Selection of a New Florida Federation Dress

During the recent Florida Federation "Working Weekend" a committee met to begin the selection process for a New Florida Federation Dress. The majority agreed that the Dress which was worn during the promotion of the National Square Dance Convention in '97 had been a classic. However; the embroidered border on a Teal polyester/cotton is no longer available. In fact the firm which manufactured this fabric is no longer in business. The Committee developed a Criteria which will be used to arrive at a final selection to be made during the Federation meeting scheduled for November 10, 2002.

This dress will then be adopted during the Florida State Convention to be held in May of 2003.

The goal of the committee is to select an outfit that is acceptable to the majority of Florida dancers.

Therefore; we invite you, the Florida dancers, to offer any comments or suggestions for review at our next meeting during the 2002 Florida State Convention. Please mail any comments or suggestions to:

Sue Brown - 3812 Old Salem Rd. - Lakeland, Florida 33811
Or E-mail - brownuse@aol.com

If you wish to submit a design for consideration, please notify the above and arrangements will be made to include your sample for final decision.

CRITERIA for SELECTION:

Availability (which will include)

Pattern, Fabric; Accessories (Men's pants, Ladies petticoats and petti pants, Men's & Ladies shoes and Men's belt and tie)

Simplicity of Construction

Flattering-

Consideration should be given to the wide range of figures, coloration & maturity

Comfort; Wear ability; Care; and Timeliness

Reflective of Florida (This point was further defined to include a choice which would be colorful, unique, and one which would stand out in a crowd.)

The Style and Design of the dress to include alternatives for a short, Square and Round Dance version and a long or Prairie version. The pattern should be adaptable to both a dress or skirt and blouse with little difference to be obvious in the overall appearance.

The observations below will be considered in the final choice as well.

From the LADIES POINT OF VIEW:

The colors which are least favored include; 1. Yellow, 2. Orange, and 3. Red in that order.

Shoe preference; 1. White and 2. Black

Petticoats and Pettipants preference; 1. White and 2. Black

The last two points reflect the views of newer dancers who have not yet accumulated a wide variety of these items.

From the MEN'S POINT OF VIEW:

The colors which are least favored include; 1. Pink, and 2. Purple. A negative view of White pants seemed to be noted as well.

Shoe preference; 1. Black

Belt preference; 1. Black and 2. White

A THOUGHT "GOOD MORNING"

Though the day is dark and gloomy, And you're on the downward trend,
Put a twinkle in your eye, And say "good morning" to a friend.

When the clouds are hanging heavy, In the sky and in your heart,
Say "good morning" to somebody - Give their day a brighter start.

Soon you'll find yourself a-smilin',

When you never thought you could,
And your friends will see the sunshine, when they never thought they would.

There is sunshine deep inside you, If you only let it through,
It will shine out like a halo, You'll be happy if you do.

Don't let the weatherman predict you, Like the weather that he sends -
Put a twinkle in your eye, And say "good morning" to your friends!!
