

Cue Sheets by Judy Barnhill

Blessings for this Easter month! I recently choreographed a song called "Flowers" by Miley Cyrus. It is a phase III Cha that is just perfect for round dancers between square dance tips. The song has 1 plus figure, Alemana, which all Phase III cha dancers know. Give this song a try and I think your dancers will love the dance, I know mine do. The full cue sheet is on Roundalab and the music is available on iTunes.
