## **DATE CHANGE** November 1, 2017 – **Deadline for Hall of Fame**

**Nominations** – Nominees must have a minimum of 10 years statewide involvement in the Florida Square and Round activity. Their contributions must encompass the entire state of Florida, not just one or two areas. This should require unselfish dedication of time and labor. Being an area president, Federation president, Call/Cuer Association president and/or State Convention Chairman is not enough. The Hall of Fame is seeking individuals or couples whose efforts have affected the majority of the State of Florida. Preparing a nominating resume will take some time and investigation to make it complete. Talk to other dancers, callers, and/or cuers for dates, places and times the nominee was involved in statewide participation. Follow the who, what, when, and where rule as you investigate and prepare the resume. The more information the better. For additional info and the nomination form: <http://floridasquaredance.com/halloffame/index.php> or [apicheco@att.net](mailto:apicheco@att.net).

## November 19, 2017 – **Suncoast Callers and Cuers Association**

**(SCCA) Business Meeting** – Strawberry Square Dance Center, 4401 Promenade Boulevard, Plant City – 12:30 p.m. If you call, cue, or teach on the west coast of Florida, you should consider membership in this organization for the networking and educational opportunities offered to their members. This meeting is being held prior to the SCCA Caller and Cuer Workshop. For info: Ted Hughes, President - 727-641-0408.

November 5, 2017 – **Deadline for Submissions to Bow & Swing for the December 2017 issue.** For info: [bowandswing@gmail.com](mailto:bowandswing@gmail.com).

November 19, 2017 – **Florida Federation Meeting** – Hampton Inn Oceanfront, 1515 First Street North, Jacksonville Beach, FL - 9:00 a.m. Everyone is encouraged and welcome to attend this meeting. For info: [dennistaylor5426@att.net](mailto:dennistaylor5426@att.net).

## **NEW DEADLINE** - December 1, 2017 – **Deadline for Extra Mile**

**Award Nominations.** Do you know a caller or cuer that goes that Extra Mile without personal gain in giving freely of their time and talents to the square dance community? Now is the time to thank them for work! Please use the nomination form found on the Internet and follow the outline to provide the required information. Provide as much information as you can; the more the better. For additional info and the nomination form: <http://floridasquaredance.com/documents/ExtraMileAwards/extra-mile.php> or [dennistaylor5426@att.net](mailto:dennistaylor5426@att.net).

## Florida Callers Association (FCA) Members

### Your dues are due!

If you call or cue in the state of Florida (full time or part time), please consider membership in this organization. Membership provides you with educational and networking opportunities. In order to call for the Florida State Square and Round Dance Convention, you must be a member of the FCA. The Florida Callers Association is dedicated to the promotion and betterment of Square Dancing throughout Florida. All members must be BMI/ASCAP licensed. **Please mail dues payments to Treasurer Bob Ormsbee, P.O. Box 494, Dade City, FL 33526.**

He is slowly building up his strength and hopes to get back to normal routine living. His oncologist has indicated that the chemo treatments will be ongoing. Wes will not be calling or teaching while he is undergoing treatment. His doctor wants him to continue calling and teaching as soon as his health allows him to. Please pray that Wes will be able to return to square dancing soon. If you would like to send a card, his address is 5356 Anchorage Drive, St. James City, FL 33956. Wes is past president of the Florida Callers Association, a lifetime member of the Suncoast Callers and Cuers Association, and was calling in southwest Florida.

The cake and paper products (cups, plastics, etc.) will be provided. Dances are 7:00 - 9:00 p.m. at St. Catherine's Episcopal Church, 4758 Shelby Avenue, Jacksonville, Florida. For more info: Sandy Huble - [904-721-3738](tel:904-721-3738) or [904-472-6636](tel:904-472-6636). Bobby is past president of the Florida Callers Association. If you would like to send a card, his address is P. O. Box 215, Raiford, 32083-0215.

The memorial service for **Cuer Russ Collier** is scheduled for 1:00 p.m. on Saturday, October 28, at First United Methodist Church of Punta Gorda, 507 W Marion Avenue, Punta Gorda, FL.

## *Tips for an Effective Flyer*

By Penny Green

Do you have effective flyers for your dances and/or classes or are they just getting lost on the flyer table? Following are some tips:

### **Proofread –**

- ✓ Is everything spelled correctly? Ensure that you spell names correctly!
- ✓ Is the punctuation correct?
- ✓ Use of apostrophe s ('s) i.e. Susan's is possessive as in Susan owns something. If there is more than one girl named Susan, it is Susans.
- ✓ Cuer is spelled with a "C", not a "Q".
- ✓ Are the phone numbers correct?<sup>6</sup> Did you include the area code?
- ✓ Did you include the full address, including city and state? You never know when your flyers will be taken to a dance in another city, state, or even country.
- ✓ Do you have the full date (with year) and time of the dance?
- ✓ Did you include a contact name with working phone number (with area code) and working email address? Use an email address that is checked frequently.
- ✓ Did you include the level of the dance?
- ✓ On your new beginner class flyers, are you using terminology that they will understand?

### **Appearance –**

- ✓ Does it look professional?
- ✓ If you taped or glued clip art on the flyer, can you see the outline when you make copies?
- ✓ Is the flyer typed? This looks more professional. Taking a typed flyer and then handwriting changes on it looks very tacky.
- ✓ Use of colored paper when you make copies will make the flyer stand out on the flyer table.
- ✓ Ensure you make clean copies; no dirty background or a lot of marks on your copy.

---

<sup>6</sup> A tip to check the phone number; dial the number you typed on the flyer and find out who answers!

- ✓ If you're able to obtain current pictures of the caller and cuer, this helps the dancers identify who they are.

### **Presentation Is An Art – A Good Caller Is Both A Showman And An Artist**

You must still do the task at hand and do it to the best of your ability. There are consequences when you do not do a thorough or complete task. Even the most menial things when done with the right attitude can impress.

Communicating to inspire? I was calling a square dance, and was asked what I was doing with the dancers as the formation looked a little different than any of the normal 79 or so formations. I replied, "It is simply a matter of applying asymmetrical geometrics to the formation and arrangement states of an irregular octet". Impressive reply...

This is a trick we have to thank our fathers for. I asked my grandfather once what he was doing and his response is what gave me a love of language. I asked, Grandpa, What are you doing?" He replied – "I am working on the Aqua-thermal treatment of ceramic, aluminum and steel to alter its current dynamic state in a constrained environment." I was impressed. I just had to delve for more information and wanted to learn more. Upon further probing he drew me into the conversation and soon had me willingly helping him. Yes it is true – within just a couple of minutes of Piquing my interest and making me want to be part of something special; both Grandpa and I were washing the dishes in hot water under Grandma's supervision.

As to calling answer: "the application of asymmetrical geometrics to the formation and arrangement states of an irregular octet"; simply put, I was lost, forgot partners and corners, so I paired someone, hoped for the best, got someone home, and started over.

Have fun – enjoy life and smile when calling. Your smile is heard on the microphone.

### **Presentation as an art form**

To understand presentation in general terms, it is important to accept that there are 3 simple axioms or truths regarding presentation of any kind.

1. The best feeling and best place to be is to have a good presentation with good material. This will work in any situation.

2. You may get away with a good presentation even if your material sucks, but this won't last long and won't be tolerated if repeated constantly.
3. It doesn't matter how good your content is, if your presentation is crap then that is how you are remembered.

The challenge here is to understand the difference between a good presentation and good content and find the balance that you are able to achieve.

The first thing to do is NOT get caught in the alluring web of technical skills and choreography, nor in the alluring "status boost" of being on center stage. Remember a good presentation excites the eyes, but often fools them too.

With that in mind, it is easier to accept that great content just works. It makes sense; it flows well and is timeless and beautiful. Great content works even if let down by a mediocre presentation. However, a poor presentation that cannot communicate even the greatest of content will be difficult and worse – NOT ENTERTAINING.

Why is it important? There has been more than ample material written on square dance calling presentation. Many Callers Schools and clinics discuss the wide-variety of presentation related topics. These include, but are not limited to, showmanship, diction, voice metering, knowing and understanding music, music management and structure, programming for the bracket, the session the dance and the event, as well as meeting all the other random variables to achieve one goal – ENTERTAIN THE DANCERS.

Part One of this article is on the general topic of presentation from the point of development of your own personal style or how the dancers see you. This is something that must be mostly self-taught and learned, but many of the tools available and how to use them are provided at Caller Schools, through mentoring, and practice.

Part Two of the article is on the presentation itself. This is a more generalized point of view of preparing a good presentation and how to turn it into a great presentation. It is square dance calling focused but can apply to most any kind of presentation.
