Joys, Concerns, & Sympathies

Concerns

Prayers are requested for **Jack Hoffman** of Merritt Island and the Hoffman and Little families.. He has been dealing with lung cancer. While attending the convention in Waco, Texas, he had to be taken to the VA Hospital. He is now at the Nona VA Hospital here in Florida and now has brain cancer too.

Jack and his wife, Barbara, have been square dancers for many years. They are Florida Federation past presidents, past Central Association past president, and have had a position on every Florida State Convention committee as well as chairing one convention. They have also received many awards. Even though they no longer dance, they continue to support the Federation and our state conventions in many ways. You may know them as the 50/50 chairpersons for our state conventions..

Their daughter, Terri Little, is also a square dancer and is and has followed in her parents' footsteps serving in many capacities, such as Federation past president, Central Association past president, and receiving numerous awards.

If you would like to send cards to the Hoffmans, their address is 550 Captains Row, Merritt Island, Florida 32952.

Terri's address is 1305 Lester Court, Merritt Island, FL 32952.
