## From the Grapevine Editors

Kathy at the Waco Suspension Bridge over the Brazos River, next to the Waco Convention Center

Charles and Kathy say "Greetings from Texas"!

Square Dancing to a live band (The Ghost Riders) really brings up the energy in the room!

Enjoying dancing with a few hundred of our new best friends.

Kathy and I are in Waco, Texas for the 75<sup>th</sup> National Square Dance Convention. Everyone has worked hard on making this a great event. They have unique dances like Kaleidoscope squares, High Energy Squares, Competition Squares, contra dancing, advanced dancing, challenge dancing, line dancing, clogging, etc. If you still have any energy left at the end of the day, there are nightly After Parties. If you need a break from dancing, there are many vendors with square dance related outfits, t-shirts, jewelry, etc. Or workshops with make and takes, a fashion show, sewing workshops. Wow! Never a dull moment.

We danced for 3 nights/days now and are taking a much-needed break to work on this. The Trail In dance started with 21 squares and Wednesday night's opening dance had around 100 squares! Great dancing to the Ghost Riders Band and many, many callers. Last count as of Friday morning: 3009 total dancers; 98 from Florida). We've run across several dancers from our neck of the woods and enjoyed dancing to one of our favorite Florida callers, Mark Fetzer. We didn't do any Rounds but Susan Snyder was there giving it her best. We've really had a good time and are looking forward to Daytona in 2028.

If you have any suggestions for future improvements, please let us know at [Grapevine@itrimble.com](mailto:Grapevine@itrimble.com). Every month, submissions are due by the 22<sup>nd</sup> of the month to be included in the next month's newsletter. Want to make our job a tiny bit easier? Submit your documents using the font Arial 12. If you submit pictures, please include the name of individuals so that people can place a name with a face.

Thanks,  
Charles and Kathy Trimble

The Moose Promenaders have started summer off with an ice cream night, a visit from the Rollaways, guest tip calling and cueing spots and other just fun things. Some of our members are off traveling so we have a lighter turnout some nights, but no less fun will be had. Most nights we have rounds with Susan Snider. All dancers are welcome as we dance, workshop the new calls and review the old ones.

July brings us a visit from traveling caller DAN NORDBYE. Dan resides in Mesa, AZ and makes a trip each summer down our way. Join us on July 16 for a wonderful evening with Dan. Our caller Bill Chesnut will be on the dance floor so watch out. Later in July we will have our annual Pink Cadillac dance so get out your 50's attire and join us then as well.

We learned recently of the passing of Mike Sikorski. Mike had called the Fall Festival a number of years back and the ladies had a hard time dancing instead of watching him. It was decided that Mike had no joints, as smooth as he moved. Mike had recently been diagnosed with ALS. Our condolences to Mike's family. Mike will be missed in the square dance activity by callers and dancers.

Many of the Moose have already registered for the 2028 national in Daytona and we hope you will join us. We also look forward to the Florida Camporee in Eustis in October, the Fall Festival in November with Rod Barngrover and Sandy Sturgis, our state convention in February in Deland and lots of other great dances. We hope you are there as well.

President Bill is starting our journey towards a new class in September. Be thinking of people you can invite and help spread the word anyway you can.

We welcome visitors every Thursday and hope you can join us in the near future.

## Mixed Nuts

Advanced Dancing and Workshops

Monday, 4:00 – 6:00 PM  
Grace Presbyterian Church  
3146 NW 13<sup>th</sup> St  
Gainesville FL  
Caller Bill Chesnut

Greetings from the Mixed Nuts

The Mixed Nuts are a fun place to come and learn more about all of the calls up to and including the advanced list. With some of the A calls moving to plus, we continue the workshops to help make dancers more comfortable with those calls and add some new stuff.

How many types of diamonds are there? Regular right-handed and left-handed, facing diamonds, point to point, even interlocked are a few. Diamonds are girls and caller's best friends and sometimes a dancer's enemy. Come on out and learn more about them and the 85 A-1 and A-2 calls. We promise a fun time mixed in with joy, elation and frustration.

If you happen to be a round dancer or interested in learning rounds, Susan Snider cues rounds some evenings following the Nuts Dance.

Send an email to [billchesnut4@gmail.com](mailto:billchesnut4@gmail.com) to be included in our update list in case we need to cancel or if you just want more information.

**It would be great to see you some Monday.**

## Ramblings from beautiful downtown Melrose

I told it through the Grapevine: Ramblings from beautiful downtown Melrose.

Greetings to the masses that enjoy my ramblings, all 2 or 3 of you.

This month I am writing this on Father's Day weekend. I hope that all were able to enjoy the day, celebrating or remembering their dad's and other people who have been that father figure. My dad financed my first square dance caller setup and I hope I finally got it paid off. So many of the callers and dancers have shaped my life and I thank each one.

I have decided again that I need to quit reading email and answering the phone. I learned this weekend that Whit Brown passed away. Whit was a past president of the FL Callers, the former caller for Space Trackers and Whirl and Twirl and a longtime friend. His health had been in decline for a while and had retired from calling a couple of years ago. I also learned that Mike Sikorski passed away last week. Mike was a California caller that spent a lot of time in Arizona and travelling the US calling. He had been scheduled to teach the FCA clinic last year but was diagnosed with ALS and was unable to make the trip. Both of these guys were great callers and good people. RIP.

Summer has arrived and many of our dancers are off to the national convention in Waco and to the International Camporee in Central Texas. Next year the national is in Loveland, Colorado. I wonder where it will be in '28? Oh yeah, I think I know. Daytona.

We are finalizing the list of callers for next year's state convention, February 26 & 27, 2027. The Trail In dance will be Thursday, February 25 with Darrel Cevasco and me calling and Earle Collins on rounds. Come join us. Workshops have been added back to the daytime schedule and all of the fun things we can work in. The new lists will be the lists by then, so look for opportunities to learn the new additions. The convention is at the Deltona Center again so please register and come join us. More information is available at the convention website, <https://www.dancergram.com/aa-FWS/convention/index.html>. Make your plans to attend and enjoy fun and fellowship set to music.

Callers – hopefully you have begun using the new lists for Mainstream and Plus and doing workshops on the new calls and getting your dancers familiar with them. Look for places that you can use the calls from other than 1 position. Bring your dancers along now as the calls are in place in September. If you have an opinion on the changes to MS and Plus lists, send your comments to Callerlab at their Email: [info@callerlab.org](mailto:info@callerlab.org)

The kids know how fast summer passes and September gets here. Be working on your class now and let's see the revival of our activity begin this year. Fellowship, light physical exercise and working the brain to some good music. What could be better?

There are so many of our dancers with special needs for prayers. Please remember to add a kind word for all that are going through so much.

Your feedback is always welcome and we look forward to seeing you at the dances.

*And upon the recommendation of one of my two readers*
