Ten to eleven squares of callers, cuers and dancers danced to Tim Marriner on Saturday at the annual Clinic dance at Strawberry Square. The Florida Callers Association held their annual clinic in Lakeland and Saturday's dance was held in conjunction with that weekend. John was there with his camera!

## Health & Sympathy

Please be sure to also check the website for updates on dancers!

**Email from Patti regarding Dan Wilkerson:** “Dan has been home from the hospital a little over a week now. He has to go to the hospital every morning and every evening for IV antibiotics for another 5-6 weeks. They took the knee completely out and put in a medicated spacer. He cannot walk or put any weight what so ever on the leg. He uses a walker to transfer from the wheelchair to his recliner. He stands up on one foot and hops to turn around and then sit down again. The leg has to be immobilized at all times and he still has quite a lot of pain. We are just hoping that this will finally kill all the infection and look forward to getting a new knee in 5-8 months. We thank all of you for the many cards, prayers and calls.”

**Carl Rod**, caller in Winter Haven, had his pacemaker replaced last Wednesday and is doing fine. He is under doctors orders to take it easy for a few days.

Here is the information regarding the Square Dance music Awards - The OZZIE AWARDS:

## First OZZIE Awards

Square Dance Record producers from around the world have organized the first Square Dance Music Award (SDMA) presentations. The Award has been named the "OZZIE" after Bob Osgood, charter Member of CALLERLAB and one of the true "giants" in the square dance world. The presentations will be made on April 16, 2011 in the Riviera Hotel/Casino, Las Vegas, NV immediately prior to the 2011 CALLERLAB Convention.

The award recipients will be decided by votes submitted by dancers and callers from around the world. Please visit [www.musibfor callers.com](http://www.musibfor callers.com) to cast your vote. Voting on the finalists began on October 15, 2010. The votes will be tabulated on March 15, 2011 and the winners announced.

The final nominations for the first Bob Osgood Square Dance Music Awards (OZZIE) have been decided.

These nominations will be posted on our website [www.musicfor callers.com](http://www.musicfor callers.com) for all members of the square dance activity, callers and dancers alike, to vote for their favorites. The polls will be open until March 15, 2011. At that time, the winners will be determined and kept secret until the awards are presented at the Awards Banquet on April 16, 2011 in the Riviera Hotel in Las Vegas. There are twenty categories and up to eight nominations for each. These nominations are based solely on the write in votes over the past six months and have been tabulated by our committee insuring a fair count. Remember to vote only once per computer. More than one vote per computer will cause all votes from that computer to be disallowed.

There is space only for 148 people so, if you intend to be there, I suggest you buy you tickets now. There will be no freebies as the proceeds are going to our foundation. This is going to be one of the best parties in our history and you do not want to miss it. Get your tickets now!

We have made a couple of necessary changes to the agenda: Since there is no way to know how long the Marshall Flippo Roast and the Award Presentations will last, we have decided to have social after party with ballroom dancing after the awards presentations. The proposed square dance will still take place but the time will be from 1:00 pm to 3:30 pm prior to the evening event. The callers for the dance will be posted on the website as soon as they have been selected and tickets for the dance will be separate from the evening events.

Due to the limited space and the fact that the majority of callers and dancers just can't be there, we are very excited to announce that the event will be streamed live to the web and will be available on a pay for view basis all around the world on our website. There will be advertising spots available. More on that later. Again, all proceeds will go to the CALLERLAB foundation to be used for new caller education. Once all of the technical aspects have been set in place, we will begin to pre-sell the live stream of the event on the website. Everyone will be able to buy their remote ticket to the event at the same time they vote. Granted, it is not the same as being there but it is the next best thing and this is something everyone will want to see live. After all, there is only one "first time".

Remember, the voting process is for everyone so please let your dancers know that they should go to the website [www.musicforcallers.com](http://www.musicforcallers.com) and vote for their favorites. The dancers need to know that this is not just for callers.

REMEMBER TO VOTE!!
