## *From the Editor...*

What a great weekend of dancing?

About six or seven squares of dancers were at the Clinic Dance on Saturday night at Strawberry Square. Al Stephens was the caller and Susan Snider was the cuer. Al has been living in Germany for the past 36 years and has now moved back to the US. This year the Round Dance Council of Florida and the Florida Callers Association didn't have their weekends on the same weekend, which I think helped the attendance.

On Sunday, we were at the home of Suncoast Squares in St. Pete for our West Coast Association membership dance. Mike Cox was the emcee and Ted Hughes, Bob Ormsbee, and Mike Gormley assisted him with the calling. Jimmy and Carol Griffin showed up just to dance so it was great to see them.

One of the 2016 Florida State Convention Co-General Chairmen and her husband, the convention registrar, were in town this past week end to attend the Clinic Dance and the callers' scheduling meeting on Sunday. Because of my email reminder about the weekend dances, they decided to stay over and attend the membership dance on Sunday, and while at that dance they decided to stay over another night and attend Temple Twirlers on Monday night.

They just emailed me that they had a VERY successful weekend. They sold 25 t-shirts, 150 raffle tickets, and four ribbons. She commented about how friendly our dancers are down here.

I'm still missing schedules from some of you for the new season or year. I hope I will be receiving them soon.

Flo and I also sold several Fall Fun Fest ribbons on Sunday night.

## *Does the Callers' and Cuers' Insurance Insure the Dancers?*

**NO!** Many times we have been told by callers that if they have insurance the dancers at their dances are covered by their insurance. I have just found verification that this is not true. Following is an excerpt from “*USDA Insurance Coordinators Notes*” which was in the first quarter issue of *USDA Notes*:

“Many times I hear a club member say that a caller run club does not need USDA insurance as “their caller” said the dancers in his club are covered by his insurance through Caller Lab. The following appeared in the July-August 2014 Callerlab’s Newsletter: [“As information, CALLERLAB’s general liability insurance **covers our Members only**. Clubs and officers are not covered by CALLERLAB’s policy. United States Dancers of America (USDA) can provide general liability insurance to dancers and club leaders. Clubs are encouraged to contact USDA for insurance liability coverage.]”

ROUNDALAB also provides a \$1,000,000 comprehensive bodily injury and property damage liability insurance policy for all teaching and cueing activities **for its members**. (Copied from [http://www.roundalab.org/Who\\_What.html](http://www.roundalab.org/Who_What.html))

This E-Newsletter is published by a square and round dancer concerned about the preservation of our dance activity. This is not a publication of the West Coast Square and Round Dancers' Association, Inc. The target audience is the dancers in the West Coast area of the state of Florida and contains dance information for the upcoming week in this area as well as major dances around the state and nation, and any other information of interest to the dancers. It is published weekly with addendums as needed. New information each week is highlighted. Permission is given to forward this newsletter to your membership or others interested in receiving a copy or to provide printed copies to your members and visitors to your club. It is also available on the West Coast page of the Federation Website at [www.floridasquaredance.com](http://www.floridasquaredance.com). If you would like a copy emailed to you or would like your club information added, please contact the editor at [sgdncfan@gmail.com](mailto:sgdncfan@gmail.com). Please continue to support the *West Coast Dancer*, a publication of the West Coast Square and Round Dancers' Association, which is published bimonthly and is provided free of charge for all dancers.
