From the Editor...

WHEW! I've added a lot of new information to this issue, but I still haven't heard from some of you. If you haven't sent me your 2016 schedules and class information, please do so as soon as possible. The snowbirds are returning and they want to know where they can brush up on their dancing

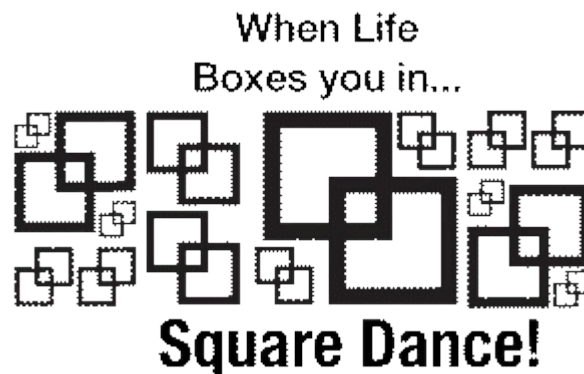

and what clubs they can visit. Nearly 1,000 people receive the DANCERgram each week and if you want your information to get out there, this is the best place to put it.

I have added so much class information. I hope you are doing your part to recruit new dancers for these classes and that you are planning to go with your prospects. It is good for you to attend all of the classes with them and give them support and motivation. You should be developing relationships with these new people so they will want to join your club. I can guarantee they won't join a club where they don't feel welcome or they don't know anyone.

Health & Sympathy

The entries listed below are for callers, cuers, West Coast Association officers and representatives and other Florida associations, Federation officers and any others who are well known to the Florida square and round dance community. Listings for others can be found on the website (www.dancergram.com – Health & Sympathy).

Don't forget to go to www.dancergram.com for additional information on West Coast dancers and former dancers!
