Do you have favorite recipes you take to the dances? Would you like to share them?

A cookbook is being created for a fundraiser for the 2017 Florida State Convention.

If you have recipes you want to share, please forward them to Terri Little at islandmom74@att.net along with your name and what association you are affiliated with **by December 15, 2015.**

From the Editor...

The latest issue of the *West Coast Dancer* is now available on the website. Please take a few minutes and look at it. I just did, and there are a lot of things that need to be corrected or added by the clubs, callers, and cuers.

Even though the *Dancer* is now electronic, we still need articles from the clubs. In fact, now that we are electronic, colored pictures would be appreciated. The editor has more flexibility with the magazine being electronic; no limit on how many pages, color isn't a problem, etc. Please support your West Coast Association and the *Dancer* by providing input for our magazine. You may not know that the *Dancer* website is part of the state website so we get a lot of exposure.

Clubs are asked to review their information on dances, classes and workshops to ensure it is current information. Each year the contact information for each dance and class probably changes. Don't forget to remember that Ed needs that new information too. Please let Ed know in time for the next issue. The deadline is September 10th.

It is also time to start publishing your schedules for the new season or year. Please forward this information to Ed in time for the next issue too. As the editor of the DANCERgram, I also ask for your schedules but in a little more detail. Please send the dates of all your dances (not the first Thursday or Third Friday, etc.) along with the themes, dance levels, preferred attire, GPS address of the dance, caller, cuer, and contact information (name, phone number, and email address). I would like to include all of the information in the West Coast Association area.

As you send these schedules don't forget to update your websites at <http://floridasquaredance.com/clubs.php>. If you don't have a website, you might want to consider getting one. This is free advertising and numerous out-of-town dancers find our dances on the Internet. If you don't know how to create a website, Bruce Morgan, the webmaster for the Florida Federation, will create one for you for a very reasonable price. You can contact him at brucmorgan@embarqmail.com. You can look at the other club websites to get an idea of what information should be included.

If you have a website on the state site, don't forget to notify Bruce when there is a change of officers!

Do you have a Facebook page? This is another way of advertising for free, but if you have one someone will have to be very diligent to keep it current. There are instructions further down in this issue on how to create a Facebook page.

Where are all those people who think they have the answers to all the supposed problems the West Coast Association has? I haven't heard from anyone about volunteering to fill an office with the Association. If these people think they can solve the problems, they should be getting more involved with the Association to do something about it.

The President's Ball is on Sunday, September 20th, and we are supposed to introduce the new officers at this dance. This may be our last West Coast dance if we don't have any officers for the Association. As we have said before, if the Association folds, the *Dancer* will go away, all of the West Coast membership dances will stop, it may affect the square dance insurance program that some of you participate in, the Fall Fun Fest will probably go away, and we will no longer have a West Coast Association representative on the Florida Federation Board which means we don't have a vote on anything. Is this what you want?

Health & Sympathy

The entries listed below are for callers, cuers, West Coast Association officers and representatives and other Florida associations, Federation officers and any others who are well known to the Florida square and round dance community. **Listings for others can be found on the website (www.dancergram.com – Health & Sympathy).**

Don't forget to go to www.dancergram.com for additional information on West Coast dancers and former dancers!

Please check the website for information on the passing of a dancer.

Caller Ellis Lindsey's sister, Minnie Rizer, passed away last week. The funeral was held in Alachua on Saturday, July 18th. Minnie was a square dancer for 28 years. If you would like to send a card to Ellis, his address is 1069 SW Shiloh Street, Ft. White, FL 32038.

ARTS – Alliance of Round, Traditional, and Squares

Over the past few years several marketing experts have told us of the importance of social media as a tool to support and improve our efforts to promote the activity. We are all aware that the use of social media, including Face Book, has grown tremendously. A vast number of dance organizations, dancers, and dance leaders have created their own Face Book account.

We are providing the attached "Face Book Primer" as a way to help users better understand and use Face Book. We encourage you to make copies of the document and provide a copy to others who use Face Book.

We thank Scot Byars for the work he did in creating the attached document.

Thanx for your continued interest and support.

Facebook Primer

One of the most popular forms of Social Media is Facebook. According to Statistic Brain (statisticbrain.com) they have over 1.3 billion users as of January 2014. Mobile users number around 680 million. Translated in over 70 languages, 48% of the 640 million minutes each month is accessed by 18-34 year olds.

These numbers are staggering and, just possibly, being seen by even half a percent of these users for free makes a Facebook marketing campaign for our activity a "Must Do". To begin, you will need to create a Facebook account.

If you don't have a Facebook account, you can sign up for one in a few steps:

1. Go to www.facebook.com.
2. If you see the signup form, fill in your name, birthday, gender and email address. If you don't see the form, click **Sign Up**, then fill out the form.

You will need to provide an email address to sign up. If you do not want to use your primary email address, there are a number of free email providers where you can obtain an address you can use exclusively for social media:

In mail (<http://www.in.com>)

Gmail (<http://mail.google.com>)

zoho mail (<http://www.zoho.com/mail/>)

iCloud mail (<http://www.apple.com/icloud/>)

Outlook.com (<http://www.setup-outlook.com/>)

Yahoo mail (<http://us.mail.yahoo.com/>)

The target audience is the dancers in the West Coast area of the state of Florida and contains dance information for the upcoming week in this area as well as major dances around the state and nation, and any other information of interest to the dancers. It is published weekly with addendums as needed. New information each week is highlighted. Permission

is given to forward this newsletter to your membership or others interested in receiving a copy or to provide printed copies to your members and visitors to your club. It is also available on the West Coast page of the Federation Website at www.floridasquaredance.com. If you would like a copy emailed to you or would like your club information added, please contact the editor at sgdncfan@gmail.com.
