, and to all the members, of the Association. You've all been great and we love you for it. And, last but by no means least, a "H U G E" THANK YOU to Edith Peterson, who has really been doing all the work on this West Coast Dancer Magazine!

Best of luck to the incoming officers. If you help them as you have helped us, we know they will have a good year. Thank you.

Ben and Hazel Hamilton

PRESIDENT'S MESSAGE  
FROM THE EDITOR'S DESK

I have enjoyed helping out in the Editor's "spot" and know that whoever takes over this job will find it interesting. No thanks is necessary when it is something one enjoys doing, but we feel we will be unable to continue doing the magazine as our future plans keeps us on the go - camping, dancing, traveling, etc. So unless someone comes forward and volunteers to take over the editor's desk there will be NO magazine after the October issue. Come on, try YOUR hand at it! Let's keep our magazine going.

Edith Peterson

-----  
ALL PRESIDENTS, OFFICIALS AND MEMBERS OF EVERY CLUB ARE URGED TO BE PRESENT AT THE SEPTEMBER 9th MEETING FOR THE ELECTION OF OFFICERS INTO THE ASSOCIATION AND TO DISCUSS THE FUTURE OF THE MAGAZINE.

We hope you will visit Lakeland's newest place to square and round dance. The SanLan Ranch Campground Recreation Hall. It has the absolute best air-condition ever, set in beautiful pines on a little rise and the curtains are drawn apart to make the hall even more spacious looking than it is.

There is square dancing every Wednesday night and on the 1 & 3 Saturdays. I had a nice talk with the manager and they are very enthusiastic about our favorite pastime, square dancing, and intends to encourage and promote the activity to the extent that their campground will evoke visions of white western shirts and gay colored, swirling skirts as well as, fishing, swimming, hiking and horse back riding. The campground is located about three miles south of Lakeland on Rte. 98. It is a beautiful place to dance.

ROUND DANCE NEWS FOR SEPTEMBER, 1973

LAKELAND ROUNDETTES have been on vacation since the National Convention. Our callers, Byrdie & Marty Martin taught a new dance and were very well received at the Convention. They completed their vacation and visited several states and really had a wonderful time.

We started our first dance on July 19 by having a review of several dances recently taught and Marty gave us our first teach on Bill Bailey and Bright Lights. We held our party night on the 26th and had a good evening of dancing and fellowship. Come join us, we love to have you all.

Vance & Miriam Bateman

PINELLAS PARK, OX BOW-Fred & Emily Leach will start a beginner round dance class at the Ox Bow, 8451 49th St., North, Pinellas Park. SQUARE DANCE NEWS FOR SEPTEMBER, 1973

RAY AREA TWIRLERS would like to welcome Alice & Ray Dupuis as new members. So glad to have them with us. Both our dances in July were well received with Jim Taylor on the 14th and Jack Lasry on the 28th. Jack Harris is back with us now and will be calling the squares on Sept. 8 with Bob Walthers cueing rounds. Our Sept. 22 dance has been cancelled in support of the Square-O-Rama and Walt Disney World Family Fun Night. October 13 Chuck Kessler will be calling the squares for us with Charlie Lovelace on rounds. The Bay Area Twirlers have attended several area dances lately including Zephyrhills and Spinning Wheels, also the Camp-O-Ree. Jack Harris will be starting another beginners class on Sept. 11 at Hunt Center from 8 to 11 P.M. So if you have any friends interested in square dancing, bring or send them over.

Don & Betty Hamilton

BELLEAIR NEWS-John Scher, Don Rand & Hank Schmakol are calling at the Belleair Civic Center for Cliff & Lorainne Hendricks, who are on vacation. Monday & Wednesday evenings & Saturday afternoons, open dancing, rounds and workshop all summer.

Frances Schmakol

BRANDON SQUARES have a Club and Travel Banner thanks to Barbara McCullough, Elaine Christopher, Wilma Warren & Nacy Raulerson. These folks made excellent banners that we are proud of. We also stole banners from 2 clubs last month.

We took 20 couples along with caller Howard Parrish and his Taw to Melbourne Fla. to make Knotheads. We visited the Allamanders Club in Satalite Beach. It was a great dance and they were wonderful hosts. So we now have 40 Knotheads in our club. We really had a ball that night.

Remember we are now on a regular schedule of every second and fourth Friday nights. Jack Harris will be calling. Ya'll come!

Bob Harre

BUTTONS & BOWS of Lakeland have been enjoying the calling of many delightful callers and July was no exception. On the 14th, we had once again George Hinkle of Eau Gallie and what a night to remember. Then on the 29th, Ken Cucore did his usual changing calls. We all had a most wonderful month.

Our callers for September will be Bill Bishop of Jacksonville and for our fourth Saturday dance, we will have a friend of George and Duchess Kurcsz, Sub Weisen of Media, Pennsylvania. One of Pennsylvania's top callers. They are looking forward to introducing him and his lovely wife to all of us.

SQUARE DANCE NEWS FOR SEPTEMBER, 1973

THE IMPERIALS SQUARE DANCE CLUB

of Largo-Vacations, as expected, cut into membership attendance in late July and August. But thanks to the number of guests that attended our dances we were able to keep our usual number of squares on the floor each Tuesday night. Our caller, George Hales has a knack of adjusting his calling to fit the level of the assembled dancers insuring that both the members and the guests enjoy a superb evening of dancing. We thank all those fine people who danced with us and, of course, are pleased to see their pleasant faces again and again. I guess they like George's calling as much as we do. We invite more of you to join us.

We supplied a group of club members plus our caller as entertainment for the AUCTIONEER'S CONVENTION on July 20, held at the Hilton Hotel in St. Pete. The dancers all enjoyed being the floor show that evening. Performing before an audience of over five hundred auctioneers and their families was thrilling for all of us. The Conventioneers were enraptured to the point that after our demonstrations they needed no urging to join in on the "one night stand" George had planned for them. Their response was overwhelming. I feel that many "auctioneers" have since returned to their homes and investigated square dancing in their areas.

Between our regular dances, the Knothead Konvention, visiting other clubs and planning our new class for the fall, the Summer of 1973 has been an enjoyable and "fun thing" for the IMPERIALS.

LAKE SEMINOLE NORTH-I've been dragging my feet and missed the magazine deadline for the last two months, so I'll have to do a brief resume. In June we celebrated the following birthdays and anniversaries: Ida Leath, Ed Collet, Charlie O'Donnell, Margie Amfalden, Wilma Morton, Don Scott, Gene Brodowicz and last, but not least, our caller Art. Some of our Tuesday night gang (with the help of a square of Tampa Spinning Wheels), had Art dodging eggs and cutting a cardboard cake. What fun we had! Those celebrating anniversaries at our June Party were: Ray & Celia Bigler, Louis & Dorothy Bauer, Dick & Vange Veideffer, Roger & Wanda Whiting, Gene & Martha Cutshall & Jack & Edna Trnka. Many happy returns were wished to Bess Cummings, Mildred Collet & Charlie Taber in July and to Clara Kremer, Vera Anderson, George Cummings, Gert Schlogel and Dan Paulson in August. Best wishes were extended to the following on their anniversaries: Joe & Mary Golardi & Joe & Helen Byrne in July; Rea & Al Barnes, Charlie & Inez O'Donnell and Stan & Betty Corb in August. We were so sorry to hear that Louis Bauer had to have an operation. We hope he will be well soon! So glad Bess Cummings is well again.

Our hearts were saddened to hear of Irv Bruel's tragic death. While Art was on vacation in August Jim Baker & Jim Deeter filled in for him. Everyone enjoyed their calling very much. We're looking forward to having Chuck Bryant of San Antonio, Texas call for us on Tuesday, Sept. 11. Everyone was raving about the dance he called here last year. Hope to see you all at the Knothead!

## SQUARE DANCE NEWS FOR SEPTEMBER, 1973

LEFT ALLEMANDERS of St. Petersburg-Boy, our summer has been really fun with our great new friends and wonderful old buddies dancing at our new location. Our dances are not without variety, not every dance starts without sound. It gave us a chance to catch up on visiting while Lois Lamb raced to our rescue with her husband's equipment. It sure was swell of her to come all the way out since she had not planned to do so with Paul out of town.

Our refreshments were scrumptious and plentiful thanks to Mildred Thomas & Jame and Milt Amsrud. We missed Davy Johnson the month he spent at summer camp. Most of the Left Allamanders are home from "great vacations" now but L. T. & Mildred Thomas say they had such a good time they'll go again.

We're looking forward to our Anniversary Dance Sept. 29 with Bob Frye and Walthers helping us create a "happening". We promise all our friends a great time & hope all who can will come out & help us celebrate. We're really sorry that our dance conflicts with some good friends' dance, but the Knothead sort of forces this situation.

DIXIE LOOPERS of Holiday-It's been gratifying that our attendance has held up during these summer months despite the fact that many of our members are vacationing or back home visiting. This is a fine opportunity to thank the many guests and visitors who are helping dance away the quiet months and, in particular, the Lake Tarpon Mobile Village group. We appreciate their continued attendance and enjoy their excellent square dancing. On July 25 we had the pleasure of dancing to Jim Taylor's skillful calling and surprised him with two squares plus at his square dance exhibition at Sunshine Mall. It was a great hour of dancing and to a very receptive audience.

As of this writing we have reservations for the Disney World Adventure to fill two buses with space available for 11 more. There will be parking facilities at the northeast corner of the new K Mart parking area located on south bound U.S. 19 and S.R. 580.

The Executive Board designated Aug. 8 as a make-up dance for due paying members because of the cancellations of our April dances falling in Holy Week. Any members on vacation will be accorded the same privilege. Guess that brings up-to-date! Until next month "Happy Squaring"!

Gen Thornton

SPINNING WHEELS of Tampa-Lots of folks away this past month. Some at Citrus-Land Square-up and the Sunshine State Camp-O-Ree. Heard from the Friedlings. Margaret says they have rushed all summer to get to Alaska and finally made it. They are missed by all of us. Al & Isabelle Ratliff are home and its great seeing them.

For those of us who are home bound there is still lots of good dancing at Grant Park. Come join us.

The Spinning Wheels are looking forward to Aug. 18 for the steak dinner and meeting at Gigi's. The club is picking up the tab. Then on to Joyland for some good Country Music. Why not join our club and come with us?

SQUARE DANCE NEWS FOR SEPTEMBER, 1973

OAKCREST SQUARES of Largo has had open dancing all summer. In June we had a "Lady" guest caller, Margaret Nelson from Toledo, Ohio, visit us and do a "duet" singing call with our caller Hank Schmakel. Her brother Jack May was Hank Schmakel and Taw's teacher and when they graduated joined his club "Watts & Dots" of Toledo, Ohio (where Hank is from).

The Hank Schmakels went to Orlando to Jack Lasry & Danny Robinson's Florida Caller's College June 15 through 18th. There were 24 callers and wives attending. Hank has 18 hours of work and fun on tape. They enjoyed every minute of it.

Hank will be starting a beginners class the last of October. More later. Hank calls his wife "Mother" and when he needs or wants her at the dance he says "Ma-ther" and everyone calls "Mother"!! Her name is really Frances. Well this is it for now - Y'all come - Square dancing is Fun.

"Mother" Schmakel

THE STOMPIN' STUMP JUMPERS-Altho we, as the Bay Areas only teen club, have not started our fall dance schedule yet, we want all of our friends to know we have started our plans for the Second Teen Jamboree. It will be at North Boulevard Rec. Center on Saturday, Nov. 3, 1973. We will have Wayne Brooke and Donnie Miller again as callers. If you missed us last year, don't make the same mistake this year. Mark your calendar NOW! Nov. 3 at "North B".

Melissa Petrauskas

STRAWBERRY STROLLERS of Plant City-Within a little over a month's time our club has celebrated the Wedding Anniversaries of both our square dance caller and his Taw and also our round dance caller and his Taw. There was a beautiful cake for both occasions. Howard & Evelyn Parrish celebrated their anniversary on June 29th and Byrdie & Marty Martin celebrated their anniversary on July 28th.

On July 4 several of our members attended a Chicken Bar-B-Que Dinner held at the State Farmers Market here in Plant City. After our delicious dinner, which was sponsored by the local Junior Chamber of Commerce, we square and round danced to the calling of Fred Christopher from St. Pete. He brought along several of his friends from Sun City Center and Lakeland who joined us in dancing. An enjoyable and unforgettable 4th of July was celebrated by all who participated in the dancing.

We are sorry to have one of our members on the sick list. It is Melba Chambers and we are looking forward to her return to dancing with us after she recuperates from her stay in the hospital.

Here's a great big WELCOME to new club members-Kurt & Mary Petzold!

Shirley Moore

## SQUARE DANCE NEWS FOR SEPTEMBER, 1973

SUNSHINE STATE CHAPTER 018, NSDCA-What could be better for a July Camp-O-Rec than homemade ice cream? Campers who brought their freezers "whomped up a batch" for the pot luck supper. We had 42 units camping at Ramada Camp Inn (near Weeki-Wachee) the weekend of July 20-22. Gordon Lentz from Penn. called for the workshop and two dances and we had Saturday night rounds by Bob & Ginny Walther. Not even a storm that knocked out electricity in the whole area dampened our enthusiasm - some good campers came forth with auxiliary units to provide power for the caller's equipment and for a little light to see to dance. We welcomed the return of air-conditioning after a couple of hours, though! Door prizes were won by three member couples and two non-member visiting couples. We continue to grow in numbers with three new couples joining - they are Bill & Etchen Hart, Ermin & Adele Kolar and Earl and Gwen Barrows. Welcome!

Next Camp-O-Rec will be at SanLan Ranch Campgrounds at Lakeland with Jack Harris back calling for us. Be there with your ideas and vote on suggested camping every month - we're to consider having business meetings at regularly scheduled camp-o-ree with the alternate months to be informal, using camper campers.

Mary Steele

TOWN & COUNTRY SQUARES-A new group graduated last May that will meet on the first & third Fridays of each month. Our first dance will be Sept. 7 at 7:30. It is to be held at Webb Jr. High School on Hanley Road in North-west Tampa. Jim Taylor, our caller, guarantees a lot of stompin' good music. We will also have a demonstration dance at the Town & Country Shopping Center (Kash & Karry) on Thurs., Sept. 6, at 7 P.M. Let's all help. Everyone welcome. New classes will be starting on Monday nights in September for beginners at 7:30 P.M.

YELL-O-ROCKERS of Zephyrhills are looking forward to some good dances at their air-conditioned hall now that the various big conventions are over. John Saunders will call for their Sept. 28 dance with the Martins cueing rounds, beginning with early rounds at 7:30 P.M. Refreshments will be under the supervision of Cecil and Louise Lucas.

Though we didn't have a dance in August our members have been dancing at various area clubs and learning the new movements and enjoying the callers of other clubs. It is always fun to dance with our friends from these clubs.

Troy & Lisle Harre hosted the August business meeting at their home. Delicious homemade cherry pie and coffee were served by the hosts. Plans were discussed for a benefit dance to be given for the Zephyrhills Quarterback Club later this fall. Watch for details later! Our October Dance will be a Hallowe'en Dance with costumes and prizes. Bob Bennett from Valdosta will do the calling. Plan your prize winning costume now and come join us for some fun and spooky entertainment.

Gee! It's great to be a square dancer! We have more fun than anyone. Where, oh where, did the summer go? July was a great month. Something doing every Thursday at Kriss Kross. Our "White Elephant Sale" and "Box Supper" was a huge success. Cathrine Tarr, Flora Trapp had a table of every lady's "white elephants", and did they sell them! Petticoats, ties, jewelry, aprons, cosmetics - you name it, they had it and sold it! Minnie Goeldner had a table of "Arts and Craftwork" - handmade by her. She, too, sold and donated it to the club. Thanks!

The "Monkey Show" put on by Joe & Flora Trapp was great. But the high spot of the evening was a dance routine put on by Lee & Earle's round dancers. Emily & Henry Wright, Treava & Ben Pahuski, Vi & Charlie Wettig, Al & Allie Bowden, Catherine Tarr & John Slavek, were they every great! It was like seeing a show on "Ole Broadway" and did they get a hand - nothing could be finer. Our decorations and posters were made by the Goeldners and the Wrights, which added so much to the occasion. Otto, you & Henry are great artists. We knew Minnie had many talents. And did Danny ever put on a "show of his own", had everyone in stitches until someone woke him up. All 'n all it was a night of fun (and much work by all). I would like to THANK all of you who came. You had a great part in making our Jamboree a success. Thanks again to one and all!

Buzz! Buzz! Everyone's all excited over the Disney World Fun Night. Joe Trapp is working like mad making reservations for everyone. We are all so excited and can hardly wait. That will be Saturday, Sept. 22. There will be no tickets sold at Disney World, so you gotta "thank" Joe now. He's the one that will get you there.

It's good to have everyone coming back from vacations, school starting, and everything. A beginners class will be starting at Seven Lakes, Oct. 18 at 6 P.M. with Harold Sauls teaching. Sponsored by Kriss Kross Club.

Lee & Earle Kastner will also be starting a round dance class soon. It will also be at Seven Lakes. Watch for the date!

Wow! Did Skeeter ever call a good dance! He was a lotta fun! Welcome back Maureen & Jack. We missed you. Did Jack do some calling while you were on vacation?

I hear that Christopher has been bringing a lotta dancers over at Cape Coral to make the Knotheads. Plans are to be the best Konvention yet.

Jack & Grace Livingston are having their Fri. night dances at the Community Hall in Lehigh Acres during Aug., but will be back at the Lehigh Aud. in Sept. The crowds have been great. Lee & Earle have rds. on Fri. afternoon.

I want to thank all the good people who work so hard for the West Coast Dancer and I am glad to hear that President Ben Hamilton is better.

NEWS RELEASE #1 from the 23rd NATIONAL SQUARE DANCE CONVENTION

"DO SA DO BY THE ALAMO" is the invitation extended to square dancers from all over the world as Texans make preparations to host the 23rd National Square Dance Convention in San Antonio, June 27, 28 & 29th, 1974. The Convention site is located on the grounds of the 1968 HemisFair which lies in the downtown area within easy walking distance to the many attractions for sightseeing and entertainment. Providing a link between the past and the present, the San Antonio River meanders through the very heart of the city. Along its centuries-old banks may be found a wide variety of shops and restaurants, picturesquely contrasting quaint village architecture with modern high-rise buildings and giant hotels that line the broad flagstone walkways. By day or night, San Antonio has a wealth of things to see and do. Visitors of every age will be delighted. The historical and cultural features which make San Antonio so worthwhile to see have resulted in its being selected as an official Bicentennial city. You may have a chance to get a preview of the city since it will be featured in a film, "We Hold These Truths To Be Self Evident", due to be released for TV this fall. Y'ALL COME!

The Convention Center facilities are outstanding - with almost 200,000 square feet of 100% air-conditioned space, nine huge rooms for dancing (all under one roof), many rooms perfect for panels, seminars, etc. A luxurious 2,800 seat theater for style shows. The stage is set for one of the greatest Nationals ever held. An outstanding program is being arranged with the cream of the crop of callers from all over the country.

Many new dancers ask: "What is a National?" A National is where you do your own thing: With the variety of activities available - from challenge to relaxed dancing, panels on topics varying from how to attract new dancers to tips on sewing, and including fascinating exhibitions of dancing. You can truly choose what interest you most.

"From Deep in the Heart of Texas  
Down San Antonio way  
Here's the hearty invitation  
That we happily relay.

To our many friends from far away,  
we send a "Hi You All"  
Y'All come to the National Convention here

Please add your name to the registration  
Then DoSaDo by the Alamo with us in Seventy-Four.  
The World's Greatest Square Dance Event!!

Thirty-one hotels & motels are being readied and an unlimited number of camping spaces for the square dance campers. All campers will be located at the Joe Freeman Coliseum with free bus transportation to the convention center.

## ODDS 'n ENDS

With so many new square dancers joining clubs in our area, perhaps the following will clear up some questions on banner stealing.

BANNER STEALING RULES

1. In order to steal OR retrieve a club banner, the visiting club must attend your club dance with at least one full square representing their club.
2. In cases where two or more clubs come to steal the banner, the first having a full square present will take the banner. In cases, of a tie, the host club will select, by lot, the club to which the banner will be awarded. To qualify, one full square from each club participating must be present for both the first and last tips of the evening.
3. Banners are not to be reserved for any visiting club.
4. Clubs may not call ahead to find out if banner is available.
5. All clubs should have but one banner to steal.
6. In cases where a club travels a distance of 50 miles or more one way to steal a banner and the banner is stolen by a local club, the traveling club may be given a secondary banner and only in this case should a club have more than one banner out. Mileage to be measured from the visiting club's regular dance location to the host club's dance location by the most direct route.
7. A secondary banner would be considered as a traveling banner which could be taken only by a traveling club referred to in Rule #6.
8. A couple who belongs to two or more clubs cannot represent one club and steal from another club to which they belong. The badge of the club he intends to represent should be worn.
9. A club can steal a banner or retrieve a banner on a visit to a club, but not both at the same time. It takes a visit to steal and a visit to retrieve.
10. The object of banner stealing is to promote friendly visits between clubs. Do not over patronize a select few - spread your club around. If you are going to be a thief, be a good one, abide by the rules and make a practice of retrieving your own banner before stealing someone elses.
