President's Message

Florida Callers Association

Greetings to all callers, cuers and dancers as we enter this holiday season.

It should be the time of year for Christmas dances and planning for New Year's celebrations with all our dancing friends. Maybe that will be back for us next year. For now, just stay safe.

A few more clubs have opened around the state. Go dancing if you are comfortable doing so, but stay home if you don't feel well. Nobody wants to see our recreation as a hotbed for this disease.

Have you thought about how to promote your club when dance time does return? There are plenty of resources available to help you spread the word. If you have a good idea please share it with your fellow callers.

Do not forget about our state convention in 2022. It will not feel right not getting together with all our friends in February of '21. We shall just have to wait and do it up right next time.

Stay safe and enjoy the holidays.

Florida Federation of Square Dancers President's Message

President's Message
January 2021

I hope you had a great holiday. And now that we are into the New Year, let's hope that it's certainly better than the last. Let's look forward to 2021 as being GREAT!

We are certainly hoping more venues open up as the month goes forward. Here in NE, we have two clubs dancing. In Jacksonville we have the Moose Promenaders and in Lake City we have the Dixie Dancers. From what I've been told more clubs are beginning to dance throughout the state.

I do want to remind you again that the Florida Federation or any association or Square Dancer will never ask you to donate gift cards to any organization for any reason. A past member of NE and also a Caller receive an E mail requesting some gift cards to donate to veterans association. This is definitely a SCAM.

After much thought and consideration, the Florida Federation, Florida callers association and Florida cures association had made the hard decision to cancel the 2021 Florida State square and round dance convention. Some might say this was an unwise decision or they may say it's the right decision. I'm sure none of us really know. We can only make what we feel is a safe decision. Hopefully very soon we will all be able to be safe from the COVID-19. Richard and Carol Douget have agreed to be the 2022 state convention chairman. Everything will remain the same except the date. Ribbons already purchased will be honored for 2022.

I would like to thank you, our square and round answers for all the work and support you give to our activity. I look forward to seeing you at the 67th Florida state square and round dance convention in 2022.

WEST COAST Square & Round Dance Association

These are trying times, and I know everyone is anxious to get back to dancing.

To my knowledge, we only have one club square dancing in the West Coast Association area at the current time, which is Temple Twirlers in Tampa. They reduced their schedule weekly to every other week until the end of the year and re-evaluated it after the first of the year. They are following all the COVID guidelines, and so far, there have not been any problems.

The Palace Promenaders in Arcadia finally have a place for their square and round dances. The hall was sold earlier this year, but Mary Dow and Mary Claman were able to make arrangements with the new owners to use the hall one night a week. However, they had to change their dance night from Saturday to Friday. They will be starting with Rounds only, cued by Judy Barnhill. They will begin square dancing at a later date when it is deemed safe to do so.

Suncoast Squares in St. Petersburg have been trying different things to keep their members active and involved. They have a Zoom call every Tuesday night, which does not include dancing. They have themes for each of their meetings and dress appropriately for the theme, share news, and talents, and they have even been doing hula-hoop dancing in an area park. We are saddened to hear that their caller, Mike Cox, and his wife, Mary, have retired and

Association News

The club had a farewell dance for them on Sunday, November 15th, with approximately 40 people in attendance.

We are pleased to know that we have several new callers moving into our area - Don Batchelder from Massachusetts, Scotty Sharrer from Delray Beach, Sheila Terhune from the Indianapolis area. There are more details on each of them further down in this issue of the DANCERgram This & That. As you prepare your schedules for next year, please include our year-round callers and cuers, and check out these new callers!

As you may know, Buttons & Bows of Lakeland is 68 years old. They are one of the oldest clubs in the state of Florida. They recently held their annual Fall meeting. Their main topic of discussion was whether to fold the club or stay open. The majority vote was to remain open for another year and see if they can rebuild their membership.

I hope each of our clubs is developing a plan to return to dancing so we can hit the ground running to bring start up again!

NORTHWEST SQUARE & ROUND DANCE ASSOCIATION

Greetings to every one from Northwest! We pray all of you have a great 2021 and we can all start dancing again.

They had a great dance with two squares. Ted Kennedy called and Terri and Tim Wilaby cued. Agape squares had a Christmas dance December 14th.

January Shine will be the 16th with workshops during the day and dance at 7 pm at Ragon Hall. Ted Kennedy is caller and Terri and Tim Wilaby cuers. There will be some A1/A2 sets, Mainstream and Plus with alternating Rounds.

The Sweetheart Swing will be February 13th at Grand Square Hall in Panama City. NW meeting will be at 1 pm and dance is from 2 to 6 pm. Our callers and cuers will be from NW. Swinging Squares are dancing Friday evenings at 6:30 and will start classes in January. March 19th and 20th is a Shamrock Shimmer with Nick Hartley caller, Terri and Tim Wilaby cuers at Ragon Hall. Capital Twirlers are still not dancing but we hope they can start when the vaccine comes out. Dancing Dolphins not dancing because of the church they dance in.

Panhandle Press is looking for a publisher for NW and Barbara is it until we find someone. We pray all of you are safe and have

TEMPLE TWIRLERS

TAMPA

Temple Twirlers reopened for dancing in September with a reduced schedule of dances now held on the second and fourth Monday evening each month. Resumption of dancing was rganized by our club presidents for 2021 David and Holly Murphy with assistance from Ron and Star Moran. The club conducts temperature checks and Covid-19 screenings at the door, enforces the use of masks while dancing squares, and provides hand sanitizer to be used after each tip. The club is fortunate that our 3 wonderful club assistants Elaine Walderhaug, Kathy Allen and Martha Bird have been able to attend and continue their support of the club ctivities. The only other accommodation the club has had to make is eliminating the snack buffet that has been a club trademark for as long as we can remember – so everyone must bring their own.

We continue to dance at the Oak Grove United Methodist Church on West Waters Avenue in Tampa. Early rounds begin at 7:00 pm and we were able to recruit Jimmy Griffin and Tom

Bunn to cue. Alternating Mainstream and Plus squares begin at 7:30 and continue to 9:30 with a number of guest callers including Robert Arias, Bill Boyd, Mike Cox, Allen Snell and Marty Vanwart.

We are happy to see some of our snowbirds beginning to return – welcome back to sunny Iorida. The club is working on the schedule for the first 6 months of 2021 and plans

on the second and fourth Monday of each month until we believe it is safe to resume a full monthly schedule. You can find our dance schedule on the club website www.templetwirlers.com and also in the DANCERgram www.dancergram.com.

ROUNDS ON ZOOM

The Good news is that our Round Dancers are having the opportunity to dance in spite of Covid-19. In an effort to keep our dancers socially connected and dancing, Dwayne and I have offered the Round Dance experience by way of Zoom on the Internet. Zoom was a new experience for us as well as many of our dancers. For the most part, it has worked well with an occasional sound problem which is resolved fairly quickly.

We started in June with an evening session of easy Rounds from 7:00 p.m. to 9:00 p.m., and then with a session on Sunday evening of more advance dancing. Our dancers "tune in" from various parts of the country including Ohio, New Jersey, Indiana, New York, Iowa, North Carolina, Florida, Alabama and Tennessee. So, whether it's a cleared out living room, garage, patio or basement, round dancers are dancing away to some of their favorite songs. Not only do they get to dance, but they can see and visit with each other during the dance breaks. No, it's not the same as being on a big dance floor, but for now, it's what we've got. Oh, each ouple or dancer has a mini screen of them that is projected on the computer screen. There may be 20 or more of these projected on the screen at the same time so that you can view all the dancers at the same time.

If you would like to check out our Zoom dances, just e-mail Judy at judymassey_rn@yahoo.com and she will gladly send you an invite with a link to go on to Zoom. You will also need to download the Zoom app on your computer, phone or I-pad.

CUE TIPS

Selected by
Judy Barnhill

January is always a special month for snuggling into your favorite chair, watching the fire and reading books or better yet grab your dance partner and learn a waltz. Susan Healea choreographed a waltz called "Special To Me" performed by Isla Grant. This is a beautiful dance to wonderful music and what a combination this makes. For a cuer you have to help your dancers through it the first couple of times then once they have it they'll love it. Susan takes dancers into a skaters position and a L hand star for twinkles, just the positions alone let you know this dance is unique! She then added a drifting box and an interrupted box that reminds me of someone skating on ice. This is a phase II+I (Interrupted Box) + I (Drifting Box) Waltz that dancers will feel like they are ice skating on the dance floor or the kitchen floor if they are at home on Zoom. I hope you enjoy it as much as Dwayne and I do. We would love to see you on Zoom at 7 p.m. EST Sunday Night for Phase III & IV or Tuesday Night for Phase II and III. The links are below or I can send you an invite to join us. If you would email me I'll send you a weekly invite with the playlist or you can go on my website roundswithjudy.com and see the playlist. Here is the link for Sunday Night <https://us02web.zoom.us/j/81739976871> and Tuesday Night, <https://us02web.zoom.us/j/86835737946> Here are the quick cues to "Special To Me". The long cue sheet can be found on roundalab.org

LIGHTHOUSES #13 thru #17

Molasses Reef Light, Hens & Chickens Shoal Light
Alligator Reef Lighthouse, Tennessee Reef Light
Nine-Foot Shoal Light

As you can see by my articles, some are called "Lights" and some are "Lighthouses". This is kind of self-explanatory in that "Light" simply means there is no home/house to be lived in or a lighthouse keeper on the premises. A "Lighthouse" has living quarters either built with the light above or adjacent to the lighthouse. Most of the structures around the State of Florida are "Lights" as you will read in these articles.

#13 Molasses Reef Light: This Light was erected in 1921 on a small reef 4.5 miles off shore and in only 9 feet of water. This unmanned light was built in a pyramidal, hexagonal and skeletal shape looking similar to a pyramid with the flashing rotating light mounted on top. There is no mention as to how this reef got its name.

#14 Hens & Chickens Shoal Light: This Light is the smallest of all the shoal lights and the only one built as a triangular pyramid on stone piles. It stands only 35 feet high. How it got its name is a mystery but it does appear on a chart of the Florida Keys back in 1871, no explanation given.

#15 Alligator Reef Lighthouse: This Lighthouse's information was the subject of my article published in the May issue of Bow & Swing, check it out but here is a little reminiscence: The reef and lighthouse were named after the USS ALLIGATOR, a ship that conducted successful missions against pirates in the early 1800's. It was built back in 1873 at a cost of \$135,000 and stands 150 foot, the second highest lighthouse in Florida Keys. It was built structurally sound as it has withstood several hurricanes over the years of its existence.

#16 Tennessee Reef Light: It is told the reef most likely was named for a vessel lost in September 1832 but there is no actual recorded history of that event. This Light was erected in 1935 in only 14 feet of water. It is one of a very few ever painted black. Although it is unmanned it still has a working lantern.

Future Events

#17 Nine-Foot Shoal Light: Early in 1911 and 1912 only one person was assigned to keep this Light operational. He was more of a "Lamplighter" than a "Keeper" as he did not maintain any residency at the light. This Light, as so many others, is built teepee-like style, known as dolphin style (mentioned in some other articles) and stands only 18 feet tall. It does mark one of the entrances into Marathon's Boot Key Harbor. The origin of its name is not known.

Plans for the State Convention are still in a temporary "hold pattern" but that does not say that the Douget's are not thinking about some of the planning stages. Certainly as soon as this Covid-mess is reconciled more things will again get into full swing. Until then, keep on wearing those masks, washing those hands, and social distancing, it will speed things along. Prayers going out to everyone and we sincerely wish everyone an extremely pleasant, safe, and Happy Holiday Season. Happy New Year, too!

Judy Anderson, Publicity
