Did You Know?

Did you know that in late 2014 a new square dance logo was introduced? This occurred as part of the re-imaging project. This gives a new brand to use in marketing our activity. The United Square Dancers of America (USDA) are sponsoring an initiative to re-brand square dancing in an effort to draw more new dancers, as well as younger dancers. Please start using this logo and slogan on all of your marketing materials for dances, classes, etc.

The New Square Dance Logo

The logo was designed by Zackery Turner, an artist in Medford, Oklahoma. The British Columbia Square and Round Dance Federation had commissioned the logo, so that its members would have something a bit more modern to use on promotion posters. The ARTS board voted on and accepted the logo to be used as the start of their new "Re-Imaging Square Dance" project in late 2014. The purpose of this design is mainly to have a new "brand" to use in marketing to the non-dancer. We hope it can become a recognizable symbol of square dancing

The slogan, "Live Lively --- Square Dance"

This slogan was chosen after reviewing multiple phrases used by various clubs around the nation. A square dance caller/marketing professional, Mike Hogan, suggested many reasons for adopting this slogan; it was also voted on to be used in future marketing material. As Mike explained it, "Lively is an adjective that means full of life and energy, active and outgoing, energetic, animated, spirited, vivacious, enthusiastic, vibrant, exuberant, cheerful, zestful, and exciting."

The "Slogo"

The slogan, "Live Lively- Square Dance!" can be used in conjunction with the logo, or separately, and also as the "slogo". This is being incorporated into many forms of marketing.

Whirl & Twirl Square Dance Hall Needs Our Help!

The Whirl & Twirl Square and Round Dance Hall is CLOSED by order of the Orange County Fire Marshall.

The total estimated costs for the renovations to obtain our user and occupancy licenses is \$81,236.

Here is a list of the estimated costs from the contractors who have been selected for the project:

HurricaneGroup bid for building plans and blue prints: \$ 9,500

SPOT Industries, Inc. bid for fire alarm: 13,822

DynaFire bid for overhead water sprinkler system: 19,544

Rose Fire Protection, Inc. bid for underground water piping: 23,370
Estimate for additional items not identified in bids: 15,000

\$ 81,236

The underground water piping item is to increase the diameter of the water pipes to our building in order to supply the higher water pressure required for the fire sprinkler system.

\$ 81,236
+15,000

\$ 96,236.

We must raise \$65,000 by August 31 to start the renovations or the board will be forced to ask the membership to vote to sell our building at our General Meeting, which is tentatively rescheduled for Friday September 7 at 7:00 pm. The location of this meeting is still to be determined at this time.

It is going to take a donation of at least \$450 per person from all members and life members, both active and inactive, to achieve our goal of \$65,000. However, any donation you are able to make to help save our club will be GREATLY appreciated. Even if you can offer only a few dollars, please make your donation! Our Treasurer, Joe Tanner, will keep track of all donations, and if our goal of \$65,000 is not met and we are forced to sell the building, he will return your donation to you.

PLEASE HELP US SAVE OUR WONDERFUL SQUARE DANCE HALL! Please mail donations to Whirl & Twirl Square and Round Dance Club, 6949 Venture Circle, Orlando, FL 32807. Please also reply with an email listing the amount you are contributing so we can start tracking the progress to our goal. Time is of the essence!

We have also set up a GoFundMe page and shared it on the Whirl & Twirl Facebook page. Please share it with all your friends!

West Coast Square & Round Dancers Association Announcements

The West Coast Square & Round Dancers Association held a meeting on Sunday, August 12th. One of the discussion topics was the annual election of officers. The following people were elected: President: Ed Drexel and Terry Wetherby; Vice President: Lance and Rita Baxter; Secretary: Flo Ormsbee; and Treasurers: John and Lynne Scott.

The guest fees for the membership dances will be increased to \$6 per person; members are still admitted free.

The 2019 membership bars are now available. The renewal fee is \$6 per person. Several of the County Reps are carrying the bars, they can be purchased at the President's Ball on September 16th, or you can mail your check to the WC treasurers. If you haven't joined the Association yet and would like to, the initial fee is \$12 per person. This includes the cost of an engraved membership badge.

Ed Henning, the editor of the *West Coast Association Dancer*, has resigned. If anyone is interested in taking this over, please contact Ed Drexel at eddrexel@gmail.com or 603-686-6607. Since we don't have anyone at this time to produce this magazine, anyone looking for dance information in our area will need to refer to the List of Dances in the West Coast Association area, which you can find in this newsletter or at www.dancergram.com.

John and Penny Voissem have resigned as Pinellas County Reps. Flo Ormsbee will be filling in until someone else is appointed.

Harmony Hoedowners in Avon Park will start dancing weekly at the beginning of the next dance season. Sam has also started an afternoon dance in Avon Park that will dance two Thursdays a month from January to March.

Palace Promenaders is having their air conditioning system replaced. They plan to re-open in mid-September. Watch future issues of the DANCERgram for their re-opening date.

Whirl & Twirl has been shut down by the Fire Marshall. They have approximately \$85,000 of work that has to be completed before they can re-open. They need this money by the end of August or they will have to put the facility up for sale. There are more details in this issue.

BMI/ASCAP Update

Recently, an email was sent to everyone regarding the importance of having a BMI/ASCAP license. That article generated some questions that were forwarded to Jerry Reed, Executive Director of ARTS. He recently sent an email with some points he wants to explain. His message is below:

I am glad the article is generating discussion. However, some of the folks seem to miss the points in the article.

The basic points are:

- 1) Every time copyrighted music is played in public a music performance license is required
- 2) This includes square & round dance events such as: club dances, classes, fun night dances, and demos
- 3) The sponsor of the event is responsible to ensure the event is licensed
- 4) CALLERLAB and ROUNDALAB have negotiated agreements with BMI & ASCAP to cover their Members
- 5) These agreements provide that the license issued to the caller or cuer will cover the "event"
- 6) As a general rule state and national conventions are NOT covered by a license issued to a caller or cuer
- 7) 5) Generally, state and national convention must negotiate a license for their event

It is important to note that artists and composers are entitled to be paid for their work. That is where BMI and ASCAP get involved. As a general note, BMI & ASCAP collect the music performance fees and distribute to the artists they have an agreement with.

I have included Dana Schirmer, CALLERLAB Executive Director, for his information.

I suggest that any further questions or concerns be address to Dana because he is more closely involved with these issues in his role as CALLERLAB Executive Director.

I hope this helps,

Jerry
