“Do the Iowa Scene in 2016”

Press Release #4

Only 25% of the dancers who pre-registered have completed the long form. The long form is very important as it indicates what type of dancing you will be doing, so rooms can be reserved accordingly. List all the publications that need to be ordered, program, sewing and cook books. Also the hotels requested among other things.

Please be aware, times are changing and we don't have as many dancers as we once had so the facility needs to change also. We can no longer afford to pay for space that is not utilized by the dancers so we are doing our best to have rooms the size needed. Please register **early** and mark where you prefer to dance so we know how large to have these rooms. If the rooms are too small it is because we don't know how large they need to be.

We have a change in the F2 – Boat Ride with Lunch on our Tour Brochure. Please be aware of this change. The boat has left the port and is now docked at Rathbun Lake in Moravia, Iowa. We will still honor this tour at the same price. It will be a little longer tour leaving from the Iowa Events Center Friday, June 24, 2016 at 10:00 a.m. instead of 11:00 a.m. and returning at 5:00 p.m. instead of 4:30 p.m. You will still go to the Botanical Center before returning to the Events Center. This should be a beautiful tour at Lake Rathbun. It is one of the larger lakes in Iowa. Over 700 campsites are available at this 11,000-acre lake in the rolling hills of southern Iowa. Excellent camping, fishing, hunting, boating, state fish hatchery and Honey Creek Resort, are major attractions.

At the 65th National Square Dance Convention ® we plan to cut the tours off one hour before their departure time, so please get your reservations in early. This is to give us time to make sure we have everyone registered on the list accounted for at the departure sight and our treasurer will be able to give us checks for each place we are visiting to pay for them.

There are 2,238 registered with 39% of the downtown hotel rooms gone. However that still leaves 3,200 still available. Also still plenty of rooms available out of the downtown area.

Because of the cost and other problems we will not be renting scooters; in addition there will be no lifts on the buses transporting dancers. However there are plenty of handicapped spaces at the convention center to be used.

We also have found several clogging instructors so we will be making a room available.

There will be a live band for the contra dancers to enjoy.

Our Special Event with Vocal Trash will be something you may have never seen before. A group of 5 to 7 people who put on a show of Song and Dance and Comedy.

Steve was born in West Texas, kid brother to three fantastic sisters. He remembers there was always music playing in the house – from Jazz to pop. Steve’s Dad played drums in the 40’s and 50’s and this most certainly influenced this budding musician. He pursued drums and percussion throughout school, both in organized and informal groups. His mastery on the drums soon led to keyboards, trumpet, bass, and harmonica. As for his vocal talents, Steve downplays his abilities and considers himself a musician first. No matter, his many fans agree – Steve is a stand out front man and vocalist, not to mention his comedic skills.

But it is his heart that is perhaps his greatest asset. He says, “I have enjoyed a lifetime of love, laughter, and music. We’re all here to grow, share, and care. Without purpose, what is the point? I am grateful to have a Purpose.”

Bet you didn’t know that Steve;

...studied percussion performance at Hardin Simmons University.

...is the creator of Vocal Trash.

...produces and arranges all the musical numbers for VT.

...is also an accomplished photographer and takes all of VT’s promotional photos.

...is an award winning song writer.

Kelsey Rae with electrifying energy and a golden voice, Kelsey has been wowing audiences all her life.

This beautiful “triple threat” hails from Seattle where she first stepped on the stage at the tender age of five – as the spunky orphan Molly in the beloved Tony Award-winning musical Annie. It wasn’t a “Hard-Knock Life” for Kelsey, rather a Hard-Work one as she went on to star in over 30 stage productions. Madison Avenue also came calling and she’s appeared in over a dozen major television commercials.

Kelsey says, "Being a part of this show has changed my life and I feel blessed to have the opportunity to help make a difference". What a champ!

Bet you didn't know that Kelsey;

...was honored to sing the National Anthem at a Seattle Seahawks game – a rare feat for an 11- year old.

...turned down the Mickey Mouse Club (the same year as Britney Spears and Justin Timberlake) to pursue a role on Broadway in Gypsy.

... is the choreography director for Vocal Trash.

... has achieved inner peace through bikram yoga.

...She is the creator of Vocal Trash's THINK Program.

...She is a published author of the children's book THINK... Before you throw it away! (5 stars on Amazon)

You won't want to miss this show, but we do have limited space so get your reservation in early.

There will be several places within the Iowa Events Center where you can get what you want to eat and the prices will be much less than what we could provide a meal for you. So we kept the price down on our Special Event and I think you will be able to get a meal and the Show for less than previous years.

The 2016 NSDC[®] is honored to provide exhibitions from six different groups. The exhibition groups will perform multiple times throughout the convention so be sure to take a break from dancing and catch one of their shows.

California Heritage Dancers

The California Heritage Dancers celebrated their 28th Anniversary in April of 2015. Their performance venues have included nineteen National Square Dance Conventions and twenty-five California State Square Dance Conventions, as well as many USA West Conventions & regional festivals, also a two week performance tour in Austria, and for the very first time attended the Canadian National Square Dance Convention in Ottawa, Canada in July of 2014.

Their purpose is to educate as well as entertain. By demonstrating the history of square dancing from its beginning here in the United States in the 1700's to the modern times, they hope to instill in their audiences an appreciation of our national folk dance. The Heritage Dancers like to think they teleport their audiences to a specific time in History, and all this in only ten minutes!

The Heritage Dancers' repertoire includes twelve different dances (plus variations on some to incorporate different configurations) which are performed in period costuming, using authentic music and choreography. Extensive research has gone into what they present to audiences today. Director Ruth Walker-Hagan organized the group in 1987 and has been instrumental in designing the costumes as well as researching the dance figures and music styles.

River City Riders

The River City Riders are from Portland, Oregon and Vancouver, Washington as they have earned their way back to perform for this years convention in Des Moines, Iowa. The "horses" have been to 5 national's, training new riders on their way. Their outstanding caller, Jim Hattrick, makes this possible. He has incorporated the Hex in their 6 couple square.

If you need addition registration forms for your flyer table please get in touch with: Tom Robbins E-Mail: trobbsins1117@gmail.com and I will get them mailed out to you.

Do You Need Some Reasons to Square Dance?

- ✓ **It's easy to learn.** Early in our lives we learn how to walk. Square dancing involves walking in defined directions.
- ✓ Dancers come from every nationality, race, occupation, color, creed and religion, spanning all ages and some handicaps.
- ✓ Square dancing is **fun**.
- ✓ Square dancing promotes **friendship**.
- ✓ Square dancing promotes teamwork.
- ✓ It's great to look at.
- ✓ Square dancers do a lot of traveling to different places they may not have otherwise gone to.
- ✓ It is standardized worldwide. No matter where you go – it is done the same with calls in English.
- ✓ Square dancing exercises the brain as well as the body and is multi leveled, offering differing degrees of challenge.
- ✓ Square dance movements raise the heart rate like any **good aerobic exercise** should. All the quick changes of direction loosen and tone up the muscles – but not so severely as to cause injury. When you're not moving, you're clapping hands or tapping feet, which all contribute to long-term fitness. Researche4rs attached pedometers to square dancers and found each person covering nearly five miles in a single evening.
- ✓ It is an **inexpensive** recreational activity that provides an opportunity to mingle with people in a wholesome atmosphere for about half of what you would pay to attend a movie and a fraction of an evening at a nightclub.

By the way, it is certainly not too late to get one of those cool “Strike up the Music” T-shirts. Email Kathy McKinney at jacknkathy1@bellsouth.net, or Dianne Syphard at diannehall6@aol.com, or Linda Tester at lindactester@bellsouth.net.
