From the Editor

There will be many callers and cuers in town (Lakeland/Plant City) the weekend of the 18th as the Florida Callers Association will be having their Annual Clinic in Lakeland and their Clinic Dance at Strawberry Square on Saturday night, and the Florida Round Dance Council will be having their Fall Weekend of Rounds at the Stardust Center in Plant City.

The Callers Clinic is for all callers (experienced and new) wanting to improve

their skills. The dance on Saturday night is open to everyone, not just the callers. If you are in to collecting dangles, here's your chance to earn the Purple Heart dangle! There will be plenty of opportunity at this dance to dance with three callers in your square (which is how you earn the Purple Heart dangle)! This is just a regular dance of squares and rounds; West Coast, let's show the Callers our support of their organization!

The Fall Weekend of Rounds is open to all cuers and round dancers who dance the Phase 3 and 4 levels. Richard Lamberty will be conducting workshops during the day and there will be a dance in the evening.

Our first West Coast Membership Dance of the 2008/2009 season is this Sunday, the 19th, at Sun City Center (the home of the Sun City Swingers). Please show your support of this membership dance with your attendance.

The members of the Sun City Swingers are excited about you visiting their hall and look forward to hosting this dance and providing refreshments for your enjoyment. For the first time at a West Coast Membership Dance and for this dance only, there will be a separate hall for advanced dancing.

The 2009 membership bars are now available if you need to renew your membership or if you would like to join the Association.

I attended the 40th Anniversary Celebration of the Sun City Swingers Friday, the 10th. There is a complete article, with pictures, further down in this issue.

Many thanks to President Gail Bouverat for her special recognition of me as editor of the DANCERgram.

Health Updates

John Saunders – caller on the east coast of Florida – broke his leg and now also has an infection. He stood for two hours watching a soccer game and when he turned to start walking, he broke his leg. He will be unable to conduct the Florida Callers Association Clinic or call the dance that weekend, as he is unable to travel. Please read the article in this issue on the new agenda for Clinic. Should you wish to send John a card, his address is 3303 Travelers Palm Drive, Edgewater, FL 32141; his email address is johnysa@aol.com.

Wes Morris – caller in southeast Florida and president of the Florida Callers Association – under doctor’s care for bulging disks in his lower back and has to stay close to home. He may not be at the Callers’ Clinic either. If you would like to end him a card, his address is 5356 Anchorage Drive, St. James City, FL 33856.

Bruce Morgan – past Florida State Convention Chairman, past Federation Insurance Chairman, and currently adding all Florida square and round dance history

to the Florida Federation website – had serious neck surgery on Wednesday, October 8th. Two vertebrae were removed and replaced with vertebrae from a cadaver. Cards may be sent to 697 Shady Court, Altamonte Springs, FL 32701.

New Agenda for Florida Callers Association Clinic and Dance

As you have already read, John Saunders will be unable to conduct the Clinic and call for the dance that weekend. Your officers have been busy making alternate arrangements so that you will still have a successful weekend.

At this late date, it will be difficult to book another caller to conduct the clinic, so several of your very talented members have agreed to lead discussion forums of various topics of interest to your membership. At various times throughout the day, a particular topic will be discussed and led by a different facilitator. When you arrive for the clinic, you will receive an agenda detailing the times, discussion topics and facilitators.

Since John will also not be able to call for the dance on Saturday night, your officers, Whit Brown, Ellis Lindsey and Gary Murphy

will be calling in his place, and Bob Barnes will be cueing.

Please show your support of this Clinic with your attendance and participation. Your officers have been working hard in a very short time to make this a beneficial learning experience for you

If you have any questions, you may contact your vice presidents, Ellis and Leila Lindsey at lalecl@aol.com or 386-454-2872.

Sun City Swingers Celebrate 40 Years!

Ten or eleven squares joined the 40th anniversary celebration at Sun City Swingers on Friday, October 10th dancing to their club caller Van Coble and guest callers Bob Barnes and George Varney. The round dancers enjoyed twirling to the club cuer Mary Wiowiera and guest cuer Pat Hagen. And of course Cheryl Coble, Shirley Barnes and Lorraine Varney were there making their husbands look good!

Almost all of the West Coast Board also visited in their bright colored West Coast outfits as did past members of Sun City Swingers and almost two squares of Temple Twirlers members to retrieve their banner.

Forty years of history means lots of pictures and memorabilia and that was all on display at the back of the room for everyone to peruse.

The event was video taped and the club presidents, Gail and Ron Bouverat were interviewed for the local Sun City Center channel.

Nine squares on the floor for the first tip.

Our West Coast officers know how to dance too!

2008 Single-Rama

The 29th Annual Single-Rama is fast approaching and if you haven't made your plans to attend, you'll want to do that soon!

This inviting lobby awaits your arrival on Friday afternoon, October 24th. The historic Kenilworth Lodge is like a bed and breakfast with all the amenities of a large hotel.

You can stay in the main lodge, where we also dance and have our after parties, or you can stay in one of the cottages in the back around the pool.

Just like all the other Association weekends, we have a dance on Friday night and Saturday night, a round dance workshop on Saturday morning and a fun dance on Saturday afternoon. Our caller for the weekend is Mike Doughty from West Palm Beach and our cuer is Charlie Lovelace from Dade City.

On Friday and Saturday nights after the square dancing, we go change into casual clothes, get our finger foods and come back to the dance hall to have our after parties.

By the time we get there, our two DJs from Georgia, who happen to also be square dancers and former members of the Georgia Singles, are set up to start taking requests for social dancing and line dancing, and everyone has started “attacking” the snack table!

We usually have around 10 – 12 squares, but I think that makes it easier to get around and meet everyone and also to ensure that everyone gets a chance to dance.

Everyone is welcome – solos (dancers without partners), marrieds, couples, and singles. Split sessions are also available which can be purchased at the door. Dancers come from all over the state so this is a great opportunity for all the singles to meet other singles.

Are you Dancing Uninsured?

Every square dance organization needs General Liability and Accident Medical Expense coverage while conducting and sponsoring dance activities. As closely as safety rules are followed, accidents can and will happen. This insurance program, especially designed for USDA¹ dance groups, provides Accidental Medical insurance which helps protect club members from financial loss due to a covered accidental bodily injury, and Liability insurance, which protects the club and its members and association officials from financial loss due to unforeseen incidents which may develop into litigation against members and dance organizations.

¹ United Square Dancers of America

LIABILITY INSURANCE

Limits of protection:

\$1,000,000 combined single limit of liability for bodily injury and property damage per occurrence (subject to a \$100 property damage deductible per claim) while participating in scheduled and sponsored dancing activities. \$100,000 limit for damage to premises rented to you.

Who is covered: The club and its members while participating in club or organization sponsored and supervised dancing activities. Liability coverage applies in the United States, its territories or possessions, and Canada.

ACCIDENT AND MEDICAL INSURANCE

Limits of coverage: \$10,000 Usual and Customary Accident Medical Expense, including Dental \$10,000, Accidental Death Benefit \$10,000. Accidental Dismemberment Benefit (loss of both hands, both feet, sight of both eyes, or any combination thereof). \$5,000 Accidental Dismemberment Benefit (loss of one hand, one foot, sight of one eye).

Note: Coverage is excess to any other valid and collectible medical insurance covering the same accident. Coverage provided for covered medical expenses incurred within 52 weeks of the accident up to \$10,000 for all eligible expenses as stated in the Policy.

Who is covered: Club members will be insured while participating in any regularly scheduled and sponsored dancing activity world-wide, including group travel (10 or more club members) in a vehicle commercially licensed for transportation of passengers and operated by a person holding a valid operators license for such vehicle, while being transported to or from a covered dancing activity.

What is covered: Accidental bodily injury sustained by an insured person while participating in dancing activities sponsored and supervised by a recognized club or organization.

Period of coverage: The insurance year is January 1 through December 31. Coverage becomes effective for individual clubs under the policy on the day the application and premium for insurance is received by the USDA National Insurance Coordinator. There is no pro-rate provision. This is necessary due to the large administrative expense of maintaining different policy dates.

Square Dancers Insurance Program is endorsed by United Square Dancers of America.

USDA Insurance Coordinator's Notes

For those of you who may be interested in viewing/reading our complete insurance policy (which is very technical) in lieu of getting information from me or our trifold, the complete policy for 2008 is located at our web site www.usda.org/insurance.htm. The 2009 policy will be posted after January 1, 2009 when it becomes effective.

Our enrollment fee for 2009 will be \$4.25 per member. We had the same fee for several years and anticipated that an increase would be necessary. However, we do feel that the insurance is well worth the extra money.

Just a reminder that your clubs must have 100% of their membership enrolled in the program. When new dancers join after the initial enrollment, an enrollment fee must be paid for the new dancer to keep your club in compliance with the 100% participation rule.

If there is an accident at your club, please complete the club accident report in its entirety at the time the accident occurs. If you will complete this form at that time instead of later, it will save trying to remember all the details at a later date. A report should be completed for an injured dancer regardless of the type of injury. You never know when a simple fall can result in a serious problem a few days later.

Interesting Facts:

For the year 2007, we insured 50,492 dancers.

As of September 2, 2008, we have insured 50,633 dancers.

55 organizations belong to USDA – these are our affiliated clubs.

201 clubs who pay a higher enrollment – these are non-affiliated clubs.

A Promotional Idea for New Dancers!

A dancer forwarded this idea he received from Nasser Shukayr. Let me know if anyone tries it and how it works.

A pedometer measures the number of steps a person takes. You can get a cheap one for a dollar, but it's not very sturdy. A fairly decent pedometer costs about \$3 each in quantity.

The idea is to sell square dancing by advertising "FREE PEDOMETER!". (I plan to get with some professional copywriter friends to come up with the exact wording for the ad.) The ads will encourage people to "Take a step toward fun and fitness!". It will urge them to "Smile for a Mile". The ads will tell people they can walk 2 to 3 miles per outing and have a trainload of fun at the same time.

Let's do the math. You charge \$4 or \$5 for a dance, but give first-timers a \$3 free pedometer. Every time this happens, you make \$1 or \$2 profit, plus you have a new customer. What's not to love?

There's more. Keep a logbook with one page per person. Track how many miles each person has danced. As soon as someone reaches 5 miles, they get a sticker for their pedometer. It will be the number "5" in a bright orange circle. It tells everyone "Hey, I'm a 5-miler!". They get a different-colored sticker at 10 miles, 15 miles, etc. I expect each person will earn a new sticker every second or third time they dance.

Perhaps when someone reaches a major milestone, such as 50 miles, they'll get a more substantial prize such as a Double Big Mac, Large Fries and a Chocolate Malt, so they can gain back all the weight they lost. Hee Hee, just kidding. :-) But really, I do expect some (perhaps most) people will be interested only in getting their steps in, charting their progress, getting a new sticker every now and then, and coming back next week. Most people probably won't care if they ever learn how to Load the Boat.

That's why Square Dance ABC is a perfect fit for this. First-timers are always welcome, while repeat customers get a slightly different program each time. (If you have no idea what Square Dance ABC is, check out www.squaredanceabc.com).

Of course someone can still use their pedometer if they enroll in a MS, Plus or even Advanced class. As long as they come dancing, I'll keep logging their miles and awarding them stickers.

Here are some questions and answers.

Q: Can they count miles they rack up while dancing to my competitor? A: Yes. In fact, I specifically WANT them to go to my competitor's club, bring their pedometer, and let everyone there know that they can come to me and get their own free \$3 pedometer for just \$5.

Q: Where do you get the pedometers?

A: I order them from a square dance couple who is in the promotions business. If you were at any Silver State Caller College in Reno, this couple was probably in a square you called for, as they are big supporters of square dancing.

Q: Exactly which pedometer will you use?

A: There are three models to choose from. There isn't 25 cents difference in price between the cheapest and the most expensive. The cheapest model counts ONLY steps and it has ONLY one button: "Reset". It comes in all kinds of bright colors. I like it because it's so easy to operate. Even the world's finest idiot can't goof it up.

The middle-of-the-road model comes in only one color (silver) but it counts both Steps and Distance. You pay a price for these extra smarts: the unit now requires THREE buttons: "Reset", "Mode" (to switch between Steps and Distance), and "Adjust" (to set the stride length). But here's a real plus: this model comes with a hinged cover which will hold a BUNCH of small stickers.

The deluxe model has many functions including calendar, alarm, calorie counter, etc. It also has five buttons. My immediate reaction is "NO WAY!!". I can just see someone calling me at 4 in the morning because they can't turn off the

alarm, or someone getting mad because they can't figure out how to work their free pedometer so they want all their money back or else they'll "teach me a good lesson" and "never dance to me again". Fancy Schmancy pedometer?? No Thanks!

So ... let's go with the middle-of-the-road model. It measure steps and distance and also has a hinged cover which will hold lots and lots of stickers.

Q: What will be imprinted on the pedometer?

A: I'm leaning towards "Smile for a Mile ... Square Dance!". Another possibility is "Take a step toward Fun, Fitness and Friends ... Square Dance!"

--> (which slogan do YOU prefer? I'm interested in everyone's opinion!)

Q: How will the logbook be organized?

A: I'm gonna count just steps, then divide by some number to get miles. If you google "How many steps in a mile" you get answers ranging from 1800 to 2600. The math sure is easy if you assume 2000 steps per mile. So, right or wrong, that's the figure I'm gonna use.

Q: Where do we get the 5-mile, 10-mile etc stickers?

A: Office Depot sells brightly colored stick-on dots. I'll get sheets of dots and tell my computer to print the number of miles (5, 10, etc.) inside each dot. I'll use a different color dot for each milestone.

I'm extremely interested in any discussion or feedback about this promotional plan. If you can find holes in the theory, please find them BEFORE I order \$600 worth of pedometers rather than after! My free

pedometer giveaway will start in late November. If anyone else is interested in promoting with pedometers, I can combine your order with mine and there will be only one set-up charge. I just need to know one thing: how many pedometers do you wish to order?
