DEADLINES

OCT ISSUE.....SEPT 55
NOV. ISSUE.....OCT 5

All articles, ads, listings, changes and subscriptions must reach us on or before the dates indicated for the issue desired.

Bill Chesnut President FCA

Greetings from beautiful downtown Melrose and our hurricane preparedness party. How things change when you write your article a month ahead. No new storms have appeared since I wrote the August article and Covid has made a nasty return with the Delta variance. Y'all take care of yourselves. September brings us Labor Day, the return of the Love Bugs, hopefully lots of new square dance classes and my 71st birthday. It's going to be a great month. Last month I talked about being ready for classes and making them fun for the new dancers. That is still true and I hope you are ready and lots of new dancers arrive. But we also have another thing to think about. We have lost a bunch of callers in the past year. Some to that great square dance in the sky, some to health reasons and some I have just lost interest. We all need to be encouraging people to try calling and be willing to help them move ahead if they want to be callers. Help the new guys and gals. Offer them your assistance. Get them in touch with Sam Dunn and let our training coordinator help develop their skills. Encourage them to attend our fall clinic. George Jones sang about Who's gonna fill their shoes years ago about country singers. Same thing now with callers. There are still a few rooms left at the Comfort Suites for the clinic in October. The hotel rate is fantastic at \$82 per night. Plenty of places to eat very close by and the Saturday night dance is a short stroll from our hotel. Duane has a great job and there will be plenty of info for callers of all skill levels. If you want something special covered, tell Duane and he will pass it on. The Clinic will start Friday afternoon, October 15 at the Comfort Suites The Villages, 1202 Avenida Central, The Villages, FL., 32159, Phone: 352-259-6578. The clinic continues on Saturday the 16th and wraps up with Bill calling a dance Saturday evening with Loretta Hanhurst doing the rounds. Sunday morning at 9 AM will be the FCA Annual meeting at the hotel. You should have received an

email with the total schedule from Sec Mark. Don't forget that one little detail: Dues are due and must be paid by the First of November to be scheduled for the convention. If you are not coming to the clinic and meeting you can send your check to Jack Lewis. The 2021 / 2022 Florida State Square and Round Dance Convention will be held in Daytona at the Ocean Center March 18 and 19, 2022. There will be a trailir dance on Thursday so make your plans. We finally have a host hotel for our rooms and the Sunday meeting. The Hampton by the race track on 92 has given us a \$139 rate, about \$160 including taxes. The beach hotels were not interested in any kind of deal for us due to Spring Break. You should have received an email from Mark about the room reservation info. My thanks to Mark's bride Susan Snider and my bride Mary for finding the hotel.

Go dancing if you feel good. I look forward to seeing you in person at the fall clinic and annual meeting. We want you there if you feel comfortable being out. If you aren't ready, stay home. And if you feel bad STAY HOME.

Bill and Mary Chesnut

Association News

WEST COAST ASSOCIATION

Ugh, it's so hot outside! We need an indoor activity! Where is a square dance?

Unfortunately, the seasonal clubs in our area are closed for the summer, which reduces the number of opportunities for us to square dance (in air conditioning). Many of the year-round clubs are dancing but not on their regular schedule of weekly dances. So even though our opportunities are few, show your support to the clubs that are open by attending, bring refreshments (if needed; you can contribute refreshments even if you don't belong to the club), tell your friends about the classes that will start in the Fall and bring them to the classes, and bring your friends to a dance so they can watch you dance and see what it's all about.

We have lost a lot of dancers over the past two years and have not been able to have classes to bring new ones in to replace them. It's even more important now that you step up and volunteer to help your club or dance with refreshments, set up for the dance and put everything away after the dance, serve on committees (and even be chairperson), help with new dancer classes, and serve as an officer. If we have more workers, it will be less work for all of us.

I can't tell you how many times I have heard, "I don't want to join. You'll put me to work." I'm glad not everyone thinks that way or we wouldn't have any dances!

I have danced for approximately 40 years and back "in the day" it was always such fun to belong to a committee. We would have covered-dish meals for the committee meetings, shared recipes, talked, and learned about each other (family, careers, home state, travel, etc.). Many lasting friendships developed because of those meetings. Everyone on the committee had a task and we worked together to have special dances, special events, etc. There was none of this having one person/couple committees who did all the planning and work. After a while, people become burned out and drop out of square dancing completely.

Let's pull together and keep our activity alive!

Now is the time to register for the 2021 Fall Fun Fest sponsored by the West Coast Square and Round Dancers' association. It will be held at the Carver Center in Bartow. We have Keith Stevens (Lake Wales) and Tom Miller (Pennsylvania) to call and Earle Collins (Orlando) to cue. There will be 12 hours of dancing and workshops, two halls for dancing, Advanced dancing all weekend with computer squares, a beautiful wood floor in the Main Hall, and light refreshments. If you purchased ribbon(s) for the 2020 Fall Fun Fest that was canceled, they are good for 2021. The split rates are only available at the door. Square dance attire is admired but not required!

And don't forget our annual Florida Square & Round Dance Convention in Daytona Beach on March 18-19, 2022! If you purchased ribbons for the 2021 convention that was canceled, those ribbons are still good for 2021. All the fund-raising items had already been purchased when the decision was made to cancel 2020, so they will be sold for 2021. There will be a price increase on September 1st so if you want to save some money, you need to send your registration in soon! Please be aware that the committee is currently experiencing some problems with the businesses in Daytona Beach the weekend we will be there. There is another event scheduled that weekend and some hotels do not want to give the square dancers a special rate, and one of those is the Hilton right across the street from the Ocean Center where a lot of us stayed. They are also unable to negotiate a parking arrangement at the Ocean Center. Please be patient. The Committee is working very hard to make the arrangements affordable for us.

We were saddened by the loss of our friend and cuer, Jimmy Griffin, who died of cancer in the middle of July. We send our sincere sympathies to his wife, Carol, and their sons.

I hope to see you on the dance floor soon.

Penny Green, President

CUE TIPS

Selected by
Judy Barnhill

Summer is coming to an end and Fall is just around the corner. Most of us dance more in the Fall and Winter than Summer so let's try this wonderful Phase II Waltz "So It Is Love" choreographed by Shawn & Wendy Cavness. It was awarded Third Place in the Round of the Quarter.

SO THIS IS LOVE

LIGHTHOUSES #38 THRU #41

Cedar Keys Light, St. Marks Lighthouse
Dog Island Light, Crooked River Light

#38 Cedar Keys Lighthouse: This Lighthouse is located across the harbor from Cedar Key on Seahorse Key, three (3) miles southwest of Cedar Key and was the site of a watchtower erected in 1801. After the watchtower was destroyed by a Spanish naval force in 1802, it was used as a detention center for Seminole Indians captured in the Second Seminole War (1835-1842), to be held there before being transferred out West. Cedar Key became an important port during the 1840's and in 1850 Congress appropriated funding for a lighthouse on Seahorse Key which was completed and lit in 1854. Federal troops occupied Seahorse Key in 1862 and used it as a prison for the duration of the Civil War. The lighthouse building was tripled in size in 1905 when a U.S. Navy wireless station was established. The light was taken out of commission in 1915. The Cedar Key Lighthouse is the oldest standing lighthouse on the west coast of Florida.

#39 St. Marks Lighthouse: Approximately 25 miles south of Tallahassee is Florida's Big Bend region where the state's Gulf coastline changes from a north-south direction to an east-west direction. A river empties into the Gulf at this point and it was here that an early settlement was established by the Spanish. In 1818, Andrew Jackson captured St. Marks from the Spanish, however, 3 years later control of Florida was officially transferred from Spain to the United States. In 1828 a territorial delegate was sent to Congress to petition for construction of a lighthouse at St. Marks. An act appropriating \$6,000 for the construction of the lighthouse was passed. The construction ended up costing \$11,765 but the Collector of Customs refused to accept it since it was built with hollow walls. A replacement tower was accepted in 1830.

Under the 1832 Treaty of Payne's Landing, Florida's Seminole Indians were to relocate west of the Mississippi River by 1835. However, the Indians refused to leave and the Second Seminole Indian War erupted and lasted for 7 years. As the port of St. Marks was growing the land protecting the lighthouse was shrinking. By 1842, erosion was threatening the tower so a new lighthouse was built farther inland, which still stands today. The stout walls are 4 feet thick at the bottom and taper about 18 inches at the lantern room. A breakwater was built to protect the lighthouse after a hurricane struck in 1843. The tower was used by both sides during the conflict between the States. After the end of the conflict, the tower was repaired and back in service by 1867. In 2016, then Governor Rick Scott was instrumental in getting money allocated for the preservation on St. Marks Lighthouse.

#40 Dog Island Lighthouse: The Dog Island Light was located on the western tip of Dog Island south of Carrabelle, Florida. It marked the "middle entrance to St. George's Sound," between St. George and Dog Island, during the 19th

The first lighthouse was a 50-foot brick tower and completed in 1839 but a storm in 1842 destroyed the keepers house and badly damaged the lighthouse tower. A 40-foot wooden tower was completed in 1843 to replace the brick tower however the second tower was destroyed by a hurricane in 1851. A replacement brick tower was completed also in 1851. During the Civil War, Confederate forces burned the stairs in the tower and damaged the lens to prevent the tower from being used as a lighthouse or a watchtower. The light was repaired and put back into service after the war. In 1872 beach erosion undermined the tower and caused it to fall. The lantern was salvaged and moved to the top of the keepers dwelling. The in 1873 another hurricane destroyed both the tower and the keepers dwelling. Congress appropriated funds for a replacement in 1874 but the local Lighthouse Board recommended that the new work be indefinitely postponed. The Dog Island Light was never replaced. However, the Crooked River Light (built near Carrabelle on the mainland in 1895) serves as a leading light for the same channel that was formerly marked by the Dog Island Light.

#41 Crooked River Lighthouse: This lighthouse was originally constructed in 1895 to replace a nearby lighthouse on Dog Island that was destroyed in a coastal hurricane in 1873. After many years of flawless service this lighthouse was officially decommissioned in 1995 and sat isolated and almost forgotten for several years but in 1999 a group of local residents created the "Carrabelle Lighthouse Association" and obtained ownership of the landmark. Private and public funds helped commission the restoration that was completed in 2007. The new skeletal tower lighthouse stand 103 feet tall and is the tallest lighthouse along the Florida Panhandle.

* * * *

Things are starting to get more and more exciting as the State Convention draws closer and closer. Even though March may seem like a long ways away—time seems to be moving faster and faster especially for our chairmen, Carol & Richard Douget. They are looking for a couple of volunteers for some really fun activities. They are searching for someone or two or three or more friends to plan and make happen the ever-so-popular Dangle Dances. The convention warehouse already has several containers of supplies used in previous years that would be a great start for new ideas or you can create your own new ones. Susan Elaine of SuzieQ Creations is great fun to work with in creating all those cutsie "FREE" fun dangles we all love to earn.

They are also in need of a Vendor/Assistant Chairmen for that committee who will work well with our vendors to help them with spaces for setting up their merchandise. Making sure they have enough tables and chairs and other vendor needs. This includes spaces for all future Local and National Conventions.

Interested "fun" people can contact Carol at cldcpa@yahoo.com or call 410-952-7208
