

Cue Sheets by Judy Barnhill

A friend suggested a two step "I'll Take Texas" and I love it! Vince Gill sings about the beauty of Texas: "Texas Moon shining down on Austin, dancing in the ballroom in Beaumont, strolling in San Antone." What a love song for Texas!

This is an easy two step choreographed by Mike Seurer to cue and do at a Square Dance. Try it and I am sure your dancers will love it! I purchased the music on iTunes and the long cue sheet is on Roundalab. Enjoy!
