

Cue Sheets by Judy Barnhill

"A Sign of the Times" a song sung by Petula Clark in 1966. Petula introduced the hit song on the Ed Sullivan Show on February 27, 1966 and just one month later hit the Billboard Hot 100. The song was sung during the Vietnam Era and I was sure it was a political song but when I researched the song it tells a tale of a couple having disagreements and making up.

Mike and Leisa Dawson choreographed a Two Step to the song "A Sign of the Times" and it received 1st Runner Up in Phase II Category. I purchased the song from iTunes and the Dawson's recorded it can be purchased at Amazon. The full cue sheet is on Roundalab.
