We have plenty of hula hoops (but you are welcome to bring your own if you prefer). JR will call for us, and dancing will begin at 6:00 and last for about an hour and a half. that you can walk about a block along Park Street to where there is a light if you are uncomfortable crossing Park Street near her home. Her home is on a little private street off of Park Street. November 15, 2020 - Suncoast Squares Attempt Another Dancing Experience

Now that time has changed, evening dancing outside is problematic. We're going to try Sunday afternoon dancing in the parking lot of King of Peace church. We will still wear masks and dance with hula hoops, and we will focus on not being too loud (so we are neighborly to those who live near the parking lot). Mark November 15 on your calendars for our first Sunday afternoon hula hoop dance. We'll dance from 4:00 until 6:00. We'll have a doctor theme for the evening to celebrate our health care professionals. Get your stethoscope ready! Again, this dancing is for those comfortable at a gathering outside with masks and some social distancing. We want everyone to feel safe.
