

## Cue Sheets by Judy Barnhill

The National Square & Round Dance Convention in Mobile, Alabama was absolutely fabulous. We learned both new Round Dance steps and new songs.

We spent a lot of time in the Plus/Rounds Hall and had a wonderful time. If possible, go to a National Convention, you will meet other dancers and learn new steps and new dances! The Committee for the National Convention deserves a big applause!

The dance, "On This Harvest Moon", was a foxtrot we learned at the Convention. The music has such a smooth rhythm and Gene & Anita Eckley wrote wonderfully smooth choreography to go with it. They had heard the song "Harvest Moon" sang at several local music festivals and loved the music. Thus, a new foxtrot was born, and I think you will appreciate the music, choreography and dance. We downloaded the music from iTunes.
