**April 15, 2008 - Deadline for submissions to the June issue of *American Square Dance Magazine*. [AmericanSquareDance@earthlink.net](mailto:AmericanSquareDance@earthlink.net).**

## **Words from the Editor**

Be sure to check out the Future Planning document attached to this issue. I have received the 2009 Strawberry Square schedule of their major dances and they have been added. You will note they will be celebrating their 30th anniversary in 2009 so you'll want to put that on your calendar so you can be there!

And if you are planning to drive to the Nationals in Wichita, you will want to check out all the "Trail-Thru" dances that are scheduled along the way so you can visit them on your trip out; they are also listed.

Many of the seasonal clubs have already shut down and the rest of them will be closed by the end of April. There are still a few clubs who dance year round and they will continue to be listed here in the DANCERgram. Please try to support these clubs with

your attendance. Their attendance will be down and they will need the support of visitors. Even if you have to drive a distance, it will only be for the summer. Why not get some other people together and carpool and share the cost of gas? You could stop for dinner on the way; you might make some new friends!

## Health Updates

**Sam Dunn** - A couple of weeks ago, I had received a report that Sam was ill and had been taken to the hospital. I was able to talk directly to him earlier this week and he is doing much better now. When I talked to his wife a week ago, she told me he had bronchitis and pneumonia but he was at home. When I talked to Sam this week, he told me that a week ago Saturday, he started feeling better and each day he was feeling even better.

**Paul Place** - 11 April 14, 2008 at 12:24 AM EDT

Zoom, zoom, zoom....That's what all of our nurses at Shand's have been saying...Dad has been walking up and down his floor today because he's ready to go home. We're hoping that tomorrow (Monday) is the day!

We see the oncologist sometime on Monday and once we've met with him/her we'll be discharged.

Dad's bandages came off today and we counted twelve staples in his abdominal region. His incision looks good and he's showing it off every change he gets. My sister Cheri and I call it his 'shark bite.' Dad has been snacking on jello and broths today and this evening he had a strawberry milkshake, which he thoroughly enjoyed.

All in all it's been a good day. We've had lots of laughs and a whole bunch of tears, but when you step back and take a breath we know whatever the plan is it will be ok.

If Dad is discharged tomorrow I'll be driving Dad and Linda back to Clermont for a great night sleep in their own bed. So, we'll digest what we learn tomorrow and get back to some more regular postings by Tuesday or Wednesday.

Thank you for your continued messages of support; make it a great day!

Christy

**Penny Green** - (I feel funny writing about myself!) I am scheduled for back surgery (a laminectomy) on Friday, April 18th, at Winter Haven Hospital for spinal stenosis. If

everything goes well, I should only be in the hospital for two days. There is an 80 - 90% success rate on these surgeries. I should be up and walking short distances the next day. There will be a post-op appointment with the surgeon a week later and I should be able to start driving short distances after that. It will all be up to what I feel like doing and what my comfort level is.
