President's Message

Florida Callers Association

Bill Chesnut

Greetings from beautiful downtown Melrose as we prepare for May Flowers.

We continue to find out that the more things change, the more they change. Some say the worst of the covid is behind us and others say look for another wave. We still continue to practice caution but also go on enjoying life. We have watched the flowers bloom this spring to show brighter days ahead and we are getting word of more square and round dance clubs opening and preparing to open. As of writing this, the dates for the 2022 state convention are still in the air. Hopefully that will be settled shortly and plans can be made. Plans are being made for the fall festivals around the state. The Florida Camporee is being planned in October as well as the Daytona Beach Ball and our own Florida Caller's Assoc. Fall Clinic, Dance and Annual Meeting in the Villages. I for one look forward to these events and seeing friends from around the state.

We received notice recently that Past President of the FCA, John Swindle, passed away. I got to know John and his bride Gail when they first moved to Florida. John became active with the FCA and was very active with Callerlab. As good a caller as John was, he was even more a gentleman and nice guy. Our condolences and prayers go out to Gail and family.

Summertime is rapidly approaching and that means time to start planning classes. With more people having been vaccinated and ready to get out and see and do, maybe we can reach some of these folks and introduce them to our world of recreation. See about posting fliers at your church, local businesses, and reach out to civic clubs to offer demos or programs. We have the greatest activity and need to let the world know about it. A few years back we all wore the fluffy clothes of a square dancer. We don't see that as much and now our badges are the only thing that sets us apart.

Has your club started dancing again? Susan Elaine and Bow and Swing magazine would like to know it. Take a few pictures at the dance and send them in. Spread the word and hopefully the visitors will come.

It is an honor to be the president of the FCA and to work with so many dedicated people. Your board has held regular meetings via the internet to keep our organization moving ahead. Sam Dunn has continued to work with our new members. Many of you have worked diligently to get dancing open in your areas. I thank each of you for your help in getting dancing stated around the state.

With the clubs that have opened there is square and round dancing around the state. If you are feeling well and are ready, go attend a dance. If you are not quite ready yet, that is fine also. Come back to dancing when you feel good, but stay home if you don't feel well no matter how much you would like to dance.

For now, stay away from positive people.

Florida Federation of Square Dancers President's Message

April showers bring May flowers. And with the beautiful weather we're having the azaleas are blooming everywhere. This is why I live in Florida, the weather!

I have to admit, I was really scared during the pandemic and the year we were off for the future of square dancing. But it looks like we are coming back around. More and more clubs are opening back up. Here in Northeast, almost all our clubs are back dancing or will be back dancing soon. I know the Southeast Association will be starting to dance in a short time if they haven't started already. Dancing in the West Coast and Northwest are also dancing in some way or another. The only association I have not heard from is Central. hopefully they will get to start dancing soon.

I do want to remind you again that the Florida Federation or any association or square dance or will never asked you to donate gift cards to any organization for any reason. This is a scam.

I would like to thank you, I was square and round Dancers for all the work and support you give to our activity I look forward to seeing you all at the 67th Florida State Square and Round dance convention in 2022.

LIGHTHOUSES #24 thru
Cosgrove Shoal Light, Pulaski Shoal Light
Rebecca Shoal Light
Tortugas Harbor Light & Dry Tortugas Lighthouse

#28

#24 Cosgrove Shoal Light: This is one of two Lights erected in 1935, the other one is the Pulaski Shoal Light. Cosgrove Shoal Light, according to the Coast Guard records, is located about 20 miles southwest of Key West. The light is said to stand between 48 and 54 feet tall and was assembled on "piles" which are rocky stones. At the present time, the structure is painted red with a flashing white light with a range of 9 miles out.

#25 Pulaski Shoal Light: This is the second light erected in 1935. It stands only 49 feet tall. The light was named after a Polish General, Casimir Pulaski, a hero who fought in the American Revolution. It is located about 30 miles northwest of Key West. At the present time, it is not known if the light is still operational.

#26 Rebecca Shoal Light: This lighthouse was built in 1879 but was not lite until 1886. It was a house-like structure on top on iron screw piles and had a black lantern at first. When the light was automated in 1925, with a white light, it was determined that a "keeper's quarters" would not be needed. In 1953 the dwelling was demolished because it had deteriorated so badly however it was eventually replaced with a modern light tower again with no keepers' dwellings, however Hurricane Charlie destroyed it completely and now no longer exist.

#27 & #28 Tortugas Harbor Lighthouse & Dry Tortugas Lighthouse: The Tortugas were named by Ponce de Leon during his many exploration in 1513. The first Lighthouse in the Dry Tortugas was at Garden Key but it no longer exists and is now referred to as the "Old Tower". The current light house at Fort Jefferson on Garden Key is referred to as the "New Tower". The Lighthouse is reported to stand 157 feet tall and it is painted white half way up and black to the top. It was lite in July 1857. It is still in existence and functional today.

Convention: 67th Florida State Square & Round Dance Convention scheduled for March 4 & 5, 2022 is still in a "holding pattern". No definite decisions had been made by the Daytona Convention Center but we are still "INKED" in for those dates, so keep them open and in mind. Please "INK" them in on your calendars as well.

CUE TIPS

Selected by
Judy Barnhill

May is here!!! The sun is shining with the fluffy white clouds against a sparkling blue sky. May is such a wonderful month to dance away all the cold weather, plant a garden, get the boat ready to get on the lake, pick up a fishing pole and enjoy the flowers! Cuers and dances can look forward to dancing to Mother's Day songs and Patriotic Songs for Memorial Days.

I have another treat for you, "Te Quiero Dejiste" which means "I Love you" in Spanish. This is a very smooth rumba sang by Nat King Cole. Larry and Susan Sperry choreographed a beautiful dance to it. Roundalab designated it as first runner up for Round of the Quarter. Enjoy.

Dancing Fun in 2021 in the "City with Soul"

YOU TRAVELED FROM ACROSS THE UNITED STATES. *Welcome to Jackson, y'all!*

Quips & Quotes from Corby...

"I don't know how anyone can ever get bored with square dancing when you can dance in a swimming pool, dance in an elevator, dance on a king-sized bed, dance in wheelchairs, in shoe boxes, on horseback and tractors! And, these are just to name a few."

"Always blame your corner...
you don't have to go home with them."

"I kept dancing in circles until the caller
nailed my other foot down."

Light-hearted one-liners from
American Square Dance Magazine
Cartoonist & Caller Corben Geis
