From the Editor...

I hope everyone had a good Thanksgiving and you're enjoying the beautiful weather.

You can tell we're in the dance season now. There are so many dances; it's hard to decide where to go! I have received a lot of the 2018 schedules, but I'm still missing a few. If you haven't sent me the schedule for your club, please do that as soon as possible.

We have started a handicapped class in Lakeland that we're really proud of. If you're not familiar with the term "handicapped", these are dancers have some type of handicap either mental or physical and some times both. The group we are working with are adults 18 years of age and older who are intellectually disabled. They process their thoughts and express their needs differently or a much slower speed.

Our class is held at Noah's Landing in north Lakeland. There are 62 new dancers on class list, however, they do not all come at the same time. We have some challenges with attendance, commitment, and the appropriate time to talk or be silent. We also have to deal with some that don't know right from left or forward and back. Color coded bead bracelets are being used to help them with right and left. They wear a red one for right, green for left, and purple for the hand that they hold their partner's hand with. We have been working with them since late July 2017.

On November 14th, we took eight of our new dancers to a regular dance at Buttons & Bows of Lakeland. One of the fathers brought them to the dance on a community bus; we reviewed the "rules" and explained how it would be in the dance. The experienced dancers split up and took a partner from our class and danced the Mainstream tips with them. The new dancers stayed for the entire evening and before they left, they were asking when they could come back! The next morning they all met the activity director as she got out of her car to tell her how much fun they had and that they want to go again!

We are on a break for the holidays now and will start up again on January 6th. The plan was for us to meet on Saturday afternoons so parents/guardians and siblings could come to the class too and learn with their loved one, with the idea that we could get them hooked and they would be interested in coming to our Thursday night class. That plan hasn't worked yet! We have two sets of parents who come as often as they can. One couple is learning along with the kids and the other couple are former square dancers (that I have been trying to get back into square dancing!).

There is only one other handicapable club in Florida, and it's in Daytona. They have danced for quite awhile and their caller is Rick Yates. We have done a lot of consulting with Rick! Rick was in town for the recent Caller's Clinic and he slipped away and visited our class while he was here. He was impressed with the level of our dancers. We have been discussing the possibility of getting the two clubs together for a dance, possibly at the next state convention.

We need some experienced dancers to help us out. They sometimes need a prompt so we have experienced dancers stationed around the outside of the square to give that occasional nudge. When you have three or four squares on the floor, it's difficult for one person to watch all the squares. We meet from 3:00 – 4:30 p.m. You don't have to come every week, but once in awhile would be nice!

Health and Sympathy

The entries listed below are for callers, cuers, West Coast Association officers and representatives and other Florida associations, Federation officers and any others well known to the Florida square and round dance community. Listings for others are at www.dancergram.com – Health and Sympathy. The WC Joys and Concerns will be sent, as needed, to everyone on the DANCERgram distribution list.

The target audience is the dancers in the West Coast area of the state of Florida and contains dance information for the upcoming week in this area as well as major dances around the state and nation, and any other information of interest to the dancers. Publication is weekly with addendums as needed. All yellow highlighted information is new. Please forward this newsletter to your membership or other interested parties, or provide printed copies to your members and visitors. The newsletter is also available at www.dancergram.com. If you would like a copy emailed to you or would like your club information added, please contact the editor at sgdncfan@gmail.com. Please continue to support the *West Coast Dancer*, a publication of the West Coast Square and Round Dancers' Association, which is published bimonthly and is provided free of charge for all dancers.
