## NEFSARDA News

As members of a North Florida square dance club, you are a member of NEFSARDA. NEFSARDA is the Northeast Florida Square and Round Dance Association. The purpose of NEFSARDA is to help support your club. They do this in many ways.

You are currently reading The Grapevine. The Grapevine's purpose is to keep dancers informed about what other clubs are doing, dancers who are not well, as well as state and national square dance activities. Kathy and Charles Trimble are the current editors of the Grapevine.

NEFSARDA has meetings quarterly on the second Sunday of January, April, July and October. The meetings last about an hour and you can usually find someone to have dinner with afterwards. This is a face-to-face or Zoom meeting that allows participants to get to know each other, exchange ideas to promote your club as well as make new friends. Each club should have a representative at these meetings. Your representative should then come back to your club and share what is going on in the area. Unfortunately, many clubs are not being represented. If you volunteer to be a club representative, you are only volunteering to communicate information about your club to the other clubs and take information back to your club. Everyone is welcome to attend.

Other ways that NEFSARDA helps your club are:

- Providing insurance for dancers and clubs.
- Your club will receive \$100 (only once per year) at your new dancer graduation.
- NEFSARDA sponsors the 5th Saturday Dances
- NEFSARDA sponsors the Fall Festival

The Moose Promenaders dance on Thursday nights at Moose Lodge 2020 on Collins Road in Jacksonville, FL. We start most evenings with an Advanced dance and workshop from 6:15 – 7PM. The real dance starts then with MS and Plus dancing. Most nights we have rounds with Susan Snider. All dancers are welcome and caller Bill Chesnut will entertain you with a story or two and some fun choreography. Come join us anytime.

Last month saw us celebrate the Moose Promenaders 30<sup>th</sup> anniversary, celebrate birthdays and anniversaries, collect items for auction baskets to help fund the national convention, make banner stealing trips to Seabreeze and the Rollaways.

What awaits us in the coming month? Well, a little bit of everything. More birthdays, more workshops and always a surprise or two during the month will be coming our way. We always enjoy when a visiting caller comes in and Bill has them do a tip.

Do you know that our caller, Bill Chesnut, actually gets to dance July 16? Caller DAN NORDBY will be in town calling for us and Bill gets his dance card filled out quickly. Make your plans to come dance to Dan and you may end up in a square with Bill. Dan visits the area once a year from Arizona. Come join in on the fun.

We learned recently of the passing of Allen Cheng. Allen was not a Moose member but visited frequently with wife Ruby. We will miss his visits and the lovely display of round dancing they always showed. Our prayers and love to Ruby.

Many of the Moose have already registered for the 2028 national in Daytona and we hope you will join us. We also look forward to the Florida Camporee in Eustis in October, the Fall Festival in November with Rod Barngrover and Sandy Sturgis, our state convention in February in Deland and lots of other great dances. We hope you are there as well.

President Bill is starting our journey towards a new class in September. Be thinking of people you can invite and help spread the word anyway you can.

**We welcome visitors every Thursday and hope you can join us in the near future.**

We had another great party at the High Springs Dance Club. Charles and Kathy Trimble hosted a Western-themed dance. (It was really the Wild West party!) The party started with a game of "pin the tail on the pony". A blindfold was placed on each contestant, Kathy spun them around and then headed them toward the pony. That poor pony had tails pinned all over it. The grand prize winner, by popular consent, was Ken. Ken didn't even pin his tail on the pony, instead ended up the furthest away when he wandered off sideways and stuck the tail on the door.

The main activity, of course, was Square and Round dancing. This caller doesn't do western, so all of the Square Dance music was rock, pop, and contemporary.

The next party is Thursday, June 18 and is called the "Mad Hatter's Ball."

Several of our HSDC members also camp together with the Square Wheels Square and Round Dance Club. We love combining two of our favorite things, camping and dancing.

Our next square dance class will begin the first week of June. We work with our sister club, Grand Squares, on planning and marketing. The same class will be held at Grand Squares on Tuesday and HSDC on Thursday.

We dance at the High Springs Civic Center off Highway 441. The dance is every Thursday night from 6:30 to 9 pm, with the first half hour dedicated to round dance lessons. The address is 23760 NW 187th Ave, High Springs, FL.

Dixie Dancers has new club officers! After a long campaign, our newly elected President is Charles Trimble, Vice President is Nate Bowman, Treasurer is Steve Casto. Congratulations, guys! We would like to thank our previous officers for serving for several years: Barbara Rosenthal was President, Steve Casto was Vice President, and Bob Rosenthal was Treasurer. Our new officers have already been busy, holding their first Board meeting, reviewing the existing handbook and discussing ideas to bring both new revenue and new members into the club. Their goal is to build Dixie Dancers into a fun and thriving club.

The Seabreeze Club is devoted to ensuring a fun square dance set in a relaxed atmosphere of comfort and fellowship.

Doubtless, all of our Seabreeze dances deserve recognition; however, we are keeping with the custom of highlighting just one each month. The featured dance for this Grapevine edition is actually a triple header.

During the first dance of May we celebrated Cinco De Mayo, honored mothers for Mother's Day, and rejoiced in caller Mike's birthday.

## Ramblings from beautiful downtown Melrose

I told it through the Grapevine: Ramblings from beautiful downtown Melrose. Greetings to both of my faithful readers. I actually understand I am up to 3 now. Thank y'all. I am writing this after having just completed the second Mother's day celebration. It is hard to get the family together for any holiday, and especially if you are going to a restaurant. Celebrating with the kids and recognizing what fantastic moms, grandmothers and great grandmas we have in the bunch causes me to think about the mom figures I have had in my calling career, my own mom being the first. She was the one who forced me to my first square dance forever ago. Momma and my first square dance mom, Grace Murphy, were my biggest supporters in my early days. I was terrible, but they loved me. As time went by, I had a bunch of women that were in a mother role to me. I needed it. Luckily, I am still in touch with a few and am so thankful for the guidance and help that so many gave me. Much love to all the ladies who play a mom role to their kids, their friends or their co-workers.

Rapidly approaching as I write is the Memorial Day weekend. Until the last few years, Memorial Day was the buzz word for the Florida Square and Round Dance Convention. Even the love bugs got excited to see us head to Lakeland. My old friend Ernie Rollen and I have a tradition even now, of calling to see if we are packed and ready to go. I enjoy the state convention now, the callers and cuers are great, meeting up with old friends is wonderful and no love bugs in February. Next year's state convention will be February 26 & 27, 2027, and the Trail In dance will be Thursday, February 25. The convention is at the Deltona Center again so please register and come join us. More information is available at the convention website, <https://www.dancergram.com/aa-FWS/convention/index.html>. Make your plans to attend and enjoy fun and fellowship set to music.

Most callers have begun using the new lists for Mainstream and Plus, as revised by Callerlab. I am getting mixed messages about how people feel with the changes. One of the biggest challenges to callers will be remembering what is not on the MS list. Callers and dancers, if there is anything I can do to help with the implementation of the list just call or email me. If you have an opinion on the changes to MS and Plus lists, send your comments to Callerlab at their Email: [info@callerlab.org](mailto:info@callerlab.org)

I am proud to hear so many clubs making plans for their next class. New dancers are the lifeblood of our activity. I am still a believer that the most effective single way to get new dancers is asking people to come. Will they all? No, but it won't hurt to ask. Mention it on Facebook, ask your church if they would put something in their bulletin about an area class. Most clubs have a card or brochure printed up so leave a copy where you shop. Wear your badge when you are out and hopefully people notice. Callers, maybe you can do a demo. In advertising we never know what will work so try them all.

There are so many of our dancers with special needs for prayers. Please remember to add a kind word for all that are going through so much. No matter the number of calls on the list, the important thing is the dancers in attendance. Let's all work to recruit and keep them dancing.

*And upon the recommendation of one of my two readers*
