

Cue Sheets by Judy Barnhill

Winter has arrived and with it a new dance entitled "Blue, Blue Day" written & sang by Don Gibson. Ron & Georgine Woolcock choreographed a two step to help dance your blues away. It's got a great two step beat and will be lots of fun to dance. This dance has the honor of being 1st Runner Up for 1st quarter of 2024 in Roundalab Round of the Quarter Phase II. I plan on using this dance a lot when cueing at a square dance.

The music is available on iTunes and the long cue sheet is on Roundalab. The cuer should make sure they slow it down to 90%, as recommended by the choreographer.
