### The 8th square:

*As I Bow to my partner, I whisper soft and say,  
Eight years ago we Wed, And I love you more today.  
I Allemande my corner, and as we are turning through,  
The only thing I'm thinking of, Is getting back to you.  
We begin to Weave the Ring, And no one else can see,  
I am looking across the square, And you are gazing back at me.  
Then as we approach one another, The caller cries out Swing,  
I take you into Dance Position, And our hearts begin to sing.  
Standing side by side, We Promenade for Home,  
Knowing that the other, Shall never be alone.  
For I feel that these Eight years, Are just stepping stones in life,  
I know it in my Heart and Soul, You will always be my Wife.  
I could go on and on and on forever, If I had the chance,  
But have to stop for now,  
It's Our Turn To Dance!*

With all of My Love for Eight Wonderful Years

Kevin

## Press Release

52<sup>nd</sup> NATIONAL SQUARE DANCE CONVENTION  
OKLAHOMA CITY, OKLAHOMA  
JUNE 25, 26, 27, 28, 2003

"THE HEARTLAND IS THE PLACE TO BE IN 2003"

### SEWING CLINIC(S) AT THE 52<sup>ND</sup>

Are you looking for some new ideas to go with the newest fabrics? Are you tired of the same ole same stuff? Well, get with it -- attend the sewing clinics -- be handsomely rewarded with tips on better sewing, along with some suggestions for new looks for your favorite square dance patterns. One person on the committee has received a number of old sleeve patterns -- perhaps some of them can contribute to a revival of certain styles from the past.

There will be several sessions on practical use of a serger in combination with your sewing machine, conducted by a person who sews for square dancers, who is NOT a sewing machine company salesperson (she won't be trying to sell you anything).

Look and listen for tips on how to come up with your own color and embellishment combinations for a new look, for both men and women.

We can hardly wait -- you'd better not miss it!!

### WHAT KIND OF FLOORS? ROUND DANCERS WANT TO KNOW!

0 joy, 0 zippety-doo-dah!!! Do we have good news for you! We are working hard for you to have NON-CONCRETE surfaces on which to dance in every r/d hall. This is not a promise, but we think it is an attainable goal. Wood parquet floors will be in some halls and there is a new plasticized floor-covering product we expect to be using. Look, Ma! No holes in the soles of my dancing shoes!!

Should have more news on this -- next time.

## HELP HELP HELP

The Central Florida Association is asking for your help with the 2004 50<sup>th</sup> State Convention that we are hosting. We are trying to collect ribbons and buttons, or whatever was used as entrance passes, from all the past Florida State Conventions. If you have any you would **LEND** us it would be greatly appreciated. I say **LEND** because all items will be returned. I know these ribbons mean a lot to you as collector items for all the past convention you have attended. Or if you have any other memorabilia pertinent to a particular State convention, it would be welcome, also. All items submitted will be returned to its rightful owner within a week of the closing of the convention. Please contact me before you send anything so we do not receive duplicates. I have a list of the items collected already, I need you to fill in the gaps. We are especially interested in the very early years.

Thank you.

### The Bellamy Brothers

Popular the world over the Bellamy Brothers are the most nominated duo in the history of Country Music. "We've never toured with smoke and mirrors," Howard explains, "We'd rather let the music speak than the smoke. We've gone with the idea that we're going to have fun and the audience is, too. So, we've always been known as a live act. They have released over 28 albums, which has garnered them over thirteen #1 singles, 30 top 10 hits, and 52 chart singles. Just to name a few of their hits: "Let Your Love Flow", "Do You Love As Good As You Look", "For All The Wrong Reasons", "If I Said You Had A Beautiful Body".
