### *From the Editor...*

Here we are in the new year with all kinds of dancing opportunities! Have you made your new year's resolutions yet? How about these? Get more exercise, support dances with your attendance and help, support the new dancer classes, support new callers and cuers with your attendance at their dances. There are probably many more you can make, but these are the ones I can think of right now.

So many of our clubs are suffering because of low finances, low attendance, and people who don't want to be officers or committee chairman or just don't want to work; what do you do to support your club?

Does your club have a new dancer class? This is very critical to keeping your club going. If you don't have new dancers to replace those that have quit dancing or have passed away, your club will probably not last much longer. And when you get new dancers or members in your club, make them feel welcome, listen to their new ideas and even try them out, and don't try to rush them into an office or chairmanship, but do ask them to help out on committees, etc.

There are people who don't want to have to bring refreshments to the dance, but they sure go to the food table and partake of everything there! They want tables and chairs to sit at, but they won't come to the dance early to help set them up. They want excellent callers and cuers, but they complain when the door fees are raised or they don't want to pay dues to a club. Square and round dancing is still cheaper than going to the movies or doing ballroom dancing! We need new callers, but many won't attend a dance being called by a new caller. These are all issues that will bring a club down.

Isn't it nice when all the clubs in our area are communicating with each other, working together, and generally supporting the activity? How does that happen? You have an organization that brings them all together i.e. West Coast Square and Round Dancers' Association.

Because of the Association, you have a publication (the West Coast Dancer) that provides you with dance information for all the clubs in our area, as well as for the state and nationally. Because of the Association, your club can participate in the United Square Dancers of America (USDA) square dance insurance program. Because of the Association we are a part of the Florida Federation where we are able to network with the other four regional associations in Florida to compare notes, discuss problems, and learn about their lessons learned.

The Federation is then our liaison with the national organization (United Square Dancers of America). By sending delegates to the National Convention, we are able to have a say in various activities at the national level i.e. the Prescription Discount Card Program, the Traveler Program, obtaining 501(c)3 status for our clubs, etc.

Just like your clubs, there are officers and committees at each of these levels. The West Coast Association covers 17 counties on the west coast of Florida. That is a huge area to cover so we need representatives in the "field" who help us keep in touch with all the dancers in our area. We hold occasional meetings to discuss what is happening in the clubs, relay information from the Federation and USDA, and discuss any other items that may come before the group. These meetings are open to everyone (including dancers and cuers) who are interested in what is happening in our area.

*The January, February, March 2015  
West Coast Dancer is now available at  
[http://www.floridasquaredance.com/  
westcoast/dancer/index.php](http://www.floridasquaredance.com/westcoast/dancer/index.php)*

We are still in need of a secretary, a Sunshine chairman (sends cards to West Coast members), and county reps for Lee County and Sarasota County. The Pasco Co. rep position was just filled by Ron and Sue Reardon. We have very few meetings that the secretary has to take minutes at, and we have a recorder to assist with taking the minutes, and you can use a laptop to record your notes. The Sunshine Chairman does the work from home but sends or gives a report at each of the meetings. The County Rep ensures that the clubs in their area has copies of flyers for all of the West Coast membership dances and the Fall Fun Fest, encourages membership in the association, collects new membership enrollments and renewals and dispenses renewal bars. A short report is requested for our meetings

It seems that there are a few people who have done more than their fair share of serving in offices (sometimes more than once), serving on committees, and attending dances, festivals, and conventions. When these people get burned out and can't do this work, there is never someone to take their place hence the clubs fold.

What are you doing about this?
