From the Editor...

Only 12 days until the next West Coast Association meeting and I still haven't had any one step up to the plate and volunteer for an office for the new year!

If you want the West Coast Association to continue, please plan to be at this meeting and be prepared to volunteer wherever you are needed. This association will not be able to continue without people in the leadership positions. Without an association we will not have a seat on the Florida Federation Board which means we don't have a vote on anything that comes before the Florida Federation. It will also mean that there will no longer be West Coast Association membership dances, there will no longer be a \$100 reimbursement of square dance class expenses, there will no longer be a West Coast Dancer, and it may affect your coverage under the USDA square dance insurance program.

The West Coast Association is 50 years old this year. It's sad to think that after all these years it's no longer going to exist just because no one wants to help keep it going. If you want to continue attending square and round dances, someone has to do some work to plan the dances, hire callers and cuers, find a location for the dances, etc. If everyone stops helping, there won't be dances for very much longer.

Health & Sympathy

The entries listed below are for callers, cuers, West Coast Association officers and representatives and other Florida associations, Federation officers and any others who are well known to the Florida square and round dance community. **Listings for others can be found on the website (www.dancergram.com – Health & Sympathy).**

Don't forget to go to www.dancergram.com for additional information on West Coast dancers and former dancers!
