The "PREZ SEZ":

WHAT is your Association & what are its benefits? The S.E.FLA. Square & Round Dance Association is comprised of dancers from Key West to Stuart who are interested in enjoying and promoting square & round dancing. The Association meets once a month and time and places are noted on the front page of the area publication. These meetings allow you to meet dancers from other clubs which could lead to lasting friendships. The Association is your sounding board and voice in our area, because it works with the local clubs and S.E.FLA. Callers Association. As a member of the Association you and your family are eligible to join the blood bank. Your Association sponsors special events such as picnics, trips to Key West, S.O.S. Festival and other exciting functions. It also gives you representation at State & National levels. If you would like to join us in our goals, come to one of our monthly clinics.
