JOYS

CONCERNS

Posted of Facebook December 9, 2020

Just taking a moment to let our dear friends know that Don's [Dockerty] brain tumors have returned after six years of being cancer free. Because of the changes that have occurred, we are not pursuing treatment. Our goal is to enjoy the time we have left to share.

Jerry Story Update December 10 2:40PM EST

HE'S AWAKE!!!!!!!!!!!! Jerry is off of the vent, breathing and talking. The doctors originally had hoped to wean him off of the vent tomorrow, but this morning, they felt that he had improved enough to remove it early.

This is the BEST news that I have been able to give out since this ordeal started. And while this is great news, Jerry still has a long way to go. These are just the first baby steps of a long journey.

Please continue to keep Jerry and his family in your thoughts and prayers. As always, I will update everyone as often as I can.

But for right now, to steal the words of a great caller - CELEBRATE!!!
