COORDINATING REPORT

Art Springer - Chairman
Jim McConnaha – Secretary
Audrey Philip – Treasurer

Merle Herbert – Recording Secretary reported that two members from each of the organizations callers, curers and dancers to study and report on the feasibility of moving the date of the state convention. Also the vendor lineup to use out of state vendors who would have the same rights as in state vendors once accepted to participate at the Florida State Convention.

Legacy Report

Legacy held its 13th Biennial meeting in Salt Lake City in May of 1997. Florida dancers were quite busy with the National Square Dance Convention about that time so I don't believe we had any dancers attend.

Legacy is the International "Trustees" of the Square Dance Activity. Trustees (as its members are called) represent every facet within the square dance activity (dancers, Callers, Cues, Prompters, Leaders, Publishers, Suppliers and Special Interest Groups). Legacy held their so called "Summit meeting" ^{between major organizations} at the Florida Nationals with good attendance and productive with each organization giving a report on its organization and current projects. Any club starting a class this summer or Fall may be interest in getting one of the Legacy Promo Paks put together by the Burdecks. To Become a trustee you have to be nominated by a present Legacy trustee. If interested see the Vaccaria, Haberbergers, Chet Vetter & Allens.

AMERICAN FOLK DANCE REPORT

Working Week-end -- November 21, 1998

Strawberry Square - Plant City Florida

The American Folk Dance has completed thirty (30) States in the move toward adoption of Square Dancing (generic term) as the National Folk Dance of the U.S.A.

We had worked toward the goal of announcing two additional states, but New York and Pennsylvania are still working their bills through the legislature. With a little more hard work and some luck, we now hold the hope of completing these states by the time the 47th National rolls around.

ASCAP - BMI Dave & Shirley Nihart

We have received a request from BMI for our dues for 1998 which are \$100.00. George Wolfert has informed them that this check will be forwarded when they confirm that they have found our report for 1997. They have credited our account for the check for the 46th National Convention. When I receive all paperwork that George has had with the two organizations I will look for the copy of the report for BMI in 1997 and clear this matter up. We will need a check for our dues for 1998, however this check will not be forwarded to them till the matter of the lost report is cleared up.

Respectfully,

Dave and Shirley Nihart
