President's

Newsletter

I know that the 1982 Square Dance Convention is passed, tis old news, but let us enjoy our last moment of glory, for this is the last chance and about the only time to thank all the people that helped make this State Convention one of the best. The W.C.A. should be proud of its efforts with Hugh and Jean Fultz, chairpersons who sparked the Star Tru in 82. Thanks to anyone who had any occasion to promote this event, the over 4,000 dancers who danced, the over 500 spectators who came and watched and maybe will become our new dancers. To those who supported the vendors and to those who just wandered around, let this be your own personal contribution to square dancing. After the convention, we took off, as they used to say, to get a way from the pressures of the job, but no further north than the Carolinas. We, of course, danced a few places and at one dance, near Charlotte, it was their 7th anniversary, there were 16 different clubs represented, it shows that square dancing is really growing in that area. Heading home from Charlotte. N.C we zigzagged to Chattanooga, this is really a trip that "You can't there from here" kind of route. However we danced at Allemande Hall, a wonderful place built by square dancers for square dancers. I recommend that if you are any where near, try and visit Allemande Hall, not necessarily to dance but have the distaff side of the family visit the ladies room, what I hear from my informant, tis quite a layout, of course try and dance there, they are very friendly and was well worth the trip. Now I have a mini confession, we always talk up about the Blood Bank, how easy it is to give blood, the good feeling that one receives, not just physically but mentally, so about a month ago I decided to make my little donation, so I can get in line with these gallon or more donors. It was quite a shock, they would not accept my offering, claimed that I did not have enough to spare, most demoralizing. At least the effort was not entirely wasted. I now have an answer to those potential donors who would like to give a part of themselves but not sure if it would be accepted. I know now they will not accept your gift unless you can well spare it. Our next big festival will be the West Coast Assoc Fall Fun Fest in Oct 15th and 16th. A little different setup, slanted for the new dancer and the more experienced. We hope that all dancers will support this and other festivals for this does indeed boost the square dancing in all areas. Till next time we will see you around in the square.

Cris and Trudie Nissen.

DANCEMLERS

Well this was a short summer and I hope everyone had a pleasant time. In June we had 23 families in attendance for assembling our publication. Our appreciation goes to these dedicated people for their help. Just so there will be no confusion on assembling the magazine, there will be no change in policy in assembling the magazine at North Blvd Rec Center, so I as the new editor thank you in advance for your cooperation.

FALL FUN FEST

- A Dance of Distinction -

The 1982 Fall Fun Fest will bring to you a festival designed for a Smooth Plus Dance. It was designed to use the entire main Hall for plus dancing, Friday and Saturday evenings. Please review the Registration Program form enclosed in this issue.

The two excellent callers (Ed Foote and Art Springer) will lead you through the beauty and enjoyment of a smooth Plus dance. Oh yes, we did not forget the Advance dancer or those who enjoy round dancing.

Marrianna and Bill Copeland with Frank Dubois and Joyce Stewart will present a great program for your round dancing pleasure.

This Fall Fun Fest for the first time will recognize the needs of the dancers who cannot dance the entire week-end by having a reduced split fee for a portion of the week-end.

As West Coast Square and Round Dance Association members your support is greatly appreciated by the Fall Fun Fest committee and your Association officers. The benefits of a successful festival are yours to enjoy through a strong Dancers Association. The West Coast Dancer is the best dancer magazine in the State of Florida and one that you can be proud of. A great part of the funding for this magazine is derived from the proceeds of the Fall Fun Fest.

Come join us for a full "FUN" packed week-end. Please register with us at any of the three motels listed on the registration form.

Bring your friends and fellow club members and "Register Early".

Sincerely, Murl and Sally Herbert - Chairmen

P.S. All clubs will be recognized who carry their Club Banner during the Grand March.

SQUARE DANCE WEEK

LEGACY reminds us that September 20-26 is National Square Dance week. They suggest that all dancers, clubs and Associations participate in this concerted effort to promote square dancing as a healthful, fulfilled recreation for all ages.

Exhibitions at malls, community events, fairs and service organizations are some of the places to start. Be sure to emphasize the fact that it is Square Dance Week across the country.

Begin now! Observe and celebrate the dates! It is a great way to tell our story.

The following is a recipe from Lillian Albert of Lakeland.

SIMPLY DELICIOUS

- 1 8oz. package cream cheese softened
- 2 cups sour cream
- 4 tsp. lemon juice
- 2 pkg. (5/8 oz. size) Italian Salad dressing mix (Good Seasons)
- 2 cans (4 1/2 oz. each) chopped shrimp

Blend cream cheese with other ingredients. Chill at least two (2) hours or longer if possible. Flavor will blend better.

BLOOD BANK

Neither work, nor vacations, nor weather has stopped our donors visits to the blood banks to give blood.

RICHARD ANDERSON, Vice-President of "Flamingo Squares," has donated TWO GALLONS to The Bank. Rich has been giving blood every two months and alternates his contributions between his employer's blood bank and the WCA Blood Bank.

DELBERT MILLER, President of "Brandon Squares" and ALFRED SWANN, "Spinning Wheels," have been regular donors for some time and each has received his ONE GALLON badge dangle this summer.

Last month, TRAVIS HOOVER, Past President of "Spinning Wheels," transferred five more units to add to his ONE GALLON plus donations to The Bank.

The Honor Roll, which lists all West Coast Association donors, has been a part of the Florida Showcase display at the past National Conventions in Oklahoma City, Memphis and Detroit.

EDITOR'S NOTE

Well I'm it, the New Editor. I just sifted thru the material I received and we're off. Let's start by thanking the folks who bestowed this honor on me, plus my staff who are at work this minute plus in advance those who come to North Blvd to help assemble the magazine.

I received an article already typed 8 inches wide and only 5 lines. If any of you who send in the news articles would like to try this do so. Now to further support this publication be sure you have joined the West Coast Square and Round Dance Assn. it's a good deal as we try to hold free dances in all areas, so joining and a free dance is a good deal plus you get a discount to the Fall Fun Fest which promises to be exciting with Ed Foot, Art Springer, Copelands Dubois and Chuck Leamon.

Well enough of this, help me if you can, join if possible and I'll see you cross the square.
Jack Pierson - Editor

WHAT IS A BEGINNER?

Beginner square dancers come in assorted sizes and varying ages. One could be a portly grandfather and another the skinny kid next door. Most of the males are handsome and all the females are pretty. Some beginners take up square dancing to stop being pestered by their friends, even though they know it isn't for them. However, they are good enough sports to admit they were wrong!

A beginner still thinks his caller is wonderful, never objects to taking his turn at kitchen duty, considers a visit to another club an outstanding event and finds an evening of square dancing a bargain for the price of admission.

If the square breaks down a beginner will often apologise rather than tell the other seven people where they went wrong. Most beginners confess that they have one disability - two left feet. Oddly enough, they do not seem to notice that this is offset by their two right hands! Both handicaps disappear around the twelfth lesson.

Beginners are a hardy species rarely needing a rest and only sitting down at regular breaks unless there are not enough couples to form even squares. A beginner can listen to the Colonel Bogey March and never think of a Grand Colonel Spin.

A beginner is old-fashioned. He thinks he should attend class as regularly as possible, arrive on time and stop talking when a caller is explaining something.

A beginner has the enthusiasm of a press agent, the dedication of the pony express, the spontaneity of a surprise party and the eagerness of a puppy. A beginner was no doubt the original inspiration for the expression-
"Square Dancers Are Nice People!"

FRIENDSHIP SQUARES OF CLEARWATER BEACH: After many years of calling and working with Square Dancing, Hank & Frances Schmakel have a club that will let them give more time and allow more people to enjoy the Art of Friendship thru Square Dancing. HELPFUL HINTS FOR CLUBS

- Plan each event **CAREFULLY** -- well in advance. Be sure it is a success.
 - Always be sure dances are good and that people leave happy.
 - Have greeting committee at all functions.
- Publicize all activities **EXTENSIVELY** -- tell everyone 3 times in 3 different ways.
 - Newspapers
 - Special written invitations to clubs
 - Use radio and TV for announcements
 - Print fliers, cards or use posters
 - Make announcements whenever and wherever dancers are gathered.
- Give **EVERY** member a job - at least twice a year - oftener, if possible.
- Use a different committee for dance. Here are some suggestions:
 - Plan the dance theme as to decorations, etc.
 - Select a guest caller, or several. Let dancers hear other callers.
 - Plan a unique Grand March.
 - Serve as host couples. Help guests find partners, if necessary.
(1) Don't let guests sit out--Dance with them.
 - Call the members before the dance or send cards.
 - Provide light refreshments.
- Have good, well-planned mixers - not just common circles. Surprise the dancers.
