## ***62nd FLORIDA STATE SQUARE & ROUND DANCE CONVENTION – “SWEET 16”***

May 27-28, 2016

[www.FloridaSquareDance.com](http://www.FloridaSquareDance.com)

Did you know that the 2016 convention is less than seven months from now? Are you ready?

Did you know that Randy Poole, Housing Chairman, has already lined up the host hotel in Lakeland? It is not too early to make your reservations for May 27-28, 2016. The host hotel will be the Ramada Inn, 3260 US Hwy 98 North, Lakeland, FL. 863-688-8080. Be sure you say you are a square dancer so you will get the group rate of \$65 a night. There will be an ice cream social on Friday night for all those who stay at the Ramada Inn. Thank you, Randy!

Did you know that Joan Amerino, Northeast Ways and Means Chairperson, has been ordering the convention shirts and the colorful T-shirts and distributing them for sale? These are major fundraisers for the 2016 convention. She has also been coordinating the sale of raffle tickets in the Northeast. Thank you, Joan!

Did you know that Carol Poole, Assistant Registration Chairperson, has been busy typing up all the information from the registration forms on a spreadsheet? To help with registration, she attends dances around the state and sells ribbons, constantly updating the registration spreadsheet. This continuous work occurs all year before the convention. Thank you, Carol!

Did you know that Susan Snider, Cues Chairperson, is contacting all the cuers in the state to find out which ones will be willing to cue at the convention? Each cuer sends Susan a list of songs that they will be able to cue. Then she has to schedule all the songs for each square dance hall that will have round dancing and for the two round dance halls. Susan also puts together the teaches for the two round dance halls, making sure that cuers and the dances are not double booked. This schedule has to be done by February so that it can be sent to the Bow and Swing for publication in the May issue. Thank you, Susan!

General chairmen Kathy McKinney, Dianne Syphard, and Linda Tester have been travelling all over Florida and Southeast USA promoting the convention. They are selling new adorable t-shirts that say, “Strike Up The Music – We’ve Come To Dance!” The shirts are available in various colors and cost only \$12. Order one for yourself now by contacting Joan Amarino at [jnorve@netzero.com](mailto:jnorve@netzero.com). Thank you, Kathy, Dianne, and Linda.

Time is quickly running out to buy raffle tickets to win the cupcake that is worth \$516. The drawing will be held at the NEFSARDA Fall Festival at Jacksonville Beach, Nov. 20-21, but you don't have to be present to win. Husbands, these raffle tickets would make a great Christmas gift for your wife. If you haven't seen them for sale at a dance, then email Kathy McKinney at [jacknkathy1@bellsouth.net](mailto:jacknkathy1@bellsouth.net) or Cheryl Miller at [pe.miller@mchsi.com](mailto:pe.miller@mchsi.com) or Dianne Syphard at [diannehall6@aol.com](mailto:diannehall6@aol.com) or Linda Tester at [lindactester@bellsouth.net](mailto:lindactester@bellsouth.net) to buy a raffle ticket.

You must be eager to get your Sweet 16 Convention ribbon, and they are only \$27 a person. Here's how to do it – Make checks payable to: 62nd FSDC and mail to: Jack McKinney, 709 6th Avenue North, Jacksonville Beach, FL 32250 Phone: 904-249-3224 e-mail: [jacknonemckinney@bellsouth.net](mailto:jacknonemckinney@bellsouth.net)

## *CALLERLAB Viewpoints*

By Mike Seastrom

### **The CALLERLAB Foundation**

The purpose of The CALLERLAB Foundation for the Preservation and Promotion of Square Dancing is: "to support the funding of projects which will preserve and promote square dancing." The projects are designed to help protect the activity, contribute to its growth, and emphasize the social, physical, and mental benefits of square dancing.

The Foundation was formed in 1992 with a mission to not only preserve and promote the folk art of American square dancing, but also its related dance forms. Its vision has been to coordinate the efforts to raise funds by seeking grants, endowments, and donations to support its mission. It is a 501(c)(3) organization which means that most of the contributions may be tax-deductible, but it's always a good idea to consult with your tax advisor for more information.

The accomplishments of The CALLERLAB Foundation are many and on-going. They began with funding an internet marketing survey to find better and more effective ways to market our dance form and find better and more seamless ways to allow non-dancers access to our new dancer programs. The Foundation published and distributed almost a million brochures to promote square dancing and produced and distributed over 4,000 promotional video tapes containing TV public service announcements to be used for recruiting dancers. The CALLERLAB Foundation also provided grant money to The Square Dance Foundation of New England, educational materials to the Czech Republic, and funded an educational exchange between master dance instructors from the People's Republic of China and square dance leaders in the United States.

At [www.allerlabfoundation.org](http://www.allerlabfoundation.org), one can find contribution information and applications for grants and scholarships that are currently available. There is a sample document of a codicil that can be added to a will allowing people to bequeath funds to the Foundation and also grant information with an application to support efforts to establish a continuing series of square dances at College and universities. The Foundation website also contains information and grant applications for youth and newer callers to get useable equipment at little or no cost. All callers, dance leaders, and organization are being encouraged to support this important project to further encourage new callers and teachers for the future of our dance activity. There is also grant information and an application form for clubs to apply to receive up to \$250 grant money to help manage a new dancers' program. A club can be eligible to reapply two years after receiving this grant.

Another section on the Foundation website contains applications and information for various scholarships and grants for caller and dance leader education. The first application is for callers in need to receive to funds to attend an organized caller school and the second application is for financial aid available to organizations that need help presenting an educational event.

Also in this section of the website is information on the David Krediet Scholarship Fund, the Paul Place Memorial Scholarship Fund, the Kenneth Reid Memorial Scholarship Fund, the Michael Jacobs Memorial Scholarship Fund, and the Music Producers Committee Scholarship Fund. These scholarships are aimed at helping new callers acquire funds to attend a full caller school. The CALLERLAB Foundation Executive Directors review each application and may award additional grants deemed appropriate by the circumstances of the application.

There is also information on the Grand Square Incorporated (GSI) Education Fund. Proceeds from the G5rand Square Inc. fund are intended for use by:

- 1) A deserving dancer who has indicated a desire to learn how to better serve square dancing.
- 2) A deserving caller who has a background of calling or dancing and who has indicated a desire to learn to call or a desire to improve their calling.
- 3) A square dance organization which has indicated a desire to sponsor a seminar or clinic to provide training to dancers or callers to help them better serve square dancing.

Wouldn't you like to give something back to the activity which has given you so much pleasure? You have that opportunity because the Foundation operates through private contributions, public grants, and endowments. The goals and objectives can only be met if funds are made available. Here are some ways you can help:

- A. Make a tax-deductible contribution – The Foundation is registered with the IRS as a 501(c)(3) Corporation and donations may be tax deductible as previously mentioned.
- B. Hold a dance with proceeds donated directly to The Foundation.
- C. Sell promotional merchandise available from the Foundation.
- D. Sponsor a caller to attend a Foundation sponsored caller seminar.

- E. Add a standard codicil to your last will and testament, bequeathing funds to The Foundation.
- F. Add \$1.00 to the admission fee for dances, festivals, and weekends and send them to The Foundation for the Preservation and Promotion of Square Dancing.

In the past 5 years, The CALLERLAB Foundation has awarded over 90 scholarships totaling over \$21,000 to assist callers attending caller schools. The Foundation has also distributed almost \$20,000 in grants to assist clubs, organizations, and callers with lessons, calling in schools, educational seminars, marketing surveys, history projects, re-imaging project, and donations to the ARTS (Alliances of Round, Traditional, and Square Dance, Inc.) Additional information regarding this organization can be found at [www.arts-dance.org](http://www.arts-dance.org).

Become actively involved in preserving and promoting our dance activity in all its various forms. Find out how you, your club, or your organization can donate and if necessary obtain grants or scholarships from the CALLERLAB Foundation by visiting the website mentioned in the first part of this article. The future is up to us and investing in callers and dance leaders now will make all the difference in passing our dance to future generations.

## *All Things Considered*

By Ed Foote

### **The Looming Caller Shortage**

In the past year some areas of the country are reporting a shortage of callers. There appears to be three reasons for this.

1. **FEWER DANCERS.** A person has to become a dancer before becoming a caller. With fewer dancers coming into the activity, this means the pool of available dancers from which to recruit dancers is smaller.
2. **FEWER DANCERS – PART 2.** Established callers are dropping out because there are fewer clubs for which they can call. Full-time callers can no longer support themselves from square dancing, so they get another job. This means they either cut back sharply on their calling, or drop out altogether due to work demands.
3. **LACK OF AVAILABLE ALLING OPPORTUNITIES FOR NEW CALLERS.** A new caller needs a place to call. There is nothing more discouraging than for a new caller to return home from callers' school all enthused, only to find no available place to call.

Yes they could start a club, but this often not an option, for a variety of reasons. So they languish, calling an occasional tip at their home club and getting an occasional booking during the year. The result is that they do not improve their skills due to lack of practice, so eventually they become discouraged and stop calling.

## **SOLUTIONS.**

1. **PROMOTE “AMATEUR NIGHT” AT CLUBS.** Years ago many clubs sponsored an Amateur Night, where anyone in the club could try calling. The club caller would provide the music, and stand beside the person as they called. This inspired some people to say: “Yes, I can do this.” And they would continue with calling.

Unfortunately, Amateur Night seems to have fallen into disuse, so people never get a chance to try calling. If Amateur Night could be revived, this would help bring new callers into the activity.

2. **SCHOLARSHIPS TO CALLER SCHOOLS.** There are a few of these available – from Callerlab and from some local caller organizations – but not many. We need more scholarships.

But a normal scholarship only covers school tuition – ie \$250-300. The actual cost includes lodging and travel, which can easily total \$1000. So the dollar amount of scholarships needs to be greater.

This means that dancer organizations need to sponsor scholarships, as well as two or three clubs combining resources to give a scholarship.

3. **PLACES FOR NEW CALLERS TO PRACTICE CALLING MUST BE PROVIDED.** This can be done by caller organizations, dancer organizations and clubs. Ideally, all of these groups should provide these opportunities.

## **SUMMARY**

If this problem of caller shortage is not addressed, then this problem will become a crisis.
