From the Editor...

Can you believe the season is already starting to wind down? Many of the clubs and dances in southwest Florida are having their final dances this week.

I hope everyone has noticed the many changes that have been appearing in this newsletter; there's still a lot more to do. There is a whole section of what would have been in the *West Coast Dancer* and the masthead has been changed.

Have you noticed that we have added a spot for the President's Message and a spot for club news? All of the clubs and dances are invited to send a short article about what's happening in your area. There is no deadline for these articles; just send them when you want to. I write the article for my home club and I find it is easier to write the article in time for the *Bow & Swing* deadline (the fifth of each month) and then put the same article in this newsletter. This Club News section has been available for about a month and I haven't received any articles. Yes, there is a section for club news in the *Bow & Swing* and I've noticed that there are a lot of clubs from our area that don't send in articles. When you write your articles, think about things that would "sell" your club i.e. wood floors, hearing enhancement, good acoustics, etc., if you mention any names, please put their first and last name so other people will know who you are referring to. There are so many opportunities with the *Bow & Swing* and the DANCERgram for free advertising for your dances. In addition to the articles, you can purchase ads to promote special dances visiting callers and cuers. Did you know that at www.floridasquaredance.com, there is a calendar where you can advertise your dances and send a flyer to be posed with the calendar entry? This website is sponsored by the Florida Federation, the Florida Callers Association, and the Round Dance Council of Florida and is for the entire state of Florida. You can find just about anything on the site, include a lot of historical information and photos. There are also a lot of graphics if you need clip art for flyers. There will be a huge selection of graphics added to the site shortly.

I want to thank everyone that sends me information, news, schedules, etc. Since I have been unable to do much dancing for the past year, you have been my eyes and ears out there. I hope this last surgery will end all the pain and I'll be back on the floor soon.

It's not too early to start sending me your schedules for next season and even next year. I would prefer not to receive all of them at once. When I receive the schedules, I have to add the dates to the Master Calendar and then list them in the DANCERgram. As you can imagine, this is very time-consuming so I need to have enough time to get everything loaded.

If you have any questions or suggestions about things to add to the DANCERgram, please feel free to contact me at any time. I can be reached at sgdncfan@gmail.com or 863-224-3393. I do text, but I don't answer unidentified calls, so please leave a voice mail message and I'll call you back.

Health and Sympathy

The entries listed below are for Florida Callers, Cuers, Dancers, West Coast Association, Florida Federation, and United Square Dancers of America current and past officers and any others well known to the Florida square and round dance community. If time-sensitive information is received between issues, an email, entitled "WC Joys and Concerns" will be sent to the same distribution list as the DANCERgram.

Club News

Buttons & Bows – Lakeland

In February, we met for dinner at Olive Garden and then went to see Titanic – the musical at Winter Haven Little Theater.

In March we had our annual Breakfast in the Park, which was enjoyed by all those in attendance. Nick's & Moe's Citgo Station in Kathleen gives the club a cash donation to pay for the food which consisted of pancakes (regular, blueberry, and banana), omelets or eggs cooked to order, potatoes, bacon, sausage, juice, and coffee. We rent a covered pavilion at the sports complex north of Lakeland. We charge for the breakfast but that is all profit for the club.

During the second quarter, we will be going to a ballgame at Joker Marchant Stadium.

Sounds like a party all the time, doesn't it? Nope, we squeeze some dancing in there too on the second and fourth Tuesday of each month. Dave Muller is our club caller and class instructor and we have guest callers the other night. Charlie Lovelace has been our club cuer for 30 – 35 years. We dance at the Magnolia Building, 702 E. Orange Street in Lakeland. Early Rounds are from 7:00 p.m. – 7:30 p.m. Then we alternate Mainstream, Plus, and Rounds from 7:30 p.m. – 9:30 p.m. We always have a good spread of refreshments. Square dance attire optional. Come join us! We dance in a historic building with a wood floor and have hearing enhancement for those that want it.

Village on the Green – Bradenton

Monday, March 25, was the last class of the season. We thank all those who participated in these lessons.

The beginners' class will resume on December 2, 2019 from 2:00 to 4:00 PM. A novelty for next season is that the square dance class will be preceded by a rumba round dance class, from 1:00 to 2:00 PM. The details will be published next November.

We wish you a good summer.

Take Care of Your Dance Shoes!

If you have shopped for dance shoes recently, you know they are very expensive. If you’re going to put a lot of money into shoes, you probably would like for them to last for a long time. Have you thought about how you take care of shoes (men and women)?

Should dance shoes be tight?

A **snug shoe should** be form fitting to the foot. There **should** be just enough room to wiggle the toes and no slipping in the heel. A **dance shoe** that is too **tight** will hurt immediately. ... A brand-new pair of **dance shoes should** feel **tight**, but not painfully so.

Can I wear dance shoes on the street?

Suede bottom **shoes can wear** out quickly if worn on the **street**. It is best to **wear** suede bottom **shoes** on **dance** floor surfaces only (such as hard wood floors). We suggest switching into **dance shoes** once arriving to your **dance** destination. EDITOR’S NOTE: You also shouldn’t walk through water in your dance shoes. A true dance shoe has suede soles and leather uppers. When the suede gets wet, your shoe will stick to the dance floor which makes it difficult to dance. Also, when you make turns, your feet will go one way, and the rest of your body will go

another way which will cause a lot of aches and pains by the end of the dance. Carry your dance shoes into the hall and put them on inside. You can also pick up other substances outside that you will bring onto the dance floor that will cause sticky spots and will scratch the dance floor.

How do you clean the bottom of character shoes?

There are several ways you can **clean** your **dance shoe** suede **sole**. One **way to clean** your suede **sole** properly is by using a metal **shoe** brush and Vitamin E oil. Brush the **shoe sole** to **clean** and follow up with one drop of Vitamin E oil and then rub the **bottom** of the **shoes** together.
